SEALER OF WEIGHTS & MEASURES

April 1, 1974

C. B. Christensen, Director
State Department of Agriculture
and
The Honorable Board of Supervisors
County of Glenn

Gentlemen:

I am pleased to submit the 1973 Annual Crop and Livestock Report for Glenn County as required by Section 2279 of the California Agricultural Code.

Agricultural production reached a record high of \$93,383,400, an increase of \$38,027,000 over 1972.

Values given in this report are gross receipts received by the growers and they in no way reflect the net income to the growers. As shown in the recapitulation, the increase of gross income in 1973 over 1962 is comparable to that for 1972.

I wish to express my appreciation for the cooperation and assistance of all individuals who contributed to this report, and especially members of our staff who compiled the report.

Respectfully submitted,

Ed Romano
Agricultural Commissioner
