California Department of Food and Agriculture

-and-

The Honorable Board of Supervisors
County of Glenn

I am pleased to submit the 1987 Annual Crop and Livestock Report for Glenn County as required by Section 2279 of the California Agricultural Code.

Agriculture continued to be the leading industry in the county with a gross value of \$167,810,000, an increase of 15,091,000 over last year. The year also saw Olives move into the counties top ten crops.

Values given in this report are gross receipts received by growers and they in no way reflect the net income to growers.

I wish to express my appreciation for the cooperation and assistance of all individuals who contributed to this report and especially members of my staff who compiled the reports.

Respectfully submitted,

Ed Romano
Agricultural Commissioner
