

Legal Referral Services

Support. Just When You Need It.

“My landlord refused to make repairs to my apartment. The city issued violations, but he refused to fix the problem. Concern matched me with an attorney who resolved it all without even requiring a court date!”

Finding competent, committed legal counsel can be very stressful. Who do you call? Who do you trust? So much rides on your decision.

Concern's Legal Referral Services takes the guesswork—and stress—out of selecting an attorney, and allows you to focus on solving your problem, or helps you determine if you have a case.

Our network of practicing attorneys must have a minimum of five years of legal practice experience, hold a current license and be a member in good standing in their state bar association.

You'll receive a free one half-hour consultation with an attorney over the phone or in person. If you retain the attorney, you will receive a 25% rate reduction from their normal hourly rate.

Due to conflict of interest, we cannot offer legal advice against any employer or health plan.

Our attorneys can assist with:

- **Family:** Marital, child custody, child support, adoption
- **Civil:** Patents, trademarks, traffic violations, accidents, repossessions, collections, contractual disputes, defaults and foreclosures
- **Estate:** Estate planning and probate
- **Landlord/Tenant**
- **Immigration**
- **Personal Injury**
- **Consumer and Consumer Protection**
- **Financial**
- **Business**
