Eye exams offered by DPA/DTA or DEA-certified optometrists and ophthalmologists. All certifications are verified by an NCOA-accredited credentials verification organization.

We have the network for every pair of eyes

Whatever life sends your way, our vision network
has solutions to help you see it to the fullest

"It's hard for me to get away
during the workday."

To fit your busy schedule, many
eye doctors in our network have
weekend and evening hours.

"No thanks, I see perfectly fine."

An eye exam can help spot vision and
health problems you may not know about.
That's why you can get an eye exam with
\$0 copay at PLUS Providers – so you can use
your vision benefits to help you stay healthy.

"I wear contacts, my wife
wants to get LASIK, and 2
of our kids need glasses."

Our network has a wide variety
of independent and retail providers,
so everyone in your family can see
the doctor they want.

"I'm in an airplane at
30,000 feet and can't get
to the eyeglasses store."

You can shop for eyewear online and
use your in-network benefits—just like
you would at the store.* You can even
use your additional frame allowance at
these participating PLUS Providers.*
