All employees shall submit evidence upon request of the department head or designee in the form of a physician’s certificate if such absence exceeds three (3) working days or when the department head deems necessary. When an

An employee who is on their regularly scheduled vacation and becomes ill may use sick leave for the period of disability provided a physician certifies as to the disability. An employee shall notify their department head immediately of such illness.

No payment for accumulated sick leave shall be made upon termination of employment.

If, in the opinion of the department head, an employee is unable to satisfactorily perform their duties because of possible injury or illness, the department head may require such an employee to be examined by the County physician. For the purpose of this Article compensated hour means hours in a paid status, not to exceed the employees regularly scheduled hours.

Regular full time employees shall not be entitled to use vacation benefits until they have been employed one full year.

Notwithstanding any other provision of this memorandum, an employee employed less than one full year may be authorized to use donated vacation accruals pursuant to Section 12.02.09, Catastrophic Illness/Injury Leave Policy, of the Glenn County Administrative Manual, when all requirements of that section have been met.

Maximum Accruals. Each regular employee shall be entitled to accumulate the unused portion of vacation time to their credit, provided that an employee shall not be permitted to accumulate credit for vacation in excess of two times their annual accrual.

Effective January 1, 2012 and remaining in effect thereafter, including after termination of this M.O.U. unless otherwise agreed to in writing by the parties, all POA new hires who commence work on or after said January 1 date as a Glenn County employee in the POA bargaining unit (even if a previous Glenn County employee or even if a current Glenn County employee but not in the POA) will be entitled to accumulate the unused portion of vacation time to their credit, provided that an employee shall not be permitted to accumulate credit for vacation in excess of one and one-half (1 ½) times their annual accrual.

Employees who on October 1, 2003, exceeded the maximum accruals shall retain those accruals until the vacation is taken or the employee terminates county service.

Compensation for Excess Accruals. An employee who is unable to take his or her scheduled vacation due to unusual and extenuating departmental needs shall, upon request and determination by the department head, be compensated for all vacation hours accrued each month in excess of two times their annual accrual.

Minimum Usage. A department head may require an employee to use up to one half of the vacation hours the employee accrued in that year.

Compensation Upon Termination. Upon termination, an employee shall be entitled to a lump sum payment for any unused or accumulated vacation time.

Scheduling. Vacation is to be scheduled in accordance with classification seniority. A calendar for the year (January 1 through December 31) will be distributed by November 1 to employees based on seniority. An employee is eligible to request one (1) solid block of vacation (up to their maximum accrual). Once the vacation schedule has circulated the department in entirety, it will be distributed once more. Again, an employee is eligible to request one (1) solid block of vacation. An approved vacation schedule shall be posted by the department by December 15 of each year. Additional vacation requests may be made after the schedule has been posted, and may be granted on a first come first serve basis. An employee who has not scheduled vacation may have one week (40 hours) of vacation scheduled on their behalf by their supervisor. Note, employees are permitted to request vacation blocks that wrap the calendar year, not to exceed five (5) calendar days (e.g.: December 25 through January 5). No scheduled vacation will be canceled except in cases of emergency.

Date Earned. At the completion of one year of employment with the County, in regular full time or regular part-time status, an employee will be credited with 12 months of vacation accrual. Thereafter, they will be credited with their vacation accrual each pay period.

Regular Part Time Employees. Employees in a regular part time position shall accrue and be eligible for vacation benefits in direct proportion as such part time service bears to regular full time service. However, a regular part-time employee who averages less than twenty (20) hours per week shall not be eligible to accrue vacation benefits.

Vacation Leave Cash Out. By no later than December 15th of each year, employees may make an irrevocable decision to cash out up to 40 hours of vacation that will be accrued during the next year. Cash Out requests must be made on a form to be provided by the County and shall include the number of hours the employee wishes to cash out and the date, after July 1, in the following year on which the employee wishes to receive the payment. The payment will occur in the pay period immediately following the date selected.

Irrevocable Election: Once made, both the election to cash out vacation leave and the date upon which the cash out is scheduled to occur is irrevocable. Employees will only be able to modify the date scheduled in cases of unforeseen emergencies, such as an unanticipated need to utilize vacation leave for a leave of absence due to medical reasons, and only upon approval of the Personnel Director or his or her designee. If, on the date scheduled for cash out, the employee does not have enough vacation leave available to satisfy the election, the County will cash out the vacation leave up to the amount available. In that case, the County will be deemed to have satisfied its obligation to cash out vacation leave pursuant to the employee's election and no further cash out will occur. For example, if an employee elects to cash out 5 days of vacation leave on August 1, but only has 3 days of vacation leave available on that date, the County will cash out the employee's available 3 days of vacation leave and no further cash out will occur pursuant to that election.

This increase shall be 5% above the approved, published rate for the employee's step and range.

ARTICLE 4.06 - JURY DUTY:

ARTICLE 4.08 - MEDICAL LEAVE/FAMILY AND MEDICAL LEAVE ACT (FMLA)/FAMILY CARE LEAVE - CALIFORNIA FAMILY RIGHTS (CFRA)

A. **Eligibility.** An employee is eligible for leave under the FMLA or CFRA provided the employee:

1. Has been employed by the County for at least 12 months, and
2. Has at least 1250 hours of service during the 12-month period immediately preceding the commencement of the leave.

B. **Reasons.** Leave is permitted for the following reasons:

1. The birth of a child of an employee, and to care for a newborn;
2. The placement of a child with an employee in connection with the adoption or foster care of a child by an employee;
3. To care for a child, parent or a spouse who has a serious health condition; or

4. Because of a serious health condition that makes the employee unable to perform the functions his/her position.
5. For any qualifying exigency arising out of the fact that a spouse, son, daughter, or parent is a military member on covered active duty or call to covered active duty status.

C. **Leave Entitlement.** An eligible employee is entitled to a total of 12 workweeks of leave during any 12-month period. This 12 month period will be measured forward from the date of certification under the FMLA or CFRA. An employee's entitlement to leave for the birth or placement of a child for adoption or foster care expires 12 months after the birth or placement. A female employee's right to take pregnancy disability leave is not impacted by either the FMLA or the CFRA. Such employees can take the maximum leave provided by both the pregnancy leave law and the medical leave laws.

In addition, an eligible employee may also take up to 26 workweeks of leave during a "single 12-month period" to care for a covered service member with a serious injury or illness, when the employee is the spouse, son, daughter, parent, or next of kin of the service member. The "single 12-month period" for military caregiver is different from the "12-month period" used for other FMLA Leave reasons.

Under some circumstances, employees may take FMLA and CFRA leave on an intermittent or reduced schedule basis.

- D. **Pay Status While on FMLA or CFRA leave.** Leave under the FMLA or CFRA is unpaid; however,
1. Sick leave must be used for an approved medical leave of absence, and
 2. Vacation must be used for an approved leave of absence when sick leave is exhausted. Employees are eligible to maintain a vacation balance of eighty (80) hours. CTO may be used for an approved leave of absence.

E. **Health Plan Coverage.** During FMLA/CFRA the employee's coverage under the County provided group health plan will be treated the same as if the employee had been continuously employed during the leave period.

F. **Employee's Status While on Family and Medical Leave.** While on FMLA/CFRA Leave an employee retains "employee" status. The leave does not constitute a break in service for purposes of longevity, and or seniority. An employee returning from leave shall return with no less seniority for purposes of layoff, recall, promotion, job assignment and seniority related benefits such as vacation.

G. **Medical Certification Required to Support A Request For FMLA/CFRA Leave.** Employees who request leave must provide written certification from the health care provider of the individual requiring care. The medical certification that an employee is needed to care for a family member encompasses serious health conditions of the family member. If the leave request is because of the employee's own serious health condition, the certification must include a statement that the employee is unable to perform the essential functions of the employee's position. The medical certification

must be submitted on the forms developed by the County. Failure to provide the medical certification within 14 calendar days of the request for leave will be grounds for the denial of the leave.

H. **Notice to the Employer.** Employees must request leave under FMLA or CFRA 30 days in advance, if possible. When the need for leave is foreseeable less than 30 days in advance or is unforeseeable, employees must provide notice as soon as possible and practicable under the circumstances. Leave requests shall be made to the County Personnel Department.
