

Program Manager Report

November 12, 2019

Administrative Updates:

- Continued coordination with Mary Fahey, Colusa Groundwater Authority (CGA), and others as needed to organize and direct joint tasks and upcoming activities
- 2018/2019 Annual Audit: Met with CliftonLarsonAllen staff, compiled documentation for testing, follow up items
- GGA invoice to CGA for HCM/Water Budget project to include in Proposition 1 grant invoice for reimbursement
- Work with Provost & Pritchard on invoicing clarification and revision regarding overage
- Clarifications for the Department of Finance- charge may be less than expected. Final amount not prepared yet, but may be less than \$1.00 per parcel!
- Sent confirmation letter to Monroeville Water District
- Various meeting preparations (Board, TAC, Executive, Westside, etc)
- Upcoming: Bylaws- Working with Executive Committee/Legal Counsel to update Article 7.1 concerning signatures on checks to agree with the County's protocol

Project Updates:

- Outreach (October/November)
 - Speaker at the American Society of Farm Managers & Rural Appraisers Round Table- October 4
 - SGMA update at Northern Sacramento Valley Integrated Regional Water Management Technical Advisory Committee meeting- October 16
 - Attended Glenn County Rangeland Association Meeting and provided a verbal report- November 7
 - SGMA Story Map is now live on the Glenn County website <https://arcg.is/1GbOXC>
- Colusa Subbasin GSP Development Proposition 1 Grant (CGA contracting agency)
 - Review and comment on Progress Report/Invoice 4
- Proposition 68 Grant application
 - Coordination with Davids Engineering and CGA staff
- HCM/Water Budget Project Update
 - Continuing bi-weekly meetings with M. Fahey, L. Hunter, and consulting team on project updates
- Request for Proposals for Colusa Subbasin GSP Development
 - Background included in meeting packet.
- Technical Support Services (TSS) Project (Monitoring well installation near Arbuckle) (CGA is DWR's point of contact)
 - New monitoring well is complete; no real-time monitoring devices yet

- This does not preclude the Colusa Subbasin from requesting additional technical support, which could include additional monitoring sites in the GGA portion of the subbasin.
- Facilitation Support Services (CGA lead)
 - Stakeholder Communication Engagement Plan is complete
 - Considered a “living document” and will be updated as needed
 - CGA/GGA Joint Board Meeting & Workshop preparation tasks
 - Contract ended October 31, 2019
- CGA/GGA MOU
 - The Draft MOU was discussed at the CGA/GGA Joint Executive Committee meeting on September 4, 2019.
 - M. Fahey & L. Hunter will revise the draft MOU and request clarification from counsel as needed
 - Following CGA and GGA Executive Committee reviews, the draft will be brought to both Boards for review, comment, and consideration of approval.
- Long-Term Funding
 - The final corrected roll contained 5,577 parcels for a total of \$450,499.80.
 - Respond to phone calls relating to the property-related fee.
