Probation Manual

PROBATION CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity, will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve the objectives and ideals, dedicating myself before God to my chosen profession... law enforcement.

- (a) Separated from service in good standing from this department as an officer.
- (b) Before such separation, had regular employment as a peace officer for an aggregate 10 years or more or, if employed as a peace officer for fewer than 10 years, separated from service after completing any applicable probationary period due to a service-connected disability as determined by this department.
- (c) Has not been disqualified for reasons related to mental health.
- (d) Has not entered into an agreement with this department in which the officer acknowledges disqualification to receive a firearms qualification certificate for reasons related to mental health.
- (e) Is not prohibited by federal law from receiving or possessing a firearm.

206.3.1 LEOSA CARD FORMAT

The LEOSA identification card should contain a photograph of the former officer and identify the officer as having been employed as an officer.

If the Glenn County Probation Department qualifies the former officer, the LEOSA identification card or separate certification should indicate the date the former officer was tested or otherwise found by the Department to meet the active-duty standards for qualification to carry a firearm.

206.3.2 AUTHORIZATION

Any qualified former peace officer, including a former officer of this department, may carry a concealed firearm under 18 USC § 926C when:

- (a) In possession of photographic identification that identifies the individual as having been employed as a peace officer, and one of the following:
 1. An indication from the person's former probation agency that the person has, within the past year, been tested or otherwise found by the agency to meet

agency-established active-duty standards for qualification in firearms training to carry a firearm of the same type as the concealed firearm.

2. A certification, issued by either the state in which the person resides or by a certified firearms instructor who is qualified to conduct a firearms qualification test for active-duty peace officers within that state, indicating that the person has, within the past year, been tested or otherwise found to meet the standards established by the state or, if not applicable, the standards of any agency in that state.
 - (b) Not under the influence of alcohol or another intoxicating or hallucinatory drug or substance.
 - (c) Not prohibited by federal law from receiving a firearm.

206.4 CALIFORNIA IDENTIFICATION CARD

The Chief Probation Officer may issue an identification card with an endorsement to carry a concealed firearm to a person who (Penal Code § 26300):

- (a) Honorably retired following service as a full-time sworn officer of this department who was authorized to, and did, carry a concealed firearm during the course and scope of employment (Penal Code § 25455).
 1. Honorably retired includes all peace officers who have qualified for, and accepted, a service or disability retirement, however, it shall not include any officer who retires in lieu of termination or who is retiring because of a psychological disability (Penal Code § 26305).
- (b) Honorably retired as a peace officer from any jurisdiction that this department now serves under the following conditions (Penal Code § 25905):
 1. The retiree's previous agency is no longer providing law enforcement services or the relevant government body is dissolved.
 2. This department is in possession of the retiree's complete personnel records or can verify the retiree's honorably retired status.
 3. The retiree is in compliance with all of the requirements of this department for the issuance of a Concealed Carry Weapon (CCW) Approved endorsement.
- (c) Was a qualified retired reserve officer who met the department requirements for a CCW Approved endorsement (Penal Code § 26300).

206.4.1 CALIFORNIA IDENTIFICATION CARD FORMAT

The card shall be 2 inches by 3 inches and minimally contain (Penal Code § 25460):

- (a) Photograph of the retiree.

- (d) Name and address of this department.
- (e) A stamped endorsement "CCW Approved" along with the date by which the endorsement must be renewed (not more than one year). In the case in which a CCW endorsement has been denied or revoked, the identification card shall be stamped "No CCW Privilege."

206.4.2 QUALIFIED RETIREES FROM INCORPORATED JURISDICTION

The Glenn County Probation Department shall provide an identification card with a CCW Approved endorsement to honorably retired peace officers from any jurisdiction that this department now serves under the following conditions (Penal Code § 25905):

- (b) This department is in possession of the retiree's complete personnel record or can verify the retiree's honorably retired status.
- (c) The retiree is in compliance with all of the requirements of this department for the issuance of a CCW Approved endorsement.

206.5 FORMER OFFICER RESPONSIBILITIES

A former officer with a card issued under this policy shall immediately notify the Chief Probation Officer or authorized designee of an arrest or conviction in any jurisdiction, or that the individual is the subject of a court order, in accordance with the Reporting of Arrests, Convictions, and Court Orders Policy.

206.5.1 RESPONSIBILITIES UNDER LEOSA

In order to obtain or retain a LEOSA identification card, the former officer shall:

- (a) Sign a waiver of liability of the Department for all acts taken related to carrying a concealed firearm, acknowledging both personal responsibility as a private person for all acts taken when carrying a concealed firearm as permitted by LEOSA and also that these acts were not taken as an employee or former employee of the Department.
- (b) Remain subject to all applicable department policies and federal, state, and local laws.
- (c) Demonstrate good judgment and character commensurate with carrying a loaded and concealed firearm.
- (d) Successfully pass an annual criminal history background check indicating that the individual is not prohibited by law from receiving or possessing a firearm.

206.5.2 MAINTAINING A CALIFORNIA IDENTIFICATION CARD CCW ENDORSEMENT

In order to maintain a CCW Approved endorsement on an identification card issued under California law, the retired officer shall (Penal Code § 26305):

- (c) Not engage in conduct that compromises public safety.

206.6 DENIAL, SUSPENSION, OR REVOCATION

A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the Department. In the event that an identification card is denied, suspended, or revoked, the former officer may request a review by the Chief Probation Officer. The decision of the Chief Probation Officer is final.

206.6.1 DENIAL, SUSPENSION, OR REVOCATION OF A CALIFORNIA CCW ENDORSEMENT CARD

A CCW endorsement for any officer retired from this department may be denied or revoked only upon a showing of good cause. The CCW endorsement may be immediately and temporarily revoked by the Deputy Chief when the conduct of a retired peace officer compromises public safety (Penal Code § 25470).

- (a) In the event that a CCW endorsement is initially denied, the retired officer shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.
- (b) Prior to revocation of any CCW endorsement, the Department shall provide the affected retiree with written notice of a hearing by either personal service or first-class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).
 1. The retiree shall have 15 days from the date of service to file a written request for a hearing.
 2. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received (Penal Code § 26315).
 3. Failure to submit a timely written request for a hearing shall be deemed a waiver of such right.
- (c) A hearing for the denial or revocation of any CCW endorsement shall be conducted before a hearing board composed of three members, one selected by the Department, one selected by the retiree or the retiree's employee organization, and one selected jointly (Penal Code § 26320).
 1. The decision of such hearing board shall be binding on the Department and the retiree.
 2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender the identification card. The Department will then reissue a new identification card which shall be stamped "No CCW Privilege" (Penal Code § 26325(b)).
- (d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Chief Probation Officer or the authorized designee as soon as practicable. The Deputy Chief should promptly take appropriate steps to look into the

Glenn County Probation Department

Probation Manual

matter and, if warranted, contact the retiree in person and advise the individual in writing of the following:

1. The retiree's concealed firearm CCW endorsement is immediately and temporarily suspended.
2. The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.
3. The retiree will forfeit the right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Deputy Chief should attempt to make the above notice of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Deputy Chief may request that a law enforcement officer from that agency act as the agent of the Department to deliver the written notification.
5. Notification of the temporary suspension should also be promptly mailed to the retiree via first-class mail, postage prepaid, return receipt requested.
 - (a) The Deputy Chief should document the investigation, the actions taken, and, if applicable, any notification made to the former member. The memo should be forwarded to the Chief Probation Officer.

206.7 FIREARM QUALIFICATIONS

The Rangemaster may provide former officers from this department an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, members authorized to use force are expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Conducted Energy Devices policies.

Nothing in this policy is intended to limit members' lawful ability to defend themselves.

Retaliation prohibitions for reporting suspected violations is addressed in the Anti-Retaliation Policy.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person (Government Code § 7286(a)).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when persons allow themselves to be searched, escorted, handcuffed, or restrained.

Serious bodily injury - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

Totality of the circumstances - All facts known to the officer at the time, including the conduct of the officer and the subject leading up to the use of force (Penal Code § 835a).

300.2 POLICY

The use of force by officers authorized to use force is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Glenn County Probation Department

Probation Manual

Use of Force

Officers authorized to use force must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of duties.

The Glenn County Probation Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force in the performance of their duties requires monitoring, evaluation, and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE

Any officer present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances, shall, when in a position to do so, intercede (as defined by Government Code § 7286) to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

300.2.2 FAIR AND UNBIASED USE OF FORCE

Officers are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)).

300.2.3 DUTY TO REPORT EXCESSIVE FORCE

Any officer who observes a law enforcement officer or an employee use force that potentially exceeds what the officer reasonably believes to be necessary shall immediately report these observations to a supervisor (Government Code § 7286(b); Penal Code § 832.13).

As used in this section, “immediately” means as soon as it is safe and feasible to do so.

300.2.4 FAILURE TO INTERCEDE

An officer who has received the required training on the duty to intercede and then fails to act to intercede when required by law may be disciplined in the same manner as the officer who used force beyond that which is necessary (Government Code § 7286(b)).

300.3 USE OF FORCE

Officers authorized by the Chief Probation Officer to use force in arresting an offender or preventing an offender from escaping custody shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably

Use of Force

appears necessary in a particular situation with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Officers may only use a level of force that they reasonably believe is proportional to the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the approved or authorized tools, weapons, or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Officers authorized by the Chief Probation Officer and California Penal Code § 830.5 may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance (Penal Code § 835).

An authorized officer who makes or attempts to make an arrest need not retreat or desist from the efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose the right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- (a) The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time (Penal Code § 835a).
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The conduct of the involved officer leading up to the use of force (Penal Code § 835a).
- (e) The effects of suspected drugs or alcohol.

Glenn County Probation Department

Probation Manual

Use of Force

- (f) The individual's apparent mental state or capacity (Penal Code § 835a).
- (g) The individual's apparent ability to understand and comply with officer commands (Penal Code § 835a).
- (h) Proximity of weapons or dangerous improvised devices.
- (i) The degree to which the individual has been effectively restrained and the individual's ability to resist despite being restrained.
- (j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
- (k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
- (l) Training and experience of the officer.
- (m) Potential for injury to officers, suspects, bystanders, and others.
- (n) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (o) The risk and reasonably foreseeable consequences of escape.
- (p) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (r) Prior contacts with the individual or awareness of any propensity for violence.
- (s) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 USE OF FORCE TO SEIZE EVIDENCE

In general, authorized officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence.

Glenn County Probation Department

Probation Manual

Use of Force

In the instance when force is used to seize evidence, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration, or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Glenn County Probation Department for this specific purpose.

300.3.5 USE OF FORCE TO PREVENT INGESTION OF EVIDENCE

Officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband (see the Medical Aid and Response Policy).

300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

As time and circumstances reasonably permit, and when community and officer safety would not be compromised, officers should consider actions that may increase officer safety and may decrease the need for using force:

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.
- (b) Formulating a plan with responding officers before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase officer jeopardy.

In addition, when reasonable, officers should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

- Attempts to de-escalate a situation.
- If reasonably available, the use of crisis intervention techniques by properly trained personnel.

300.3.7 RESTRICTIONS ON THE USE OF CAROTID CONTROL HOLD

Officers of this Department are not authorized to use a carotid restraint hold. A carotid restraint means a vascular neck restraint or any similar restraint, hold, or other defensive tactic in which pressure is applied to the sides of a person's neck that involves a substantial risk of restricting blood flow and may render the person unconscious in order to subdue or control the person (Government Code § 7286.5).

300.3.8 RESTRICTIONS ON THE USE OF A CHOKE HOLD

Officers of this Department are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person's trachea or windpipe (Government Code § 7286.5).

Use of Force

300.3.9 ADDITIONAL RESTRICTIONS

Terms such as “positional asphyxia,” “restraint asphyxia,” and “excited delirium” continue to remain the subject of debate among experts and medical professionals, are not universally recognized medical conditions, and frequently involve other collateral or controlling factors such as narcotics or alcohol influence, or preexisting medical conditions. While it is impractical to restrict an officer’s use of reasonable control methods when attempting to restrain a combative individual, officers are not authorized to use any restraint or transportation method which might unreasonably impair an individual’s breathing or respiratory capacity for a period beyond the point when the individual has been adequately and safely controlled. Once controlled, the individual should be placed into a recovery position (e.g., supine or seated) and monitored for signs of medical distress (Government Code § 7286.5).

300.4 DEADLY FORCE APPLICATIONS

Where feasible, the officer shall, prior to the use of deadly force, make reasonable efforts to identify as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts (Penal Code 835a).

If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonably practical, officers should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force by authorized members is only justified when the officer reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

- (a) Officers may use deadly force to protect themselves or others from what they reasonably believe is an imminent threat of death or serious bodily injury to the officer or another person.
- (b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Officers shall not use deadly force against a person based on the danger that person poses to self, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

An “imminent” threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer’s subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

Glenn County Probation Department

Probation Manual

Use of Force

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and may involve additional considerations and risks. When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others (Government Code § 7286(b)).

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.4.2 DISPLAYING OF FIREARMS

Given that individuals might perceive the display of a firearm as a potential application of force, officers should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

- (a) If the officer does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.
- (b) If the officer reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such threat until the officer no longer perceives such threat.

Once it is reasonably safe to do so, officers should carefully secure all firearms.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why the officer believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATION TO SUPERVISORS

Any use of force by an officer shall be reported immediately to a supervisor in circumstances including but not limited to the following (Penal Code § 832.13):

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the Conducted Energy Device or control device.

Glenn County Probation Department

Probation Manual

Use of Force

- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

As used in this section, “immediately” means as soon as it is safe and feasible to do so.

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2 (see the Records Maintenance and Release Policy).

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until medically assessed.

Based upon the officer’s initial assessment of the nature and extent of the individual’s injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain (sometimes called “excited delirium”), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away (see the Medical Aid and Response Policy).

Glenn County Probation Department

Probation Manual

Use of Force

300.7 SUPERVISOR RESPONSIBILITY

A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived *Miranda* rights, the following shall apply:
 1. The content of the interview should not be summarized or included in any related criminal charges.
 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
 1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 DEPUTY CHIEF RESPONSIBILITY

The Deputy Chief shall review each use of force by any personnel within the Deputy Chief's command to ensure compliance with this policy.

300.8 TRAINING

Officers and supervisors will receive periodic training on this policy and demonstrate their knowledge and understanding (Government Code § 7286(b)).

Glenn County Probation Department

Probation Manual

Use of Force

Subject to available resources, the Training Manager should ensure that officers receive periodic training on de-escalation tactics, including alternatives to force.

Training should also include (Government Code § 7286(b)):

- (a) Guidelines regarding vulnerable populations, including but not limited to children, elderly persons, pregnant individuals, and individuals with physical, mental, and developmental disabilities.
- (b) Training courses required by and consistent with POST guidelines set forth in Penal Code § 13519.10.

See the Training Policy for restrictions relating to officers who are the subject of a sustained use of force complaint.

300.9 USE OF FORCE COMPLAINTS

The receipt, processing, and investigation of civilian complaints involving use of force incidents should be handled in accordance with the Personnel Complaints Policy (Government Code § 7286(b)).

300.10 POLICY REVIEW

The Chief Probation Officer or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

300.11 POLICY AVAILABILITY

The Chief Probation Officer or the authorized designee should ensure this policy is accessible to the public (Government Code § 7286(c)).

300.12 PUBLIC RECORDS REQUESTS

Requests for public records involving an officer's personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records, and Records Maintenance and Release policies (Government Code § 7286(b)).

Officer-Involved Shootings and Deaths

301.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief Probation Officer may decide that the investigation will follow the process provided in this policy.

301.2 POLICY

The policy of the Glenn County Probation Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair, and impartial manner.

301.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation into policy compliance by involved officers.
- A civil investigation to determine potential liability.

301.3.1 CRIMINAL INVESTIGATIONS

The Chief Probation Officer should request that the law enforcement agency in whose jurisdiction the conduct occurred perform a criminal investigation into both the involved officer and the suspect.

301.3.2 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the Glenn County Probation Department should conduct an administrative and civil investigation of each involved officer.

301.4 INVESTIGATION PROCESS

These procedures are guidelines used in the investigation of an officer-involved shooting or death.

301.4.1 OFFICER RESPONSIBILITIES

The officer should, as appropriate:

- (a) Notify a supervisor.
- (b) Notify the appropriate local law enforcement agency.
- (c) Request appropriate emergency medical services.

Glenn County Probation Department

Probation Manual

Officer-Involved Shootings and Deaths

- (d) Request additional resources from the Department or other law enforcement agencies.

301.4.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the Glenn County Probation Department supervisor should ensure completion of the duties outlined above, plus:

- (a) In the event a law enforcement investigator has not arrived, attempt to obtain a brief overview of the situation from any uninvolved officers.
 1. In the event there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) Each involved Glenn County Probation Department officer should be given an administrative order not to discuss the incident with other involved officers or Glenn County Probation Department members pending further direction from a supervisor.
- (c) As soon as practicable, in coordination with the supervising officer of the law enforcement investigator in charge of the criminal investigation, request that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 1. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that the officer is provided with appropriate security.

301.4.3 NOTIFICATIONS

The supervisor is responsible for notification to the following persons as soon as practicable:

- Chief Probation Officer
- District Attorney
- County Attorney
- County Administrative Officer (CAO)
- Outside agency investigators
- Psychological/peer support personnel, if available
- Clergy, if requested
- Presiding judge
- Involved officer's agency representative, if requested

301.4.4 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal representation will be accommodated.

Glenn County Probation Department

Probation Manual

Officer-Involved Shootings and Deaths

1. Involved Glenn County Probation Department officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
 - (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
 - (c) Discussions with employee groups will be privileged only as to the discussion of non-criminal information.
 - (d) A licensed psychotherapist should be provided by the Department to each involved Glenn County Probation Department officer. A licensed psychotherapist may also be provided to any other affected Glenn County Probation Department members, upon request.
 1. Interviews with a licensed psychotherapist will be considered privileged.
 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, the involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
 - (e) Peer counselors are cautioned against discussing the facts of any incident with an involved or witness officer (Government Code § 8669.4).

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until law enforcement investigators or lab personnel can properly retrieve it.

Each involved Glenn County Probation Department officer should be given reasonable paid administrative leave after an officer-involved shooting or death. It shall be the responsibility of the Chief Probation Officer to make schedule adjustments to accommodate such leave.

301.5 CRIMINAL INVESTIGATION

The District Attorney's Office is responsible for the determination as to whether criminal charges are filed as a result of any officer-involved shooting involving injury or death.

Criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) Glenn County Probation Department supervisors should not participate directly in any voluntary interview of Glenn County Probation Department officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) Any voluntary statement provided by an involved officer will be made available for any related investigation, including administrative investigations. However, no

Glenn County Probation Department

Probation Manual

Officer-Involved Shootings and Deaths

administratively coerced statement will be provided to any criminal investigators unless the officer consents.

301.5.1 REPORTS BY INVOLVED GLENN COUNTY PROBATION DEPARTMENT OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved Glenn County Probation Department officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved Glenn County Probation Department officer may write the report, it is generally preferred that such reports be limited to the report completed by the criminal investigators.

Nothing in this section shall be construed to deprive an involved Glenn County Probation Department officer of the right to consult with legal counsel prior to completing any such criminal report.

301.6 ADMINISTRATIVE INVESTIGATIONS

In addition to all other investigations associated with the incident, this department will conduct an internal administrative investigation of involved Glenn County Probation Department officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Chief Probation Officer or the authorized designee and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy).

- (a) Any involved officer may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 1. If further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of the prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.

Glenn County Probation Department

Probation Manual

Officer-Involved Shootings and Deaths

2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative collectively or in groups prior to being interviewed (Government Code § 3303(i)).
3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).
4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, the officer should be given *Lybarger* or *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
5. The assigned investigator shall compile all relevant information and reports necessary for the Chief Probation Officer to determine compliance with policies.
6. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

301.7 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review any video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-department witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available video or audio recordings with the approval of assigned investigators or a supervisor.

Any video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or County Attorney, as appropriate.

301.8 DEBRIEFING

The Glenn County Probation Department should conduct both a critical incident stress debriefing and a tactical debriefing.

301.8.1 CRITICAL INCIDENT STRESS DEBRIEFING

A critical incident stress debriefing should occur as soon as practicable. The Deputy Chief is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event.

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law, or a valid court order.

Attendance at the debriefing should only include those members of the Department directly involved in the incident. Family or other support personnel may attend with the concurrence of

Glenn County Probation Department

Probation Manual

Officer-Involved Shootings and Deaths

those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the Department, including supervisory personnel and personnel assigned to conduct administrative investigations of this incident.

301.8.2 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief Probation Officer should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to the criminal and/or administrative investigators.

301.9 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the investigating law enforcement agencies. Releases will be available to the Chief Probation Officer and assigned investigators in the event of inquiries from the media.

No involved Glenn County Probation Department officer shall comment to the media unless authorized by the Chief Probation Officer and the assigned law enforcement agency.

301.10 REPORTING

If the death, or shooting, of an individual occurs in any incident involving an officer of the Glenn County Probation Department and qualifies to be reported to the state, the Chief Probation Officer will ensure that the Records Manager is provided with enough information to meet the reporting requirements (Government Code § 12525.2; Government Code § 12525).

Firearms

302.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance, and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized by law and the Chief Probation Officer to carry firearms.

302.2 POLICY

The Glenn County Probation Department may authorize and equip certain members with firearms for specified duties. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

302.3 AUTHORIZED FIREARMS, AMMUNITION, AND OTHER WEAPONS

Members may carry firearms consistent with the written authorization of the Chief Probation Officer identifying when a firearm may be carried and any limitations.

Authorized members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Rangemaster. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized range.

All other weapons not provided by the Department, including but not limited to edged weapons, chemical or electronic weapons, impact weapons, or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the Chief Probation Officer. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

302.3.1 HANDGUNS

The authorized department-issued handgun is approved by the Chief Probation Officer.

302.3.2 SHOTGUNS AND RIFLES

Generally, shotguns and rifles may be authorized for carrying in the performance of the following types of duties:

- Participation in a high-risk warrant service or fugitive-apprehension team
- Participation in cross-functional teams with members of local law enforcement (e.g., high-risk offender compliance teams)

Glenn County Probation Department

Probation Manual

Firearms

- Participation in specialized task force operations (e.g., drug task force operations, gang task force operations)
- Participation in a ready-response or security team
- Assignment as a specialized high-risk or apprehension officer working in that capacity

When not deployed, shotguns and rifles shall be properly secured consistent with department training in an approved locking weapons rack.

302.3.3 SHOTGUN/RIFLE DEPLOYMENT

Members should deploy a shotgun or rifle only in circumstances when the member can articulate a reasonable expectation that a shotgun or rifle may be needed. Members participating on a specialized team should refer to the Task Force Policy regarding authorization for specific operations.

Examples of some general guidelines for deployment of a shotgun or rifle may include but are not limited to:

- Situations when the member reasonably anticipates an armed encounter or an encounter with an individual wearing body armor.
- Situations when a member reasonably expects the need to meet or exceed an individual's firepower or may require long-range accuracy.
- When authorized or requested by a supervisor.

302.3.4 PERSONALLY OWNED DUTY FIREARMS

Members authorized by the Chief Probation Officer to carry a firearm in the performance of their duties who desire to carry a personally owned duty firearm must receive written approval from the Chief Probation Officer. Once approved, personally owned duty firearms are subject to the following restrictions:

- (a) The firearm shall be in good working order and on the department list of approved firearms.
- (b) The firearm shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (c) Prior to carrying the firearm, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the firearm functions properly.
- (d) Members shall provide written notice of the make, model, color, serial number, and caliber of the firearm to the Rangemaster, who will maintain a list of the information.

302.3.5 AUTHORIZED SECONDARY HANDGUN

Members authorized by the Chief Probation Officer to carry a firearm in the performance of their duties who desire to carry a secondary handgun must receive written approval from the Chief Probation Officer and are subject to the following restrictions:

Glenn County Probation Department

Probation Manual

Firearms

- (a) The handgun shall be in good working order and on the department list of approved firearms.
- (b) Only one secondary handgun may be carried at a time.
- (c) The purchase of the handgun and ammunition shall be the responsibility of the member unless the handgun and ammunition are provided by the Department.
- (d) The handgun shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge, or loss of physical control.
- (e) The handgun shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (f) Ammunition shall be the same as department issue. If the caliber of the handgun is other than department issue, the Chief Probation Officer or the authorized designee shall approve the ammunition.
- (g) Prior to carrying the secondary handgun, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the handgun functions properly.
- (h) Members shall provide written notice of the make, model, color, serial number, and caliber of a secondary handgun to the Rangemaster, who will maintain a list of the information.

302.3.6 AMMUNITION

Members shall carry only department-authorized ammunition. Members shall be issued fresh duty ammunition in the specified quantity for all department-issued firearms during the member's firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Rangemaster when needed, in accordance with established policy.

Members carrying personally owned authorized firearms of a caliber differing from department-issued firearms shall be responsible for obtaining fresh duty ammunition in accordance with the above, at their own expense.

302.4 EQUIPMENT

Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

302.4.1 REPAIRS OR MODIFICATIONS

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Rangemaster.

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Rangemaster.

Glenn County Probation Department

Probation Manual

Firearms

Any repairs or modifications to the member's personally owned firearm shall be done at the member's expense and must be approved by the Rangemaster.

302.4.2 HOLSTERS

Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

302.4.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

302.4.4 OPTICS OR LASER SIGHTS

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

302.5 SAFE HANDLING, INSPECTION, AND STORAGE

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Rangemaster. Members shall not dry fire or practice quick draws except as instructed by the Rangemaster or other firearms training staff.
- (c) Members shall not clean, repair, load, or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.
- (e) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into a custodial facility when securing or processing an arrestee, but shall instead place all firearms in a secured location.
- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas, or other type of chemical weapon or firearm except with approval of a supervisor.

Glenn County Probation Department

Probation Manual

Firearms

- (g) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Rangemaster approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Rangemaster will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

302.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the department vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

302.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles, or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

302.5.3 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 16850; Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Officers are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

Glenn County Probation Department

Probation Manual

Firearms

302.5.4 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

302.6 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty are required to successfully complete training quarterly with their duty firearms. All members will qualify at least quarterly with their duty firearms. Members will also qualify with off-duty and secondary firearms at least quarterly. Training and qualifications must be on an approved range course (Penal Code § 830.5).

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations, including low-light shooting.

302.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status, or scheduling conflict, that member shall submit a memorandum to the immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for:
 - 1. Unauthorized range make-up.
 - 2. Failure to meet minimum standards or qualify after remedial training.

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

302.7 FIREARMS DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to the member's supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

Glenn County Probation Department

Probation Manual

Firearms

- (a) If on-duty at the time of the incident, the member shall file a written report with the Deputy Chief or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

302.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., presence of local law enforcement or animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

302.7.2 WARNING AND OTHER SHOTS

Generally, shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe. Warning shots are strictly prohibited.

302.8 FIREARMS INSTRUCTOR DUTIES

The range will be under the exclusive control of the firearms instructor. All members attending will follow the directions of the firearms instructor. The firearms instructor will maintain a roster of all members attending the range and will submit the roster to the firearms instructor after each range date. Failure of any member to sign in and out with the firearms instructor may result in non-participation or non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The firearms instructor has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The firearms instructor has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to the personally owned firearm; it will not be returned to service until it has been inspected and approved by the firearms instructor.

The firearms instructor has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning, and safety of all firearms the member is authorized to carry.

The firearms instructor shall complete and submit to the Training Manager documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided, and, on a form that has been approved

Glenn County Probation Department

by the Department, a list of each member who completes the training. The firearms instructor should keep accurate records of all training shoots, qualifications, repairs, maintenance, or other records as directed by the Training Manager.

302.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Glenn County Probation Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature, and the signature of the Chief Probation Officer or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver's license, passport).
- (c) The Glenn County Probation Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Glenn County Probation Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief Probation Officer authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail the itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of the officer's assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on the officer's person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative, or other management representative of the air carrier.

Glenn County Probation Department

- (j) Officers shall not consume alcoholic beverages while aboard an aircraft or within eight hours prior to boarding an aircraft.

Handcuffing and Restraints

303.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

This policy does not address the handcuffing and restraint of juveniles appearing in court or those already detained in, or committed to, a local secure juvenile facility, camp, ranch, or forestry camp.

303.2 POLICY

The Glenn County Probation Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

303.3 USE OF RESTRAINTS

Only members who have successfully completed Glenn County Probation Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime or violation leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing in the front to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

303.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion on the detainee.

303.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure herself or others, or damage property.

Glenn County Probation Department

Probation Manual

Handcuffing and Restraints

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others.

303.3.3 RESTRAINT OF JUVENILES

A juvenile younger than 14 years of age should not be restrained unless the juvenile is suspected of a dangerous felony or when the officer reasonably suspects that the juvenile may resist, attempt escape, self-injure, injure the officer, or damage property.

303.3.4 NOTIFICATIONS

Whenever an officer transports a person in restraints other than handcuffs, the officer shall inform the detention facility staff upon arrival at the facility that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the detention facility.

303.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department unless required by law, other policy, or facility regulations. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

303.5 APPLICATION OF SPIT HOODS

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon a person in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Handcuffing and Restraints

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Officers should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations when the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after use.

303.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, but while permitting adequate movement, comfort, and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

303.7 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from the person's own actions (e.g., hitting head against the interior of the agency vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at the windows of the vehicle).

303.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.

Glenn County Probation Department

Probation Manual

Handcuffing and Restraints

- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be laid face-down for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain prone in a face-down position.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).
- (g) In no situation should a subject be "hog-tied".

303.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report. The officer should include, as appropriate:

- (a) How handcuffs were applied (e.g., double locked and gapped).
- (b) The amount of time the person was restrained.
- (c) How the person was transported and the position of the person during transport.
- (d) Observations of the person's behavior and any signs of physiological problems.
- (e) Any known or suspected drug use or other medical problems.
- (f) Any complaint regarding restraints being too tight and how the complaint was resolved.

303.9 TRAINING

Subject to available resources, the Training Manager should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.

Glenn County Probation Department

Probation Manual

Handcuffing and Restraints

- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

Control Devices

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

This policy does not address the application of a control device on a juvenile who has already been detained.

304.2 POLICY

In order to control individuals who are violent or who demonstrate the intent to be violent, the Chief Probation Officer may authorize officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

304.3 ISSUING, CARRYING, AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief Probation Officer or the authorized designee.

Only those members who have been authorized by the Chief Probation Officer and who have successfully completed department-approved training on this policy and the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain, or arrest a person who is violent or who demonstrates the intent to be violent and using the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

304.4 RESPONSIBILITIES

304.4.1 INSTRUCTOR RESPONSIBILITIES

The instructor shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated, or expended control devices are properly disposed of, repaired, or replaced.

Every control device will be periodically inspected by the instructor or the designated instructor for a particular control device. The inspection shall be documented.

304.4.2 USER RESPONSIBILITIES

All normal maintenance, charging, or cleaning shall remain the responsibility of personnel using the devices.

Any damaged, inoperative, outdated, or expended control devices, along with documentation explaining the cause of the damage, shall be returned to the instructor for disposition.

Control Devices

Documentation shall also be forwarded through the chain of command, when appropriate, explaining the cause of damage.

304.5 BATON GUIDELINES

The need to immediately control a subject must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys, and groin should not be intentionally targeted except when the officer reasonably believes the subject poses an imminent threat of serious bodily injury or death to self or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt or vest. Non-uniformed and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignments or at the direction of their supervisors.

304.6 OLEORESIN CAPSICUM GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray may be considered for use to bring under control an individual engaging in, or about to engage in, violent behavior. OC spray should not be used against individuals who do not reasonably appear to present a risk to the safety of department members or the public.

304.6.1 TREATMENT FOR EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those who complain of further severe effects shall be examined by appropriate medical personnel.

304.7 POST-APPLICATION NOTICE

Whenever OC has been introduced into a residence, building interior, vehicle, or other enclosed area, the owners or available occupants should be provided with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense. Information regarding how and when the notice was delivered and the individuals notified should be included in related reports.

304.8 TRAINING FOR CONTROL DEVICES

The Training Manager shall ensure that those members who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the member's training file.
- (c) Members who fail to demonstrate proficiency with the control device or knowledge of the Use of Force Policy will be provided remedial training. If a member cannot demonstrate proficiency with a control device or knowledge of the Use of Force Policy

Control Devices

after remedial training, the member will be restricted from carrying the control device and may be subject to discipline.

304.9 REPORTING USE OF CONTROL DEVICES

Any application of a control device shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Conducted Energy Devices

305.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the Conducted Energy Device.

305.2 POLICY

The Conducted Energy Device is used to control a violent or potentially violent individual. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

305.3 ISSUANCE AND CARRYING CONDUCTED ENERGY DEVICES

Only members who have been authorized by the Chief Probation Officer and who have successfully completed department-approved training may be issued and may carry the Conducted Energy Device.

Conducted Energy Devices are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the Conducted Energy Device and cartridges that have been issued by the Department. Officers who have been issued the Conducted Energy Device shall carry the device in an approved manner.

Members carrying the Conducted Energy Device should perform a spark test prior to every shift.

Officers who carry both a duty weapon and Conducted Energy Device shall carry the Conducted Energy Device in a weak-side holster on the side opposite the duty weapon.

- (a) All Conducted Energy Devices shall be clearly and distinctly marked to differentiate them from a duty weapon and any other device.
- (b) Whenever practicable, officers should carry two or more cartridges on their person when carrying the Conducted Energy Device.
- (c) Officers shall be responsible for ensuring that the issued Conducted Energy Device is properly maintained and in good working order.
- (d) Officers should not hold a firearm and the Conducted Energy Device at the same time.

305.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the Conducted Energy Device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the Conducted Energy Device may be deployed.

Conducted Energy Devices

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device) or the laser in a further attempt to gain compliance prior to the application of the Conducted Energy Device. The aiming laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented in the related report by the officer deploying the Conducted Energy Device.

305.5 USE OF THE CONDUCTED ENERGY DEVICE

The Conducted Energy Device has limitations and restrictions requiring consideration before its use. The Conducted Energy Device should only be used when its operator can safely approach the subject within the operational range of the device. Although the Conducted Energy Device is effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

305.5.1 APPLICATION OF THE CONDUCTED ENERGY DEVICE

The Conducted Energy Device may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

- (a) Who is violent or is physically resisting.
- (b) Who has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, self, or others.

Mere flight, without other known circumstances or factors, is not good cause for using the Conducted Energy Device.

The Conducted Energy Device shall not be used to psychologically torment, to elicit statements, or to punish any individual.

305.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the Conducted Energy Device on certain individuals should be avoided unless the totality of the circumstances indicates that other options reasonably appear ineffective or would present a greater danger to the officer, the subject, or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

- (a) Individuals with known medical conditions such as pregnancy, heart disease, pacemaker, and seizure history..
- (b) Elderly individuals or obvious tender age children.
- (c) Individuals with obviously low body mass.
- (d) Individuals handcuffed or otherwise restrained.

Glenn County Probation Department

Probation Manual

Conducted Energy Devices

- (e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity may result in collateral injury (e.g., falls from a height, operating vehicles).

Because the application of the Conducted Energy Device in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode should be limited to supplementing the probe-mode to complete the circuit or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

305.5.3 TARGETING CONSIDERATIONS

The preferred targeting areas include the individual's back or front lower-center mass. The head, neck, chest, and groin should be avoided when reasonably practicable. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the Conducted Energy Device probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest, or groin until the subject is examined by paramedics or other medical personnel.

305.5.4 MULTIPLE APPLICATIONS OF THE CONDUCTED ENERGY DEVICE

Officers should apply the Conducted Energy Device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Officers should not intentionally apply more than one Conducted Energy Device at a time against a single individual.

If the first application of the Conducted Energy Device appears to be ineffective in gaining control of an individual, the officer should evaluate the situation and consider certain factors before additional applications of the Conducted Energy Device, including:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

305.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual to minimize the need for longer or multiple exposures to the Conducted Energy Device. As soon as practicable, officers shall notify a supervisor any time the Conducted Energy Device has been discharged. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted into evidence. The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

Glenn County Probation Department

Probation Manual

Conducted Energy Devices

305.5.6 DANGEROUS ANIMALS

The Conducted Energy Device may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or likely would be ineffective.

305.5.7 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department Conducted Energy Devices while off-duty.

Officers shall ensure that Conducted Energy Devices are secured while in their homes, vehicles, or any other area under their control, in a manner to keep the device inaccessible to others

305.6 DOCUMENTATION

Officers shall document all Conducted Energy Device discharges in the appropriate report and the Conducted Energy Device report forms. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form.

305.6.1 CONDUCTED ENERGY DEVICE REPORT FORM

Items that shall be included in the Conducted Energy Device report form are:

- (a) The type and brand of Conducted Energy Device and cartridge and cartridge serial number.
- (b) Date, time, and location of the incident.
- (c) Whether any display, laser, or arc deterred a subject and gained compliance.
- (d) The number of Conducted Energy Device activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the Conducted Energy Device was used.
- (f) The type of mode used (probe or drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject suffered any injuries.
- (l) Whether any officers suffered any injuries.

The Training Manager should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Manager should also conduct audits of data downloads and reconcile Conducted Energy Device report forms with recorded activations.

Glenn County Probation Department

Probation Manual

Conducted Energy Devices

Conducted Energy Device information and statistics, with identifying information removed, should periodically be made available to the public.

305.6.2 REPORTS

The officers should include the following in their report:

- (a) Identification of all personnel firing Conducted Energy Devices
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

305.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove Conducted Energy Device probes from a person's body. Used Conducted Energy Device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by Conducted Energy Device probes or who have been subjected to the electric discharge of the device or who experienced direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The Conducted Energy Device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the Conducted Energy Device (see the Medical Aid and Response Policy).

Conducted Energy Devices

305.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should accompany officers in field enforcement when they reasonably believe there is a likelihood the Conducted Energy Device may be used. A supervisor should respond to all incidents where the Conducted Energy Device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the Conducted Energy Device. The device's onboard memory should be downloaded through the data port by a supervisor and saved with the related report. Photographs of probe sites should be taken and witnesses interviewed.

305.9 TRAINING

Personnel who are authorized to carry the Conducted Energy Device shall be permitted to do so only after successfully completing the initial department-approved training.

Proficiency training for personnel who have been issued Conducted Energy Devices should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Training Manager. All training and proficiency for Conducted Energy Devices will be documented in the officer's training files.

The Chief Probation Officer, supervisors, and investigators should receive Conducted Energy Device training as appropriate for the investigations they conduct and review.

Officers who do not carry Conducted Energy Devices should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Manager is responsible for ensuring that all members who carry Conducted Energy Devices have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of Conducted Energy Devices during training could result in injuries and should not be mandatory for certification.

The Training Manager should ensure that all training includes:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest, and groin.
- (e) Handcuffing a subject during the application of the Conducted Energy Device and transitioning to other force options.
- (f) De-escalation techniques.
- (g) Restraint techniques that do not impair respiration after applying the Conducted Energy Device.

Search and Seizure

306.1 PURPOSE AND SCOPE

Both the federal and state constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Glenn County Probation Department personnel to consider when dealing with search and seizure issues.

306.2 POLICY

It is the policy of the Glenn County Probation Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards, and prosecutorial considerations regarding specific search and seizure situations.

306.3 SEARCHES GENERALLY

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions to the rule that permit a warrantless search.

Examples of probation supervision activities that are exceptions to the general warrant requirement include but are not limited to searches pursuant to:

- Authorization under the terms or conditions of a person's release or supervision.
- Valid consent.
- Incident to a lawful arrest.
- Vehicle searches under certain circumstances.
- Exigent circumstances.

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and the member's familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Glenn County Probation Department

Probation Manual

Search and Seizure

306.4 SEARCH PROTOCOL

Although conditions will vary, and officer safety and other exigencies must be considered in every search situation, these guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations, or access codes when a search of locked property is anticipated.
- (e) Whenever practicable, a search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.
- (f) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, these guidelines should be followed:
 1. Another officer or a supervisor should witness the search.
 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing, or clothing that could not reasonably conceal a weapon.

306.5 DOCUMENTATION

Officers are responsible for documenting any search and ensuring that any required reports are sufficient, including, at a minimum, documentation of:

- Reason for the search.
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys).
- What, if any, injuries or damage occurred.
- All steps taken to secure property.
- The results of the search, including a description of any property or contraband seized.
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer.

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented, and that current legal requirements and department policy have been met.

Canines

307.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment services in the community, including but not limited to locating individuals and contraband.

307.2 POLICY

It is the policy of the Glenn County Probation Department that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

307.3 ASSIGNMENT

Canine teams should be assigned to assist and supplement departmental operations to function primarily in assist or cover assignments. However, they may be assigned by the Deputy Chief to other functions, such as routine field operations, based on the current operational needs.

Canine teams generally should not be assigned to handle routine matters that will take them out of service for extended periods of time and then only with the approval of the Deputy Chief.

307.4 CANINE COORDINATOR

The canine coordinator shall be appointed by and directly responsible to the Deputy Chief Probation Officer or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.
- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine coordinators.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

307.5 REQUESTS FOR CANINE TEAMS

Members of the department are encouraged to request the use of a canine. Requests for a canine team from department units outside of the department shall be reviewed by the Deputy Chief.

Glenn County Probation Department

Probation Manual

Canines

307.5.1 OUTSIDE AGENCY REQUEST

All requests for canine assistance from outside agencies must be approved by the Deputy Chief and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The canine handler shall have the authority to decline a request for any specific assignment the handler deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

307.5.2 PUBLIC DEMONSTRATION

All public requests for a canine team shall be reviewed and, if appropriate, approved by the Deputy Chief Probation Officer prior to making any resource commitment. The Deputy Chief Probation Officer is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the supervisor.

307.6 APPREHENSION GUIDELINES

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has either committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer, or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that some situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Absent a reasonable belief that a suspect has committed, is committing, or is threatening to commit a serious offense, mere flight from a pursuing officer, with none of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Deputy Chief. Absent a change in circumstances that present an imminent threat to officers, the canine, or the public, such canine use should

Canines

be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

307.6.1 PREPARATION FOR DEPLOYMENT

Prior to using a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other officers at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever the handler deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

307.6.2 WARNINGS AND ANNOUNCEMENTS

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

Canines

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of that decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

307.6.3 REPORTING DEPLOYMENTS, BITES, AND INJURIES

Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in a canine use report. The injured person shall be promptly treated by emergency medical services personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current department evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

307.7 NON-APPREHENSION GUIDELINES

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply:

- (a) Absent a change in circumstances that present an imminent threat to officers, the canine, or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.
- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler to minimize interference with the canine.
- (c) Throughout the deployment the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to establish communication with the handler.
- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

Canines

307.7.1 ARTICLE DETECTION

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

307.7.2 NARCOTICS DETECTION

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

- (a) The search of vehicles, buildings, bags, and other articles.
- (b) Assist in sniffing for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to sniff a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

307.7.3 BOMB/EXPLOSIVE DETECTION

Because of the high risk of danger to the public and officers when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

- (a) Assisting in the search of a building, structure, area, vehicle, or article where an actual or suspected explosive device has been reported or located.
- (b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
- (c) Preventive searches at special events, VIP visits, official buildings, and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
- (d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

307.7 HANDLER SELECTION

The minimum qualifications for the assignment of canine handler include:

- (a) An officer who is currently off probation.
- (b) Residing in an adequately fenced, single-family residence (minimum 5-foot-high fence with locking gates).
- (c) Having a garage or other parking that can be secured and can accommodate a canine vehicle.
- (d) Living within 30 minutes travel time from the County limits.

Canines

- (e) Agreeing to be assigned to the position for a minimum of at least three years.

307.8 HANDLER RESPONSIBILITIES

The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection, and living conditions.

The canine handler will be responsible for the following:

- (a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all department equipment under the handler's control in a clean and serviceable condition.
- (c) When not in service, the handler shall maintain the canine vehicle in a locked garage, away from public view.
- (d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the Glenn County Probation Department facility.
- (e) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes and their canine vehicles, to verify that conditions and equipment conform to this policy.
- (f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.
- (g) When off-duty, the canine shall be in a kennel provided by the Glenn County Probation Department at the home of the handler. When a canine is kenneled at the handler's home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
- (h) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Deputy Chief.
- (j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Deputy Chief.
- (k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

307.8.1 CANINE IN PUBLIC AREAS

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

Glenn County Probation Department

Probation Manual

Canines

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the canine. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

307.9 HANDLER COMPENSATION

The canine handler shall be available for call-out under conditions specified by the canine coordinator.

The canine handler shall be compensated for time spent in the care, feeding, grooming, and other needs of the canine in accordance with the Fair Labor Standards Act (FLSA), and according to the terms of the collective bargaining agreement or memorandum of understanding and the Glenn County Probation Department (29 USC § 207).

307.10 CANINE INJURY AND MEDICAL CARE

If a canine is injured, or there is an indication that the canine is not in good physical condition, the injury or condition will be reported to the canine coordinator or Deputy Chief as soon as practicable and appropriately documented.

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

307.11 TRAINING

Before assignment in the field, each canine team shall be trained and certified to meet current minimum POST guidelines. Cross-trained canine teams or those canine teams trained exclusively for the detection of narcotics and/or explosives also shall be trained and certified to meet current POST guidelines, nationally recognized standards, or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all department members in order to familiarize them with how to conduct themselves in the presence of department canines.

All canine training shall be conducted while on-duty unless otherwise approved by the Deputy Chief.

307.11.1 CONTINUED TRAINING

Each canine team shall thereafter be recertified to a current nationally recognized standard or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

- (a) Canine teams should receive 16 hours of training monthly as defined by POST guidelines in addition to training identified in the current contract with the Glenn County Probation Department canine training provider.

Glenn County Probation Department

Probation Manual

Canines

- (b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.
- (c) To ensure that all training is consistent, no handler, trainer, or outside vendor may train to a standard not reviewed and approved by the department.

307.11.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

307.11.3 TRAINING RECORDS

All canine training records shall be maintained in the canine handler's and the canine's training file.

307.11.4 TRAINING AIDS

Training aids are required to effectively train and maintain the skills of canines. Officers possessing, using, or transporting controlled substances or explosives for canine training purposes must comply with applicable federal and state requirements. Alternatively, the Glenn County Probation Department may work with outside trainers with the applicable licenses or permits.

307.11.5 CONTROLLED SUBSTANCE TRAINING AIDS

Officers acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws (21 USC § 823(f); Health and Safety Code § 11367.5).

The Chief Probation Officer or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Glenn County Probation Department to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this department for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Chief Probation Officer or the authorized designee may request narcotics training aids from the Drug Enforcement Administration (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

307.11.6 CONTROLLED SUBSTANCE PROCEDURES

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.
- (b) The weight and test results shall be recorded and maintained by this department.

Glenn County Probation Department

Probation Manual

Canines

- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed, and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.
- (e) All controlled substance training samples will be stored in locked, airtight, and watertight cases at all times except during training. The locked cases shall be secured in the trunk of the canine handler's assigned vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.
- (f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (g) Any unusable controlled substance training samples shall be returned to the Property and Evidence Section or to the dispensing agency.
- (h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

307.11.7 EXPLOSIVE TRAINING AIDS

Officers may possess, transport, store, or use explosives or destructive devices in compliance with state and federal laws (18 USC § 842; 27 CFR 555.41; Penal Code § 18800).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

- (a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.
- (b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.
- (c) The canine coordinator shall be responsible for verifying the explosive training aids on hand against the inventory ledger once each quarter.
- (d) Only members of the canine team shall have access to the explosive training aids storage facility.
- (e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.
- (f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).

Members of this department who are mandated reporters of elder or dependent adult abuse pursuant to Welfare and Institutions Code § 15630 shall notify the county adult protective services agency when the member reasonably suspects, has observed, or has knowledge of an incident that reasonably appears to be abuse of an elder or dependent adult, or are told by an elder or dependent adult that the individual has experienced abuse.

For purposes of notification, a dependent adult is an individual between 18 and 64 years of age who has physical or mental limitations that restrict the ability to carry out normal activities or to protect the individual's rights, including but not limited to persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age. This also includes those admitted as inpatients to a 24-hour health facility, as defined in state law (Welfare and Institutions Code § 15610.23). An elder adult is an individual residing in this state who is age 65 or older (Welfare and Institutions Code § 15610.27).

Discriminatory Harassment

309.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law (Government Code § 12940(k); 2 CCR 11023).

309.2 POLICY

The Glenn County Probation Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights and privileges it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

309.3 DEFINITIONS

Definitions related to this policy include:

309.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

Probation Manual

Discriminatory Harassment

309.3.2 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

309.3.3 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly as a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

309.3.4 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission and California Fair Employment and Housing Council guidelines.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with County or department rules or regulations, or any other appropriate work-related communication between supervisor and member,

309.4 RESPONSIBILITIES

This policy applies to all department members, who shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief Probation Officer, the Personnel Director, or the County Administrative Officer.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or

Glenn County Probation Department

Probation Manual

Discriminatory Harassment

retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with a resolution as stated below.

309.4.1 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief Probation Officer, the Personnel Director, the County Administrative Officer, or the California Department of Fair Employment and Housing (DFEH) for further information, direction, or clarification (Government Code § 12950).

309.4.2 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief Probation Officer or the Personnel Director in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

309.4.3 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

Glenn County Probation Department

Probation Manual

Discriminatory Harassment

309.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

309.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

309.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. This includes records of all keystrokes or web-browsing history made at any department computer or over any department network. Glenn County Probation Department

Probation Manual

Information Technology Use

No member shall knowingly make, acquire, or use unauthorized copies of computer software that is not licensed to the Department while on department premises, computer systems, or electronic devices. Such unauthorized use of software exposes the Department and involved members to severe civil and criminal penalties.

Introduction of software by members should only occur as a part of the automated maintenance or update process of department- or County-approved or installed programs by the original manufacturer, producer, or developer of the software. Any other introduction of software requires prior authorization from IT staff and a full scan for malicious attachments.

311.4.2 HARDWARE

Access to technology resources provided by or through the Department should be limited to department-related activities. Data stored on or available through department computer systems shall only be accessed by authorized members who are engaged in an active investigation or assisting in an active investigation, or who otherwise have a legitimate law enforcement or department-related purpose to access such data. Any exceptions to this policy must be approved by a supervisor.

Members shall ensure department computers and access terminals are not viewable by persons who are not authorized users. Computers and terminals should be secured, users logged off, and password protections enabled whenever the user is not present. Access passwords, login information, and other individual security data, protocols, and procedures are confidential information and are not to be shared. Password length, format, structure, and content shall meet the prescribed standards required by the computer system or as directed by a supervisor and shall be changed at intervals as directed by IT staff or a supervisor.

It is prohibited for a member to allow an unauthorized user to access the computer system at any time or for any reason. Members shall promptly report any unauthorized access to the computer system or suspected intrusion from outside sources (including the internet) to a supervisor.

311.6 INSPECTION AND REVIEW

A supervisor or the authorized designee has the express authority to inspect or review the computer system, all temporary or permanent files, related electronic systems or devices, and any contents thereof, whether such inspection or review is in the ordinary course of supervisory duties or based on cause.

Information that has the potential to negatively affect inter- or intra-agency investigations will not be released.

314.3 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief Probation Officer. In situations not warranting immediate notice to the Chief Probation Officer and in situations where the Chief Probation Officer has given prior approval, designated supervisors may prepare and release information to the media in accordance with this policy and applicable laws regarding confidentiality.

314.4 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of department members and other persons, advance information about planned actions by probation personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief Probation Officer.

Any exceptions to the above should only be considered for the furtherance of legitimate probation purposes. Mutual aid or assistance may be provided by this department when a law enforcement agency requests assistance. The Deputy Chief may authorize an appropriate number of available officers to assist. Officers rendering assistance shall comply with applicable laws and the policies of this department.

315.3.1 EMERGENCY ASSISTANCE

Officers should not respond to any emergency calls except as authorized in this policy. If an officer believes that an emergency response is required in any other situation, the officer should immediately request a response by local law enforcement.

Officers should only respond to a request for assistance as an emergency response when dispatched and when authorized by this agency to operate an emergency vehicle under emergency circumstances. Officers responding should notify a supervisor as soon as reasonably practicable. Officers responding to an emergency request for assistance from a law enforcement agency shall proceed immediately as appropriate and shall operate the emergency vehicle lighting and siren as required by law (Vehicle Code § 21055; Vehicle Code § 21056).

Officers not responding to a request for assistance as an emergency response shall observe all traffic laws and proceed without the use of emergency lights and siren. Officers responding to a request for assistance as an emergency response in a vehicle that is not equipped with lights and siren should observe all traffic laws.

Outside Agency Assistance

315.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from an outside agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

315.5 REPORTING REQUIREMENTS

Incidents of outside assistance shall be documented in a general case report or as directed by the Deputy Chief.

315.6 SHARED EQUIPMENT AND SUPPLIES

A plan should be prepared by the Administrative Deputy Chief or the authorized designee regarding equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies.

The plan should include:

- (a) An itemization of the equipment.
- (b) The conditions relative to sharing.
- (c) The training requirements for:
 - 1. The use of the equipment and supplies.
 - 2. The members trained in the use of the equipment and supplies.
- (d) Any other requirements for use of the equipment and supplies.

Copies of the plan should be provided to the Deputy Chief to ensure use of the equipment and supplies complies with the sharing agreements.

The Training Manager should see that appropriate members have received the required training on the plan.

Limited English Proficiency Services

316.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

316.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficiency (LEP) individual - Any individual whose primary language is not English and who has a limited ability to read, write, speak, or understand English. These individuals may be competent in certain types of communication (e.g., speaking, understanding) but still exhibit LEP for other purposes (e.g., reading, writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting, but these skills may be insufficient in other situations.

Qualified bilingual member - A member of the Glenn County Probation Department, designated by the Department, who has the ability to communicate fluently, directly, and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

316.2 POLICY

It is the policy of the Glenn County Probation Department to reasonably ensure that LEP individuals have meaningful access to probation services, programs, and activities while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights, or programs based on national origin or any other protected interest or right.

316.3 FOUR-FACTOR ANALYSIS

Because there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law

Glenn County Probation Department

Probation Manual

Limited English Proficiency Services

enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of the following four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of this department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs, or services.
- (c) The nature and importance of the contact, program, information, or service provided.
- (d) The cost of providing LEP assistance and the resources available.

316.4 TYPES OF LEP ASSISTANCE AVAILABLE

Glenn County Probation Department members should never refuse service to an LEP individual requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will use all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include but are not limited to the assistance methods described in this policy.

316.5 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

316.6 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals representative of the community being served.

316.7 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members who provide LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the

Glenn County Probation Department

Probation Manual

Limited English Proficiency Services

non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence, or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other County departments who have been identified by the Department as having the requisite skills and competence may be requested.

316.8 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP coordinator that demonstrates their skills and abilities in the following areas:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

316.8.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other County departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

Glenn County Probation Department

Probation Manual

Limited English Proficiency Services

316.8.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted above), and have been approved by the Department to communicate with LEP individuals.

When qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called on when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

316.9 CONTACT AND REPORTING

Although all probation contacts, services, and individual rights are important, this department will use the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation that involves a situation in which interpretation services were provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services used and whether the individual elected to use services provided by the Department or some other identified source.

316.10 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Glenn County Probation Department will take reasonable steps and will work with the Personnel Department to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

316.11 FIELD SUPERVISION

Field supervision will generally include such contacts as home, school, or work visits and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and use the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning

Limited English Proficiency Services

or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

316.12 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for revocation of probation or supervised release, or arrest, or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses, and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

An LEP individual's bilingual friends, family members, children, neighbors, or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

316.13 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal case. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter. To ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

316.14 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP coordinator.

Limited English Proficiency Services

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during a complaint investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

316.15 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional probation duties. This department will continue to work with community groups, local businesses, and neighborhoods to provide equal access to such programs and services.

316.16 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Manager shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all LEP training provided and will retain a copy in each member's training file in accordance with the established records retention schedule.

316.16.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Manager shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

Communications with Persons with Disabilities

317.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

317.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include but are not limited to using gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

Qualified interpreter - A person who is able to interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters, and intermediary interpreters.

317.2 POLICY

It is the policy of the Glenn County Probation Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects, and arrestees, have equal access to probation services, programs, and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights, or programs based upon disabilities.

317.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief Probation Officer shall delegate certain responsibilities to an ADA coordinator (28 CFR 35.107). The coordinator shall be appointed by and directly responsible to the Chief Probation Officer or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the County ADA coordinator regarding the Glenn County Probation Department's efforts to ensure equal access to services, programs, and activities.
- (b) Developing reports or new procedures or recommending modifications to this policy.

Glenn County Probation Department

Probation Manual

Communications with Persons with Disabilities

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs, and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each member of the department. The list should include information regarding:
 - 1. Contact information.
 - 2. Availability.
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas indicating that auxiliary aids are available free of charge to individuals with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs, and activities.

317.4 FACTORS TO CONSIDER

Because the nature of any probation contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs, and activities. These factors may include but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. That an individual appears to be nodding in agreement does not always mean the individual completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the probation contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

317.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various probation encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

Glenn County Probation Department

Probation Manual

Communications with Persons with Disabilities

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length, and complexity of the involved communication.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, is hard of hearing, or has impaired speech must be handcuffed while in the custody of the Glenn County Probation Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

317.6 TYPES OF ASSISTANCE AVAILABLE

Glenn County Probation Department members shall never refuse an available service to an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall it require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to disabled individuals through a variety of services.

Disabled individuals may choose to accept department-provided auxiliary aids or services, or they may choose to provide their own.

Department-provided auxiliary aids or services may include but are not limited to the assistance methods described in this policy.

317.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form (e.g., a personnel complaint form) or provide forms with enlarged print.

Communications with Persons with Disabilities

317.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect, or arrestee) if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to probation matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide an interpreter (28 CFR 35.160).

317.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking, attorney contacts), members must also provide those who are deaf, are hard of hearing, or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

317.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members

Glenn County Probation Department

Probation Manual

Communications with Persons with Disabilities

must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

317.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect/offender/person on supervised release).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

317.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

317.13 FIELD SUPERVISION

Field supervision will generally include such contacts as home, work, or school visits, street contacts, community encounters, and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity, and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning

Glenn County Probation Department

Probation Manual

Communications with Persons with Disabilities

or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

317.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, is hard of hearing, or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device, or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

317.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, are hard of hearing, or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that the individual understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided by a qualified interpreter or by providing a written *Miranda* warning card to suspects who are deaf or hard of hearing.

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

317.15 ARRESTS AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual prefers a different auxiliary aid or service

Communications with Persons with Disabilities

or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, are hard of hearing, have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, to protect the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information should be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

317.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the ADA coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this department.

317.17 TRAINING

To ensure that all members who may have contact with disabled individuals are properly trained, the Department will work with the County Personnel Department to provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms, and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

Biological Samples

318.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required by California law to provide a biological sample to the Glenn County Probation Department as a result of a qualifying conviction or adjudication.

This policy does not apply to biological samples in conjunction with a criminal investigation, nor does it apply to biological samples collected from those required to register, for example, as sex offenders or arson offenders. Biological samples collected for purposes of drug and/or alcohol testing (e.g., urine, blood) are addressed in the Drug and Alcohol Testing Policy.

318.2 POLICY

The Glenn County Probation Department will assist in the collection of required biological samples from offenders and individuals subject to post-release community supervision or mandatory supervision in accordance with the laws of this state, including out-of-state transfer cases.

318.3 INDIVIDUALS SUBJECT TO BIOLOGICAL SAMPLE COLLECTION

The following individuals who are on probation or under supervision for any felony or misdemeanor offense are required by California law to submit a biological sample to an officer of the Glenn County Probation Department if the individual has a prior felony conviction or adjudication, including a conviction or adjudication for an equivalent out-of-state offense (Penal Code § 296.1):

- (a) Offenders
- (b) Individuals subject to post-release community supervision
- (c) Individuals subject to mandatory supervision pursuant to Penal Code § 1170(h)(5)

In addition, individuals who are accepted for supervision by this department from another jurisdiction and who are not confined are required to submit a biological sample if the individual has a prior felony conviction or adjudication, including a conviction or adjudication for an equivalent out-of-state offense (Penal Code § 296.1(a)(5)).

318.4 PROCEDURE

When an individual is required to provide a biological sample to a probation officer, subsequent to conviction, a probation officer of the Glenn County Probation Department should:

- (a) Verify the individual is required to provide a sample pursuant to California law.
 - 1. Verification includes querying the individual's criminal history record for a DNA collection flag or, during regular business hours, contacting the California Department of Justice (DOJ) designated laboratory to determine whether a biological sample has previously been collected from the individual. There is no need to obtain a sample if one has been previously obtained.
- (b) Notify the individual of the time and location to appear to submit a sample.

Glenn County Probation Department

Probation Manual

Biological Samples

1. The date to appear shall be, when practicable, within five days of notification to the individual of the requirement to submit a sample (Penal Code § 296.1).
 2. Collections from an individual accepted for supervision from another jurisdiction shall occur at a county jail facility located in the county where the person resides (Penal Code § 296.1).
 3. All other collections may occur at a county jail facility or at any other city, state, local, or private facility designated by the California DOJ for the collection of a sample (Penal Code § 296.1).
- (c) Provide or use the collection kit designated by the California DOJ for the collection of the sample.
 - (d) Provide for a witness to be present at the collection of the sample.
 - (e) Document in the individual's file that the sample was taken.
 - (f) Forward the sample to the California DOJ as soon as practicable.

318.5 USE OF FORCE TO OBTAIN SAMPLES

If an offender refuses to cooperate with the sample collection process, members should attempt to identify the reason for refusal and seek voluntary compliance without resorting to the use of force. Force will not be used in the collection of samples except as authorized by court order.

Methods to consider when seeking voluntary compliance include:

- (a) Communicating the possible consequences of a refusal.
- (b) Contacting the District Attorney to seek additional charges against the individual for failure to comply pursuant to Penal Code § 298.1 or bring the refusal before the appropriate court.
- (c) Notifying the court at the offender's next court appearance, if any.
- (d) Contacting the offender's attorney, if known.
- (e) Filing a violation report pursuant to the Violations Policy.

A Supervising Probation Officer shall review and approve any plan to use additional actions to compel a sample. Both the supervising officer and the Supervising Probation Officer should document the offender's refusal to submit a sample and the steps taken in any attempt to obtain voluntary compliance.

318.5.1 USE OF FORCE DOCUMENTATION

A supervisor shall prepare prior written authorization for the use of any force (Penal Code § 298.1). The written authorization shall include information that the individual was asked to provide the requisite specimen, sample, or impression and refused, as well as the related court order authorizing the force.

Biological Samples

318.5.2 VIDEO RECORDING

A video recording should be made any time force is used to obtain a biological sample. The recording should document all persons participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the offender's file or otherwise retained in accordance with the established records retention schedule.

318.6 BLOOD SAMPLES

A blood sample should only be obtained under this policy when (Penal Code § 295; Penal Code § 298):

- (a) The California DOJ requests a blood sample and the subject consents.
- (b) A court orders a blood sample following a refusal.

The withdrawal of blood may only be performed in a medically approved manner by health care providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this purpose (Penal Code § 298).

Child and Dependent Adult Safety

319.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult abuse investigation. These are covered in the Mandatory Reporting Policy.

319.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Glenn County Probation Department will endeavor to create a strong, cooperative relationship with local, state, and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

319.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases, this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the offender has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider asking witnesses, neighbors, friends, and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that appropriate care will be provided.

319.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Glenn County Probation Department

Probation Manual

Child and Dependent Adult Safety

Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases, the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party (Child Protective Services, Adult Protective Services), as appropriate.
 - 1. Officers should consider allowing the person to use the person's cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
 - 2. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian, or caregiver.
- (b) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (c) Notify Child Protective Services or the Adult Protective Services, if appropriate.
- (d) Notify the field supervisor or Deputy Chief of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

319.3.2 DURING THE BOOKING PROCESS

During the booking process, the arrestee should be allowed to make telephone calls to arrange for the care of any child or dependent adult.

If an arrestee is unable to arrange for the care of any child or dependent adult through this process, or circumstances prevent them from making such arrangements (e.g., their behavior prevents reasonable accommodations for making necessary calls), a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county, or state services agency.

319.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age

Child and Dependent Adult Safety

4. Special needs(e.g.,medical,mental health)
 5. How, where, and with whom or which agency the child was placed
 6. Identities and contact information for other potential caregivers
 7. Notifications made to other adults(e.g.,schools,relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
1. Name
 2. Sex
 3. Age
 4. Whether the person reasonably appears able to engage in self-care
 5. Disposition or placement information if the person is unable to engage in self-care

319.3.4 SUPPORT AND COUNSELING REFERRAL

If the handling officers believe the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate, or a crisis response telephone number, they should provide appropriate referral information.

319.3.5 SELF-SURRENDER

If an officer allows an offender to self-surrender, the officer should, where practicable, allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate.

319.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service agency to determine whether protective custody is appropriate.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

Service Animals

320.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

320.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks to benefit an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size, and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

320.2 POLICY

It is the policy of the Glenn County Probation Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

320.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness, or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors, or flipping switches for people who have limited use of their hands, arms, or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities, or psychiatric disabilities, such as reminding a person with depression to take medication.

Service Animals

- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

320.4 MEMBER RESPONSIBILITIES

Service animals assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Glenn County Probation Department affords to all members of the public (28 CFR 35.136).

320.4.1 INQUIRY

If it is apparent or if a member knows that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about the disability nor should the person be asked to provide any license, certification, or identification card for the service animal.

320.4.2 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting, or otherwise initiating contact with a service animal.

320.4.3 REMOVAL

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually, and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services that are reasonably available to an individual with a disability, with or without a service animal.

Community Relations

321.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for community relationship-building.

321.2 POLICY

It is the policy of the Glenn County Probation Department to promote positive relationships between department members and the community by treating community members with dignity and respect and engaging them in public safety strategy development and relationship-building activities, and by making available relevant policy and operations information to the community in a transparent manner.

Officers should, as time and circumstances reasonably permit:

- (a) Make casual and consensual contacts with community members to promote positive community relationships.

- (c) Work with community members and the department community relations coordinator to identify issues and solve problems related to community relations and public safety.

321.4 COMMUNITY RELATIONS COORDINATOR

The Chief Probation Officer or the authorized designee should serve as the community relations coordinator. The coordinator is responsible for:

- (a) Responding to requests from department members and the community for assistance in identifying issues and solving problems related to community relations.
- (b) Working with community groups, department members, and other community resources to:
 1. Organize programs and activities that help build positive relationships between department members and the community and provide community members with an improved understanding of department operations.

Probation Manual

Community Relations

- (e) Attending other community meetings to obtain information on community relations needs.
- (f) Informing the Chief Probation Officer and others of developments and needs related to the furtherance of the department's community relations goals, as appropriate.

321.5 PROBATION DEPARTMENT OPERATIONS EDUCATION

The community relations coordinator should develop methods to educate community members on general probation department operations so they may understand the work that officers do to keep the community safe. Examples of educational methods include:

- (a) Development and distribution of informational cards/flyers.
- (b) Department website postings.
- (c) Presentations to schools and community organizations.

Instructional information should include direction on how community members should interact with probation officers during enforcement or investigative contacts and how community members can make a complaint to the Department regarding alleged misconduct or inappropriate job performance by department members.

321.6 SAFETY AND OTHER CONSIDERATIONS

Department members responsible for community relations activities should consider the safety of the community participants and, as much as reasonably practicable, should not allow them to be present in any location or situation that would jeopardize their safety.

Department members in charge of community relations events should ensure that participating community members have completed waiver forms before participation, if appropriate. A parent or guardian must complete the waiver form if the participating community member is younger than 18.

Community members are subject to a criminal history check before approval for participation in certain activities.

321.7 TRANSPARENCY

The Department should periodically publish statistical data and analysis regarding the department's operations. The reports should not contain the names of officers, offenders, or case numbers. The community relations coordinator should identify information that may increase transparency regarding department operations.

321.8 TRAINING

Subject to available resources, members should receive training related to this policy, including training on topics such as:

- (a) Effective social interaction and communication skills.
- (b) Cultural, racial, and ethnic diversity and relations.

Community Relations

- (c) Building community partnerships.

322.1.1 DEFINITIONS

Definitions related to this policy include:

Gun violence restraining order - Civil restraining order prohibiting a named person from controlling, owning, purchasing, possessing, receiving, or otherwise having custody of any firearms or ammunition, including an ammunition magazine (Penal Code § 18100).

322.2 POLICY

It is the policy of the Glenn County Probation Department to petition and serve gun violence restraining orders in compliance with state law and to properly account for firearms and ammunition obtained by the Department pursuant to such orders.

322.3 GUN VIOLENCE RESTRAINING ORDERS

A deputy probation officer who reasonably believes a person is a present danger to him/herself or another person by controlling, owning, purchasing, possessing, receiving, or otherwise having custody of a firearm may request permission from his/her supervisor to petition the court for a gun violence restraining order.

Deputy Probation Officers petitioning the court should use the forms established by the Judicial Council (Penal Code § 18105). The petition should describe the number, types, and locations of any firearms and ammunition that the deputy probation officer believes to be possessed or controlled by the person (Penal Code § 18107). The petition should also describe why less-restrictive alternatives are ineffective or inadequate for the circumstances (Penal Code § 18125; Penal Code § 18150; Penal Code § 18175).

If it is not practical under the circumstances to submit a written petition, a deputy probation officer may orally request a temporary order (Penal Code § 18140).

322.3.1 ADDITIONAL CONSIDERATIONS

Officers should also consider requesting permission to petition the court for a gun violence restraining order (Penal Code § 18108):

- (a) When responding to a domestic disturbance where the residence is associated with a firearm registration or record.
- (b) When responding to any call or incident when a firearm is present or when one of the involved parties owns or possesses a firearm.

Gun Violence Restraining Orders

- (c) During a contact with a person exhibiting mental health issues, including suicidal thoughts, statements, or actions if that person owns or possesses a firearm.

Officers should consider obtaining a mental health evaluation if the encounter involves a situation where there is a reasonable cause to believe that the person poses an immediate and present danger of causing personal injury to themselves or another person by having custody or control of a firearm (see the Mental Illness Commitments Policy) (Penal Code § 18108).

322.4 SERVICE OF GUN VIOLENCE RESTRAINING ORDERS

The officer should also inform the restrained person that he/she is required, within 24 hours, to surrender to a law enforcement agency any other firearms and ammunition he/she owns or that are in his/her custody or control or sell them to a firearms dealer. This notification should be documented.

All firearms and ammunition collected shall be handled and booked in accordance with the Property and Evidence Policy.

A deputy probation officer requesting a temporary emergency gun violence restraining order shall (Penal Code § 18140):

If a search warrant is to be obtained, the preparation and service of the search warrant shall be done in accordance with the Warrant Service Policy. Additionally, (Penal Code § 1542.5):

- (a) The deputy probation officer serving the warrant shall take custody of any firearm or ammunition that is controlled, possessed or owned by the person who is the subject of the gun violence restraining order, including any discovered pursuant to the warrant, a consensual search or other lawful search.

Compliance Monitoring

403.1 PURPOSE AND SCOPE

This policy provides guidelines for monitoring offenders.

This policy applies to all officers within the Glenn County Probation Department who monitor offenders.

Drug and/or alcohol testing, search and seizure issues, and task force operations are addressed in the Drug and Alcohol Testing, Search and Seizure, and Task Force policies, respectively.

403.1.1 DEFINITIONS

403.2 POLICY

It is the policy of this department to fairly and objectively monitor offenders in accordance with federal and state law, as well as department policies and procedures.

403.3 MONITORING PLAN

Officers should establish a monitoring plan for each offender. The monitoring plan should identify types and frequency of monitoring. Officers should limit monitoring to that which is reasonably necessary to accomplish the intended verification or corroboration.

Glenn County Probation Department

Probation Manual

Compliance Monitoring

403.3.1 ADULT SEX OFFENDER REQUIREMENTS

- (a) Obtain approval from a supervisor before conducting any monitoring of offenders that is not provided for in the monitoring plan.
- (b) Have at least two officers present when conducting home contacts, work contacts, curfew checks, or any other type of monitoring occurring in the community.

Officers should not conduct surveillance with the intent to harass, intimidate, or embarrass.

403.5 OFFICER RESPONSIBILITIES

Officers should document all monitoring conducted and observations made as a result.

An officer who is unable to adhere to a monitoring plan of an assigned offender should notify a supervisor as soon as reasonably practicable and should request additional resources or an appropriate adjustment to the monitoring plan.

Changes to a monitoring plan require supervisor approval. Officers should seek supervisory approval for any changes to the monitoring plan, including adjustments based on changes to the case management plan, information learned from on-going monitoring, and alleged or observed offender behavior.

403.6 SUPERVISOR RESPONSIBILITIES

The Chief Probation Officer or the authorized designee is responsible for:

When investigating a possible violation of conditions, an officer should document any reasonably discovered information that may corroborate or dispute evidence obtained using the technology, including any malfunctions.

403.7.1 ADULT ELECTRONIC MONITORING

If used to monitor adult offenders, electronic monitoring shall be implemented in accordance with Penal Code § 1210.7 et seq. The Chief Probation Officer shall develop written guidelines to identify offenders who will be subject to continuous electronic monitoring (Penal Code § 1210.12).

Electronic monitoring may include the use of a GPS with the minimum time intervals between transmission established based on an evaluation of the available department resources, the criminal history of the offender, and the safety of the victim of the offender (Penal Code § 1210.10).

Any device used for continuous electronic monitoring shall (Penal Code § 1210.8):

- (a) Be designed to be worn by a person.
- (b) Emit a signal as a person is moving or stationary that can be received and tracked across large urban or rural areas, inside or outside of structures, vehicles, or other objects to the greatest degree possible given limitations, size, and cost.
- (c) Function 24 hours a day.

Compliance Monitoring

- (d) Be resistant to unintentional or willful damage.

Electronic monitoring devices shall not be used to record or listen to any conversation, except for a conversation between the offender and the officer used solely for voice identification (Penal Code § 1210.11).

403.7.2 JUVENILE ELECTRONIC MONITORING

If used to monitor juvenile offenders, the monitoring should be conducted pursuant to the provisions outlined above for adult electronic monitoring.

403.8 SOCIAL MEDIA MONITORING

Using social media or any other internet source to access information for the purpose of monitoring offenders shall comply with applicable laws and policies regarding privacy, civil rights, and civil liberties. Information gathered via the internet should only be accessed by members for purposes consistent with the case management plan. Social media monitoring should not be conducted unless it has been incorporated in the monitoring plan of the offender or otherwise approved by a supervisor.

Members monitoring social media of offenders should use only department-approved equipment while on-duty unless they are specifically authorized to do otherwise by a supervisor. If a member encounters information relevant to the monitoring of offenders while off-duty or while using the member's own equipment, the member should note the dates, times, and locations related to the information and report the discovery to a supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release Policy).

403.8.1 ACCESS RESTRICTIONS

Information that can be accessed from any department computer, without the need of an account, password, email address, alias, or other identifier (unrestricted websites), may be accessed and used for legitimate monitoring purposes consistent with the monitoring plan for the offender.

Accessing information from any internet source that requires the use or creation of an account, password, email address, alias, or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the offender's case file.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the offender's case file.

Compliance Monitoring

Information gathered from any internet source should be evaluated for its validity, authenticity, accuracy, and reliability. Corroborative evidence should be sought and documented in the offender's case file.

Any information collected in furtherance of compliance monitoring through an internet source should be documented in the offender's case file. Documentation should include the source of information, the dates and times that the information was gathered, and screenshots if available.

403.9 ACCESS RESTRICTIONS

Recordings or other evidence created or received while conducting monitoring should be processed as provided in the Property Policy.

- (b) How and when to use approved technology for monitoring.
- (c) Constitutional issues that may arise during monitoring, including any warrant or court order requirements and privacy issues.
- (d) When coordination with local law enforcement or other agencies is appropriate.

Drug and Alcohol Testing

404.1 PURPOSE AND SCOPE

This purpose of this policy is to establish guidelines regarding drug and alcohol testing of offenders under department supervision.

404.1.1 DEFINITIONS

Definitions related to this policy include:

Adulterated specimen - A specimen containing a substance that is not a normal constituent or containing an endogenous substance at a concentration that is not a normal physiological concentration.

Diluted specimen - A urine specimen with creatinine and specific gravity values that are lower than expected for human urine.

Specimen - Urine or other body fluid or substance used for analysis.

404.2 POLICY

It is the policy of the Glenn County Probation Department to conduct drug and alcohol testing of offenders to determine compliance with any conditions of supervision concerning drug and alcohol use, and when pursuant to other judicial order.

404.3 RESPONSIBILITIES

The Chief Probation Officer or the authorized designee should develop and maintain procedures for the administration of drug and alcohol tests, including but not limited to:

- (a) Criteria for identifying offenders subject to random, scheduled, and for cause testing. The criteria should include consideration of:
 1. Conditions of supervision.
 2. Offender factors such as history, current use, and behavior.
 3. Drug and alcohol assessments.
 4. Risk and needs assessments.
 5. Officer observations.
 6. Third-party information, where confirmed if necessary.
- (b) Types of unauthorized substances tested.
- (c) Specimen collection and testing procedures, including:
 1. Identification of approved testing locations.
 2. Approved testing methods.
 3. Compliance with the department's exposure control plan and any applicable occupational safety requirements. (See the Communicable Diseases Policy.)

Drug and Alcohol Testing

4. Supervision of the offender being tested during the collection of a urine specimen by officers of the same sex as the offender being tested, or of the same sex with which the offender identifies.
 5. Use of approved testing equipment or devices.
 6. Collection of all specimens in an area free of agents or adulterants to avoid cross contamination or dilution of specimens.
 7. Security procedures to prevent tampering with a specimen.
 8. Establishment of methods to verify that the person appearing for testing is the offender subject to testing.
 9. Establishment of processes, including time frames, for a offender to submit a specimen once a specimen has been requested.
- (d) Procedures for documenting the handling of specimens from the point of collection to disposal (chain of custody).

404.3.1 RESPONSIBILITIES

The Chief Probation Officer or the authorized designee should work with community-based service providers (e.g., drug and/or alcohol treatment facilities) to develop procedures for notifying the supervising officer when a offender submits a positive, adulterated, or diluted specimen, or refuses to submit a specimen to the community provider. Those procedures should include but not be limited to:

- (a) The time frame in which the provider must notify the supervising officer (e.g., immediately for high-risk offenders).
- (b) The type of communication required (e.g., email, phone).
- (c) The immediate action taken by the provider in response to the specimen, if any.
- (d) Preservation and documentation of the specimen and test results, confirmation testing, or other actions on the part of the provider; and chain of custody for the specimen and results, including any materials used in the collection and analysis of the specimen.

The Chief Probation Officer should establish any other required minimum data elements that are to be included in drug treatment progress reports from the community-based service providers (Penal Code § 1210.1).

404.3.2 NOTIFICATIONS

The supervising officer shall notify the drug treatment facility of a court order requiring drug testing within seven days of receiving the order (Penal Code § 1210.1). A copy of the offender's treatment progress reports, received from the drug treatment facility, should be provided to the court every 90 days, or as the court directs (Penal Code § 1210.1).

Drug and Alcohol Testing

404.4 COLLECTION AND TESTING GENERALLY

Officers who have been trained in department procedures for collecting specimens may collect specimens consistent with the offender's case management plan, a court order, the random screening protocol, or as otherwise specified in department procedure.

404.4.1 RESPONSIVE ACTION

When a offender admits to the use of an unauthorized substance, refuses to submit a specimen when required, tests positive for an unauthorized substance, or provides an adulterated or diluted specimen, the supervising officer should consider whether:

- (a) Confirmation testing is appropriate.
- (b) The failure or refusal may be a violation of the conditions of supervision and take further action pursuant to the Violations Policy.
- (c) With supervisor approval, modification to the conditions of supervision, including referral for further assessment to determine the need for outpatient or inpatient drug treatment services, would be appropriate and proceed pursuant to the Modification of Conditions of Supervision Policy.
- (d) A reassessment would be appropriate as provided in the Risk and Needs Assessments Policy.
- (e) Officers may choose to handle a violation of conditions of supervision in an informal manner, in consideration of each person's individual needs, as long as the action complies with court mandates.

If a offender tests positive, admits use, or refuses to provide a sample and the officer reasonably suspects the offender arrived at the testing location or intends to leave the testing location by operation of a motor vehicle while impaired, the officer should proceed according to the Violations Policy.

404.4.2 CONFIRMATION TESTS

Supervising officers should perform testing of a offender despite an admission of use.

When a specimen tests positive or is adulterated or diluted, regardless of any admission of use, reasonable efforts should be made to confirm whether the result occurred during the use of an authorized or prescribed medication or is the result of the use of a prohibited substance. This may include:

- (a) Administration of additional on-site screening.
- (b) Verification of medical prescriptions or medical marijuana identification card if use is approved by the court or conditions of the offender's supervision.
- (c) Submission of an appropriate specimen, following the established chain of custody, to an approved toxicology laboratory for confirmation testing.

404.5 TRAINING

Officers should receive training on this policy and related procedures.

Modification of Conditions of Supervision

405.1 PURPOSE AND SCOPE

The purpose of this policy is to provide general guidance for the modification of conditions of supervision.

405.2 POLICY

It is the policy of this department that officers will communicate with the courts and the offender to modify conditions of supervision.

405.3 APPROVALS

Officers should not modify conditions of supervision without court approval unless the court has expressly delegated the authority to do so to the officer or Glenn County Probation Department.

405.4 MODIFICATIONS

When an officer determines modification of a offender's conditions of supervision may be appropriate, the officer should within a reasonable time:

- Identify the proposed modification and document the reason(s) for the proposed modification.
- Notify the offender of the proposed modification.
- If the offender is a minor, proceed with the Modification Hearing subsection (even if the offender agrees to the modification).

An agreement by the offender to the modification should be in writing and witnessed by a supervisor and a third-party officer or staff member.

405.4.1 MODIFICATION HEARING

When a Modification Hearing is required, the officer should:

- (a) Arrange to have a court date set.
- (b) Prepare or assist in preparing any documents required by the court (Penal Code § 1203.2; Penal Code § 3455; Welfare and Institutions Code § 778).

 2. Officers filing a petition to juvenile court to modify or set aside a condition of probation should serve a copy of the petition on the District Attorney, the minor's attorney of record, or, if there is no counsel of record, to minor and the parents or guardians (Welfare and Institutions Code § 778; Welfare and Institutions Code § 776).

Glenn County Probation Department

Probation Manual

Modification of Conditions of Supervision

405.5 CASE MANAGEMENT PLAN

Officers should review any resulting modifications with the offender.

The case management plan should be modified as appropriate. See the Supervision of Offenders Policy.

405.6 DOCUMENTATION

Documents associated with modifications of conditions of supervision, including any waivers and approvals, should be filed in the offender's case file and retained in accordance with the Records Maintenance and Release Policy.

Violations

406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for responding to and reporting violations of conditions of supervision.

406.2 POLICY

It is the policy of this department to respond to potential violation behavior with due diligence.

406.3 INVESTIGATIONS

Officers should begin an investigation into reported or suspected violation behavior within a reasonable time. Investigations into possible violations involving behavior reasonably believed to implicate a specific threat to public safety or to the safety of the offender or another person should be given priority.

Suspected violations that may constitute additional criminal behavior should be documented sufficiently for presentation to outside agencies, such as local law enforcement for follow-up or the District Attorney for filing of additional charges. See the Report Preparation Policy.

All investigations should be documented, including whether the case was submitted to the court and/or the District Attorney and any reasons it was not.

406.4 PROCESSING VIOLATIONS

If as a result of an investigation, the officer reasonably believes violation proceedings are appropriate, the officer should make reasonable efforts to bring the matter before the court as soon as reasonably practicable.

406.4.1 REQUIRED VIOLATION REPORTING

Officers shall report any violation or breach of conditions imposed by the court to both the court that appointed the officer and the court that released the offender, if different (Penal Code § 1203.7; Penal Code § 1203.12).

Officers who discover that a offender is incarcerated on another offense should make reasonable efforts to notify the releasing court of the information discovered (Penal Code § 1203.2a).

406.4.2 DISCRETIONARY VIOLATION REPORTING

Officers should consult with a supervisor in cases where they reasonably believe that despite violation behavior compliance with conditions may be achieved without court intervention. If modification of conditions is appropriate, officers should proceed in accordance with the Modification of Conditions of Supervision Policy.

Officers who determine that intermediate sanctions are not appropriate for an individual who violated conditions of supervision on post-release community supervision (PRCS) pursuant to Penal Code § 3450 et seq. should submit a petition to the court to revoke or terminate PRCS, if

Violations

appropriate, or proceed with the Modifications of Conditions of Supervision Policy (Penal Code § 3455).

406.4.3 FLASH INCARCERATION

Officers shall notify the court, sheriff's office, District Attorney, and public defender as soon as practicable once a decision has been made to impose flash incarceration on a offender (Penal Code § 1203.35). If offender does not agree to accept a recommended period of flash incarceration, the officer should report the violation to the court, if appropriate, or proceed with the Modification of Conditions of Supervision Policy, if applicable (Penal Code § 1203.35).

406.4.4 ADDITIONAL REQUIREMENTS FOR INDIVIDUALS ON POST-RELEASE COMMUNITY SUPERVISION

Officers should investigate suspected violation behavior of individuals on PRCS pursuant to Penal Code § 3450 et seq. and process violations per the Investigations and Processing Violations sections of this policy.

If flash incarceration or another intermediate sanction is not appropriate, the officer should submit a petition to the court to revoke or terminate PRCS, if applicable, or proceed with the Modification of Conditions of Supervision Policy. The petition shall include a written report that contains the terms and conditions of PRCS, the circumstances of the violation, the history of the violator, and any recommendations (Penal Code § 3455). If a petition is submitted to the court, the officer should proceed with the Service of Documents, Notice to the District Attorney, Evidence Disclosure, and Notifications sections in this policy. If an arrest is appropriate, the officer should proceed with the Arrests section of this policy.

406.5 ARRESTS

Officers who reasonably believe that an arrest is appropriate based on violation behavior should take steps to initiate the arrest (i.e., by contacting local law enforcement, if appropriate under the circumstances; by obtaining an arrest warrant) within the scope of their authority and without unreasonable delay (Penal Code § 1203.2; Penal Code § 3455; Welfare and Institutions Code § 625). See the Probation Authority Policy.

If an officer has a reasonable belief that an immediate arrest is warranted (e.g., the violation behavior implicates a specific threat (such as an intoxicated offender close to operating a vehicle), abscondence is likely, the arrest is required by state law), the officer should initiate a warrantless arrest if legally permitted under the circumstances.

406.6 SERVICE OF DOCUMENTS

Regardless of whether an arrest is made, the officer shall serve a copy of any petition filed with the court on the offender or the attorney for the offender, if known (Penal Code § 1203.2). The officer should also serve a copy of the violation report on the offender or the offender's attorney, if known.

Glenn County Probation Department

Probation Manual

Violations

406.6.2 EVIDENCE DISCLOSURE

Evidence that the officer intends to be used at a violation hearing should be disclosed prior to the hearing to the District Attorney. Information that is confidential or protected may have disclosure limitations and should be approved by a supervisor and/or the court prior to disclosure.

406.6.3 SUPPLEMENTAL PETITIONS IN JUVENILE COURT

Officers filing a supplemental petition to juvenile court shall serve notice of the date, time, and place of a Welfare and Institutions Code § 777 hearing to the minor's parents, foster parents, guardians, or the relatives providing care to the minor in the manner required by Welfare and Institutions Code § 658 or Welfare and Institutions Code § 660, as applicable (Welfare and Institutions Code § 777).

406.7 NOTIFICATIONS

Subpoenas and Court Appearances

407.1 PURPOSE AND SCOPE

This policy establishes the guidelines for department members who must appear in court. It will allow the Glenn County Probation Department to cover any related work absences and keep the Department informed about relevant legal matters.

407.2 POLICY

Glenn County Probation Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

407.3 SUBPOENAS

Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so. This may be accomplished by personal service to the officer, through approved electronic service, or by delivery of two copies of the subpoena to the officer's supervisor or other authorized department agent (Government Code § 68097.1; Penal Code § 1328).

The party that issues a civil subpoena to an officer to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328):

- (a) The supervisor or authorized individual will be unable to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena.
- (b) It is less than five working days prior to the date listed for an appearance and the supervisor or authorized individual is not reasonably certain that service can be completed.

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines it is not possible to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328).

407.3.1 SPECIAL NOTIFICATION REQUIREMENTS

Any member who is subpoenaed to testify, agrees to testify, or provides information on behalf or at the request of any party other than the County Attorney or the prosecutor shall notify the member's immediate supervisor without delay regarding:

- (a) Any civil case where the County or one of its members, as a result of their official capacity, is a party.

- (d) Any civil action stemming from the member's on-duty activity or because of their association with the Glenn County Probation Department.

The supervisor will then notify the Chief Probation Officer and the appropriate prosecuting attorney as may be indicated by the case. The Chief Probation Officer should determine if additional legal support is necessary.

No member shall be retaliated against for testifying in any matter.

407.3.2 CIVIL SUBPOENA

The Department will compensate members who appear in their official capacities on civil matters arising out of their official duties, as directed by the current collective bargaining agreement or memorandum of understanding.

The Department should seek reimbursement for the member's compensation through the civil attorney of record who subpoenaed the member.

407.3.3 OFF-DUTY RELATED SUBPOENAS

Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

407.4 FAILURE TO APPEAR

Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

407.5 STANDBY

To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes location during the day, the member shall notify the designated department member of how the member can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

When a member is directed by a subpoena to appear in court with evidence or the prosecuting attorney requests evidence that is available to the member, that member should:

Bias-Based Supervision

412.1 PURPOSE AND SCOPE

This policy provides guidance to Glenn County Probation Department members that affirms the County's commitment to supervision that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in probation activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, and partnerships).

412.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based supervision - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing supervision services or enforcement of court orders.

412.2 POLICY

The Glenn County Probation Department is committed to providing supervision services to the community with due regard for the racial, cultural, or other differences of those served. It is the policy of this department to provide probation services and to enforce the law and conditions set by the court equally, fairly, objectively, and without discrimination toward any individual or group.

412.3 BIAS-BASED SUPERVISION PROHIBITED

Bias-based supervision is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely, and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns, or specific schemes.

412.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform their duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based supervision to a supervisor. Members should, when reasonable to do so, intervene to prevent any bias-based actions by another member.

412.4.1 REASON FOR CONTACT

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

Glenn County Probation Department

Probation Manual

Bias-Based Supervision

To the extent that written documentation would otherwise be completed (e.g., arrest report), the involved officer should include those facts giving rise to the contact.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

412.5 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

- (a) Supervisors should discuss any issues with the involved officer and the officer's supervisor in a timely manner.
 - 1. Supervisors should document these discussions in the prescribed manner.
- (b) Supervisors should periodically review Mobile Audio/Video (MAV) recordings, portable audio/video recordings, and any other available resource used to document contact between officers and the public to ensure compliance with this policy.
 - 1. Supervisors should document these periodic reviews.
 - 2. Recordings or data that capture a potential instance of bias-based supervision should be appropriately retained for administrative investigation purposes.
- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based supervision.

412.7 TRAINING

Training on fair and objective supervision and review of this policy should be conducted as directed by the Training Manager.

Chapter 5 - Field and Special Operations

Crime Scene Integrity and Investigation

500.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding the discovery of a crime or crime scene by department members and any corresponding investigation of a crime.

This policy is intended to address criminal investigations of new crimes or crime scenes, not specific violations of an offender's terms of probation. See the Violations Policy.

500.2 POLICY

It is the policy of this department to secure the safety of the public and the preservation of crime scenes, when reasonably practicable, until relieved by local law enforcement, a supervisor, or other designated person. It is also the policy of this department to cooperate with local law enforcement in the investigation of newly discovered crimes as set forth in this policy.

500.3 INITIAL CONSIDERATIONS

Officers who become aware of a crime or crime scene, including one that may involve offenders under the supervision of the Department, should contact the appropriate local law enforcement agency as soon as practicable.

If the crime involves an offender under supervision by the Department, the officer should coordinate investigative responsibilities and share relevant information with the responding local law enforcement agency.

An officer who reasonably believes that an individual present during the commission of a crime or at a crime scene is under probation supervision by another officer or other department should take reasonable steps to notify the individual's supervising officer or the associated department to coordinate any necessary investigative responsibilities.

500.3.1 RESPONSE

Officers who encounter or who are first to arrive at a crime scene should:

- (a) Contact local law enforcement.
- (b) Contact other local agencies (e.g., emergency medical services, fire) and request additional assistance and resources, if appropriate.
- (c) Notify a supervisor.
- (d) When reasonably practicable, provide for the general safety of those within the immediate area by mitigating, reducing, or eliminating threats or dangers.
- (e) Evacuate the location safely as required or appropriate.
- (f) Identify potential witnesses.

Crime Scene Integrity and Investigation

500.4 ARRESTS

An officer at the location of a crime or crime scene should not initiate an arrest unless the officer has a reasonable belief that an immediate arrest is appropriate and warranted to prevent imminent harm to others and only if legally permitted under the circumstances. Additional guidance regarding officer arrest authority under California law is provided in the Probation Authority Policy.

Circumstances involving domestic violence or the crime of possession of medical marijuana may require exceptional handling under California law.

500.4.1 ARRESTS AND INVESTIGATIONS INVOLVING DOMESTIC VIOLENCE

Absent extenuating circumstances involving an imminent threat of death or bodily injury to the officer or another person, officers who have probable cause to believe that an offense involving domestic violence has occurred within their presence should request response by the appropriate local law enforcement agency.

This should be considered even if the officer has arrest authority under California law. However, if the officer is authorized or required to take enforcement action, the officer shall take steps to reasonably ensure that appropriate action is taken, including an arrest when there is probable cause to do so.

Officers shall also take steps to reasonably ensure any other mandatory action related to domestic violence is accomplished. This may include mandates related but not limited to the following:

- (a) Required victim notifications or assistance.
- (b) The service of court orders.
- (c) Seizure of firearms or other deadly weapons in accordance with Penal Code § 18250 if the incident involved threats of bodily harm or physical assault and the firearm or weapon is discovered in plain view or pursuant to consent or other lawful search.

500.4.2 ARRESTS AND INVESTIGATIONS INVOLVING THE USE OF MEDICAL MARIJUANA

Officers shall not arrest a cardholder or designated primary caregiver in possession of an identification card solely for the crime of possession, transportation, delivery, or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person possesses marijuana, but not for personal medical purposes.

Officers should refer to the Violations Policy when an offender alleges possession or use of marijuana for medicinal purposes and the offender's terms of supervision do not allow for medicinal use or possession.

Crime Scene Integrity and Investigation

500.5 EVIDENCE

Officers should not conduct searches beyond the scope of their authority. Evidence discovered at a crime scene and that pertains to an officer's investigation of a probation violation should be documented and preserved as soon as practicable in accordance with the Search and Seizure Policy.

Officers who discover evidence that does not relate to a probation violation should defer to local law enforcement personnel for collection.

500.6 REPORTS

Reports should include adequate investigative information and reference to all evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in a related criminal case, as well as information that may adversely affect the credibility of a witness. If an officer learns of potentially incriminating or exculpatory information any time after submission of a report, the officer should prepare and submit a supplemental report documenting such information as soon as practicable.

Officers should proceed with the Violations Policy when the investigation involves a violation of probation conditions.

500.6.1 DISCLOSURE OF REPORTS

Upon completion, reports, including any supplemental reports, should be transmitted to the prosecutor's office and to any other agency to whom the original report was sent (e.g., local law enforcement agency). If information is believed to be privileged or confidential (e.g., informant or protected information), release should be approved by a supervisor prior to disclosure.

Disclosure of protected information in this context may be subject to the Records Maintenance and Release and Protected Information policies. See the Violations Policy, regarding information disclosure as part of a probation violation hearing.

500.7 RECORDS

Reports created in relation to a crime or crime scene investigation should be retained in accordance with the Records Maintenance and Release Policy.

501.6.1 OFF-DUTY PARTICIPATION

Off-duty members of this department or any other law enforcement agency, and employees of the County, will not be permitted to participate in a ride-along with on-duty members of this department without the express consent of the supervisor.

The assigned department member shall consider the safety of the ride-along or job observation participant at all times. The member shall maintain control over the participant and shall instruct the individual about conditions that necessarily limit participation. Instructions should include:

- (a) The participant will follow the directions of the department member.
- (b) The participant will not become involved in any investigation, handling of evidence, discussions with victims, offenders, supervised persons or suspects, reading an individual's criminal history or other protected information, or handling any probation department equipment.
- (c) Participation may be terminated at any time by the member if the participant interferes with the performance of the member's duties.
 - 1. If the ride-along is in progress, the member may return the participant to the point the ride originated.
- (d) Participants may be allowed to continue a ride-along during the transportation and booking process, provided it does not jeopardize their safety, and with jail staff approval.
- (e) Members will not allow participants to be present in any location or situation that would jeopardize the participant's safety or cause undue stress or embarrassment to a victim or any other member of the public.
- (f) Participants who are not probation or law enforcement officers shall not be permitted to accompany the department member into a private residence without the express consent of the resident or other authorized person.

The member assigned to provide a ride-along shall advise the supervisor, or lead staff in the absence of a supervisor, that a ride-along participant is present in the vehicle before going into service. An officer with a ride-along participant should use sound discretion when encountering a potentially dangerous situation and, if feasible, let the participant out of the vehicle in a well-lit public place. The supervisor, or lead staff in the absence of a supervisor, will be advised of the situation and as soon as practicable have another department member respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride, or is otherwise inappropriate, should be immediately reported to the supervisor. The member should enter comments regarding the reasons for terminating the ride-along on the waiver form.

Upon completion of the ride-along, the member shall return the waiver form to the supervisor.

Hazardous Material Response

502.1 PURPOSE AND SCOPE

Exposure to hazardous materials presents potential harm to department members and the public. This policy outlines the factors that members should consider when they encounter hazardous material, including the reporting of exposures and supervisor responsibilities.

502.1.1 DEFINITIONS

Definitions related to this policy include:

Hazardous material - A substance that by its nature, containment, or reactivity has the capability of inflicting harm during exposure; is characterized as being toxic, corrosive, flammable, reactive, an irritant, or a strong sensitizer; and thereby poses a threat to health when improperly managed.

502.2 POLICY

It is the policy of the Glenn County Probation Department to immediately contact the appropriate local emergency services to respond to hazardous material emergencies in order to protect the safety of offenders, the public, and those members who may be exposed to such incidents.

502.3 HAZARDOUS MATERIAL EXPOSURE

Members may encounter situations involving suspected hazardous materials, such as a chemical spill in the workplace. When members come into contact with a suspected hazardous material, they should take certain steps to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond to and mitigate most incidents involving hazardous materials and biohazards.

Members should not perform tasks or use equipment without proper training. Officers present at a hazardous material incident may require decontamination before they are allowed to leave the scene and should be evaluated by appropriate technicians and emergency medical services personnel for signs of exposure.

502.4 CONSIDERATIONS

These steps should be considered at any scene involving suspected hazardous materials:

- (a) Make the initial assessment of a potentially hazardous material from a safe distance.
- (b) Notify appropriate supervisors, the appropriate fire department and hazardous response units, and local law enforcement.
 1. Provide weather conditions, wind direction, a suggested safe approach route, and any other information pertinent to responder safety.
- (c) Wear personal protective equipment (PPE), as available and as trained, being cognizant that some hazardous material can be inhaled.

Glenn County Probation Department

Probation Manual

Hazardous Material Response

- (d) Remain upwind, uphill, and at a safe distance, maintaining awareness of weather and environmental conditions, until the material is identified and a process for handling has been determined.
- (e) Attempt to identify the type of hazardous material from a safe distance using optical aids (binoculars or spotting scopes) if they are available. Identification can be determined by:
 - 1. Placards or use of an emergency response guidebook.
 - 2. Driver's statements or shipping documents from the person transporting the material.
 - 3. Information obtained from any involved person with knowledge regarding the hazardous material. Information should include:
 - (a) The type of material.
 - (b) How to secure and contain the material.
 - (c) Any other information to protect the safety of those present, the community, and the environment.
- (f) Provide first aid to injured parties if it can be done safely and without contamination.
- (g) Make reasonable efforts to secure the scene to prevent access from unauthorized individuals and to protect and identify any evidence.
- (h) Begin evacuation of the immediate and surrounding areas, dependent on the material. Voluntary evacuation should be considered; mandatory evacuation may be necessary and will depend on the type of material.
- (i) Establish a decontamination area when needed.

502.5 REPORTING EXPOSURE

Department members who believe they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an incident report that shall be forwarded via chain of command to the Chief Probation Officer as soon as practicable. If the affected member is unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

Injury or illness caused or believed to be caused by exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report as applicable.

502.5.1 SUPERVISOR RESPONSIBILITIES

When a supervisor has been informed that a member has been exposed to a hazardous material, the supervisor shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure or continued exposure.

Glenn County Probation Department

Probation Manual

Hazardous Material Response

To ensure the safety of members, PPE is available from supervisors. PPE not maintained by this department may be available through the appropriate fire department or emergency response team.

Hostage and Barricade Incidents

503.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain, or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

503.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is:

- Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- Unlawfully held against the person's will under threat or actual use of force.

503.2 POLICY

It is the policy of the Glenn County Probation Department to address hostage and barricade situations by immediately contacting local law enforcement.

503.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. The focus of communication should be to stabilize the situation while awaiting local law enforcement.

503.4 CONSIDERATIONS

Officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

Officers should immediately contact local law enforcement when it is determined that a hostage or barricade situation exists.

The handling officer should brief the arriving local law enforcement officers of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

Hostage and Barricade Incidents

503.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting local law enforcement, specialized personnel, and trained negotiators.

503.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of local law enforcement, specialized personnel, and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats.

503.5 RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, establish a proper chain of command, and assume the role of Incident Supervisor until properly relieved by local law enforcement.

503.6 REPORTING

Unless otherwise relieved by a supervisor, the handling officer at the scene is responsible for completion of an incident report.

Response to Bomb Threat Calls

504.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Glenn County Probation Department in their initial response to incidents involving explosives or explosive devices, explosion/bombing incidents, or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

504.2 POLICY

It is the policy of the Glenn County Probation Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

504.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement, and alleged detonation time of the device and should immediately contact the appropriate local law enforcement agency to convey the information.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

504.4 GLENN COUNTY PROBATION DEPARTMENT FACILITY

If the bomb threat is against the department facility, the member who received the threat should immediately contact the appropriate local law enforcement agency and notify the supervisor as soon as practicable. The supervisor, in coordination with local law enforcement, will direct and assign officers as required for coordinating a general building search or evacuation of the department, as deemed appropriate.

504.5 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the County that is not the property of this department, assistance to the other entity may be provided as the supervisor deems appropriate once the appropriate local law enforcement agency has been notified of the threat.

504.6 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the City/County of County, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.

Glenn County Probation Department

Probation Manual

Response to Bomb Threat Calls

- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting law enforcement assistance at the facility.
- (f) Whether any internal facility procedures exist regarding bomb threats, such as:
 - 1. No evacuation of personnel and no search for a device.
 - 2. Search for a device without evacuation of personnel.
 - 3. Evacuation of personnel without a search for a device.
 - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that local law enforcement is notified. Also notify the department supervisor immediately so that the supervisor can communicate with the person in charge of the threatened facility as necessary.

504.7 ASSISTANCE

The Chief Probation Officer or the authorized designee should be notified when department assistance is requested. The Chief Probation Officer or authorized designee will make the decision whether the Department will render assistance to responding law enforcement and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including evacuation and giving officers control over the facility.

Should the Chief Probation Officer or authorized designee determine that the department will assist law enforcement with such an incident, the Chief Probation Officer or authorized designee will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance in consultation with responding local law enforcement.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
 - 1. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request local law enforcement's assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

Glenn County Probation Department

Probation Manual

Response to Bomb Threat Calls

504.8 SUSPECTED DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all-inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes:
 1. Two-way radios.
 2. Cell phones.
 3. Other personal communication devices.
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (h) Promptly relay available information to local law enforcement and the Chief Probation Officer or authorized designee including:
 1. The time of discovery.
 2. The exact location of the device.
 3. A full description of the device (e.g., size, shape, markings, construction).
 4. The anticipated danger zone and perimeter.
 5. The areas to be evacuated or cleared.

504.9 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, the supervisor may be confronted with a multitude of considerations. As in other catastrophic events, a rapid evacuation may help to minimize injury to victims, contamination of the scene, or any additional damage from fires or unstable structures.

504.9.1 CONSIDERATIONS

Officers present at the scene of an explosion, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries, where safe and practicable.

Glenn County Probation Department

Probation Manual

Response to Bomb Threat Calls

- (b) Request through 9-1-1 additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens, and hazardous materials, where safe and practicable.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices only if trained to do so or where necessary to establish an evacuation route for self and others.
- (g) Preserve evidence, where safe and practicable.
- (h) Establish an outer perimeter and evacuate, if necessary.
- (i) Identify witnesses.

504.9.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified, as appropriate:

- Local law enforcement
- Supervisor
- Fire department
- Bomb squad
- Additional department personnel, as necessary
- Other government agencies, as appropriate

504.10 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene and only at the direction of local law enforcement. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

504.10 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. Pending the arrival of local law enforcement, the supervisor should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact evidence may be embedded in nearby structures or hanging in trees and bushes.

Crisis Intervention Incidents

505.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

505.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; noncompliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive, or dangerous behavior that may be accompanied by impaired judgment.

505.2 POLICY

The Glenn County Probation Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

505.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation, or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality, or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness, or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, or lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility, or paranoia

Crisis Intervention Incidents

Members should be aware that this list is not exhaustive. The presence or absence of any of these signs should not be treated as proof of the presence or absence of a mental health issue or crisis.

505.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Chief Probation Officer should designate the Training Manager and appropriate supervisors to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide department interaction with offenders who may be in crisis, and may also be used to develop case management plans for offenders suffering from mental illness.

505.5 CRISIS INTERVENTION RESPONSE

Safety is a priority during any crisis intervention. It is important to recognize that individuals under the influence of alcohol, drugs, or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises, and unusual behavior are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer interacting with a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request local law enforcement and/or available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible without compromising safety, turn off flashing lights, bright lights, or sirens.
- (d) Attempt to determine if weapons are present or available.
 1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime and report the same to local law enforcement, if applicable.
- (i) Request a supervisor, as warranted.

Crisis Intervention Incidents

- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

505.6 DE-ESCALATION

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm and courteous, and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (i.e., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent, or suicidal.
- Argue, speak with a raised voice, or use threats to obtain compliance.

505.7 INCIDENT ORIENTATION

When encountering an incident that may involve mental illness or a mental health crisis, the officer should request critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication or may have failed to take medication.
- (b) Whether there have been prior incidents or suicide threats/attempts, and whether there has been previous probation or other law enforcement response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

Crisis Intervention Incidents

505.8 SUPERVISOR RESPONSIBILITIES

If possible, a supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Absent an imminent threat to the public, consider strategic disengagement. This may include removing or reducing department resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing and prepare an incident report to be forwarded to the supervisor.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

505.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

505.10 NON-SWORN INTERACTION WITH PEOPLE IN CRISIS

Members, including but not limited to clerical staff, may interact with persons in crisis in an administrative capacity, such as during records requests or phone calls.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If during an interaction, a member believes a person is in crisis, the member should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may self-harm or be harmful to others, an officer should be promptly summoned to provide assistance.

Crisis Intervention Incidents

505.11 EVALUATION

The supervisor designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers, or incidents and will be submitted to the Chief Probation Officer through the chain of command.

505.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This department will endeavor to provide POST-approved advanced officer training on interaction with persons with mental disabilities, welfare checks, and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

Civil Commitments

506.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may take steps to place an offender under mental health hold (5150 commitment) (Welfare and Institutions Code § 5150).

506.2 POLICY

It is the policy of the Glenn County Probation Department to protect the public and offenders through legal and appropriate use of the mental health hold process.

506.3 AUTHORITY

An officer having probable cause may take an offender under the officer's supervision into custody and place the offender in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental health disorder, the offender is a danger to self or others or the offender is gravely disabled (Welfare and Institutions Code § 5150).

When determining whether to take an offender into custody, officers are not limited to determining the offender is an imminent danger and shall consider reasonably available information about the historical course of the offender's mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

- (a) An individual who is providing or has provided mental health treatment or related support services to the offender
- (b) A family member
- (c) The offender subject to the determination or anyone designated by the offender

506.3.1 AUTHORITY FOR MINORS

An officer having probable cause may take an offender under the officer's supervision into custody and place the offender in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental disorder, the offender is a danger to self or others or the offender is a gravely disabled minor and authorization for voluntary treatment is not available (Welfare and Institutions Code § 5585.50).

Gravely disabled minor means a minor who, as a result of a mental disorder, is unable to use the elements of life that are essential to health, safety, and development, including food, clothing, and shelter, even though provided to the minor by others. Intellectual disability, epilepsy, or other developmental disabilities, alcoholism, other drug abuse, or repeated antisocial behavior do not, by themselves, constitute a mental disorder (Welfare and Institutions Code § 5585.25).

506.3.2 VOLUNTARY EVALUATION

If an officer encounters an offender who may qualify for a mental health hold or an involuntary commitment, the officer may inquire as to whether the offender desires to be voluntarily evaluated at an appropriate facility. If the offender so desires, the officer should:

Glenn County Probation Department

Probation Manual

Civil Commitments

- (a) Transport the offender to an appropriate facility that is able to conduct the evaluation and admit the person.
- (b) Document the circumstances surrounding the offender's desire to pursue voluntary evaluation and/or admission.

If at any point the person withdraws an affirmative decision for a voluntary evaluation, the officer should proceed with the application for emergency mental health evaluation, if appropriate.

506.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer who comes into contact with an offender who may qualify for detention for the purpose of a mental health hold or an involuntary commitment should consider, as time and circumstances reasonably permit:

- (a) Contacting local law enforcement for assistance, if appropriate.
- (b) Available information that might assist in determining the possible cause and nature of the person's actions or stated intentions.
- (c) Contacting the County Mental Health Department.
- (d) Conflict resolution and de-escalation techniques.
- (e) Community or other resources that may be readily available to assist with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others. See also the Risk and Needs Assessment, Supervision, Modification of Conditions of Supervision, and Violations policies.

Mental health holds should be preferred over arrest for people who have mental health issues and are suspected of committing minor crimes or creating other public safety issues.

506.4.1 SECURING OF PROPERTY

When an offender is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian, or conservator is in possession of the offender's personal property, the officer shall take reasonable precautions to safeguard the personal property in the offender's possession or on the premises occupied by the offender (Welfare and Institutions Code § 5150).

The officer taking the offender into custody shall provide a report to the court that describes the offender's property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the officer shall only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

506.5 TRANSPORTATION

When transporting any offender for a mental health hold, the transporting officer should notify a supervisor and the receiving facility of the estimated time of arrival, the level of cooperation of

Civil Commitments

the offender, and whether any special medical care is needed. If appropriate, Dispatch should be utilized.

Officers may transport individuals in a department vehicle and may secure them in accordance with the Handcuffing and Restraints Policy. Should the offender require transport in a medical transport vehicle and the safety of any person, including the offender, requires the presence of an officer during the transport.

506.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the officer will escort the offender into a treatment area designated by a facility staff member. If the offender is not seeking treatment voluntarily, the officer should provide the staff member with the written application for a mental health hold and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the offender is transported and delivered while restrained, the officer may assist with transferring the offender to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

506.7 DOCUMENTATION

The officer shall complete an Application for 72-Hour Detention for Evaluation and Treatment form, provide it to the facility staff member assigned to the offender, and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for the officer involvement; the probable cause to believe the offender is, as a result of a mental health disorder, a danger to others or self or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.2).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

506.7.1 ADVISEMENT

The officer taking an offender into custody for evaluation shall advise the offender of (Welfare and Institutions Code § 5150):

- (a) The Officer's name and agency.
- (b) The fact that the offender is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise the offender of the offender's rights.
- (c) The name of the facility to which the offender is being taken.
- (d) If the offender is being taken into custody at the offender's residence, the offender should also be advised to take a few personal items, which the officer must approve,

Civil Commitments

and may make a telephone call or leave a note indicating where the offender is being taken. The officer should also ask if the offender needs assistance turning off any appliances or water.

The advisement shall be given in a language the offender understands. If the offender cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

506.8 CRIMINAL OFFENSES

Officers investigating an offender who is suspected of committing a minor violation and who is being taken into custody through a mental health hold, should resolve the violation by completing a report and forwarding the information, as appropriate.

When an officer discovers, during a home visit or otherwise, that an offender has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility (e.g., domestic violence, child abuse, homicide), the officer should:

- (a) Immediately contact the appropriate local law enforcement agency and inform them of the offense and reasons why a mental health hold may be appropriate.
- (b) Inform responding local law enforcement personnel of the facts supporting an arrest and the facts that would support a detention.
- (c) Notify the Deputy Chief as soon as practicable.
- (d) Thoroughly document in the related reports the circumstances that indicate the offender may qualify for a mental health hold.

506.9 FIREARMS AND OTHER WEAPONS

Whenever an offender is taken into custody for a mental health hold or an involuntary commitment, the handling officers should seek to determine if the offender owns or has access to any firearm or other deadly weapon as defined in Welfare and Institutions Code § 8100. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search unless lawful warrantless entry has already been made (e.g., entry is authorized under the terms and conditions of the person's probation; the person consents). A warrant may also be needed before searching for or seizing weapons.

The handling officer shall issue a receipt describing the deadly weapon or any firearm seized and list any serial number or other identification that is on the firearm.

The officer should further advise the offender of the procedure for the return, sale, transfer, or destruction of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102).

Civil Commitments

506.9.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS

Whenever the handling officer has cause to believe that the future return of any confiscated weapon might endanger the offender or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Chief Probation Officer or authorized designee who shall be responsible for initiating a petition to the superior court for a hearing in accordance with Welfare and Institutions Code § 8102(c) to determine whether the weapon will be returned.

The petition to the superior court shall be initiated within 30 days of the release of the offender from whom such weapon has been confiscated, unless the Department makes an application to the superior court to extend the time to file such a petition, up to a maximum of 60 days (Welfare and Institutions Code § 8102).

At the time any such petition is initiated, the Department shall send written notice to the offender about the right to a hearing on the issue, that the offender has 30 days to confirm with the court clerk any desire for a hearing, and that the failure to do so will result in the forfeiture of any confiscated weapon (Welfare and Institutions Code § 8102).

506.10 TRAINING

This department will endeavor to provide department-approved training on interaction with individuals who may be experiencing mental illness, mental impairment, or mental disability, mental health holds, and crisis intervention.

Rapid Response and Deployment

507.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces, and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement and probation. The purpose of this policy is to identify guidelines and factors that will assist officers in situations that call for rapid response and deployment.

507.2 POLICY

The Glenn County Probation Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those who are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

507.3 CONSIDERATIONS

When dealing with a crisis situation, members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore, and analyze sources of intelligence and known information regarding the circumstances, location, and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing, or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

507.4 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent, or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat, or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to incidents at other locations.

When deciding on a course of action, officers should consider:

Glenn County Probation Department

Probation Manual

Rapid Response and Deployment

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advancement or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of defensive weapons, control devices, and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In the case of a barricaded or trapped suspect, with no hostages and no immediate threat to others, officers should consider covering escape routes and evacuating persons as appropriate while summoning and waiting for additional assistance (e.g., special tactics and/or hostage negotiation team response).

507.5 PLANNING

The Chief Probation Officer or authorized designee should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites at the Glenn County Probation Department, such as buildings, including detention facilities, and parking areas.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Field supervision first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.

507.6 TRAINING

The Training Manager should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites at the Glenn County Probation Department, such as buildings, including detention facilities, and parking areas.

Glenn County Probation Department

Probation Manual

Rapid Response and Deployment

- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Field supervision first-response training, including patrol rifle and shotgun familiarization, and control device training.
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Immigration Violations

508.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Glenn County Probation Department relating to immigration and interacting with federal immigration officials.

508.1.1 DEFINITIONS

The following definition applies to this policy (Government Code § 7284.4):

Immigration enforcement – Any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal civil immigration law, including any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal criminal immigration law that penalizes a person's presence in, entry or reentry to, or employment in the United States.

508.2 POLICY

It is the policy of the Glenn County Probation Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

508.3 VICTIMS AND WITNESSES

To encourage cooperation, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of the Glenn County Probation Department will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or California constitutions.

508.4 IMMIGRATION STATUS AND DETENTIONS

Immigration status may be reported to the court as required. Any reasonably discovered change in the immigration status of any offender or any discrepancy in the record about the person's immigration status should be documented and reported to the court.

No individual should be detained solely for the purpose of waiting for information from immigration officials (Government Code § 7284.6).

508.4.1 IMMIGRATION INQUIRIES PROHIBITED

Officers shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).

Glenn County Probation Department

Probation Manual

Immigration Violations

508.4.2 CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS)

Members shall not use information transmitted through CLETS for immigration enforcement purposes except for criminal history information and only when consistent with the California Values Act (Government Code § 15160).

Additionally, members shall not use the system to investigate immigration violations of 8 USC § 1325 (improper entry) if that violation is the only criminal history in an individual's record (Government Code § 15160).

508.5 FEDERAL REQUEST FOR ASSISTANCE

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The supervisor is responsible for determining whether the requested assistance would be permitted under the California Values Act (Government Code § 7284.2 et seq.).

508.6 INFORMATION SHARING

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373):

- (a) Sending information to or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

Nothing in this policy restricts sharing information that is permissible under the California Values Act.

508.7 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the appropriate prosecutor or the appropriate law enforcement agency.

508.8 TRAINING

The Training Manager should ensure officers receive immigration training on this policy. Training should include prohibitions contained in the California Values Act (Government Code § 7284 et seq.).

Field Training

509.1 PURPOSE AND SCOPE

This policy provides guidelines for field training that ensure standardized training and evaluation; facilitate the transition from the training setting to the actual performance of general duties; and introduce the policies, procedures, and operations of the Glenn County Probation Department. The policy addresses the administration of field training and the selection, supervision, training, and responsibilities of the Field Training Officer (FTO).

509.2 POLICY

It is the policy of the Glenn County Probation Department that all newly hired or appointed officer trainees will participate in field training that is staffed and supervised by trained and qualified FTOs.

509.3 FIELD TRAINING

The Department should establish minimum standards for field training, which should be of sufficient duration to prepare officer trainees for probation duties. The field training is designed to prepare trainees for a probation supervision assignment and ensure they acquire the skills needed to operate in a safe, productive, and professional manner, in accordance with the general duties of this department.

To the extent practicable, field training should include procedures for:

- (a) Issuing training materials to each trainee at the beginning of each trainee's field training.
- (b) Daily, weekly, and monthly evaluation and documentation of the trainee's performance.
- (c) A multiphase structure that includes:
 1. A formal evaluation progress report completed by the FTOs involved with the trainee and submitted to the Training Manager and FTO coordinator.
 2. Assignment of the trainee to a variety of shifts and supervision tasks.
 3. Assignment of the trainee to a rotation of FTOs to provide for an objective evaluation of the trainee's performance.
- (d) The trainee's confidential evaluation of the assigned FTOs and the field training process.
- (e) Retention of all field training documentation in the officer trainee's training file, including:
 1. All performance evaluations.
 2. A certificate of completion certifying that the trainee has successfully completed the required number of field training hours.

Field Training

509.4 FTO COORDINATOR

The Chief Probation Officer shall delegate certain responsibilities to the FTO coordinator.

The FTO coordinator may appoint a senior FTO or other designee to assist in the coordination of FTOs and their activities.

The responsibilities of the coordinator include but are not limited to:

- (a) Assigning trainees to FTOs.
- (b) Conducting FTO meetings.
- (c) Maintaining and ensuring FTO and trainee performance evaluations are completed.

- (i) Maintaining a liaison with FTO coordinators from other probation agencies.
- (j) Maintaining a liaison with probation academy staff on recruit officer performance during academy attendance.
- (k) Performing other activities as may be directed by the Chief Probation Officer.

Within one year of appointment to this position, the FTO coordinator will be required to successfully complete a training course approved by this department that is applicable to supervision of field training.

509.5 FTO SELECTION, TRAINING, AND RESPONSIBILITIES

509.5.1 SELECTION PROCESS

The selection of an FTO will be at the discretion of the Chief Probation Officer or the authorized designee. Selection should be based on the officer's:

- (a) Desire to be an FTO.
- (b) Experience, which should include a minimum of four years of field supervision, two of which shall be with this department.
- (c) Demonstrated ability as a positive role model.
- (d) Successful completion of an internal oral interview process.
- (e) Evaluation by supervisors and current FTOs.
- (f) Possession of, or ability to obtain, approved certification.

Glenn County Probation Department

Probation Manual

Field Training

An FTO must remain in good standing and may be relieved from FTO duties due to discipline, inappropriate conduct, or poor performance.

509.5.2 TRAINING

An officer selected as an FTO shall successfully complete the department-approved training prior to being assigned as an FTO.

All FTOs should complete an update course approved by this department at least every three years while assigned to the position of FTO.

509.5.3 TRAINING MATERIALS

The FTO shall receive training materials outlining the requirements, expectations, and objectives of the FTO position. FTOs should refer to their training materials or the FTO coordinator regarding specific questions related to FTO or field training.

509.5.4 RESPONSIBILITIES

The responsibilities of the FTO include but are not limited to:

- (a) Issuing trainee field training materials to the assigned trainee in accordance with the Training Policy.
 - 1. The FTO should ensure that the trainee has the opportunity to become knowledgeable of the subject matter and proficient with the skills as set forth in the training materials.
 - 2. The FTO shall sign off on all completed topics contained in the training materials, noting the methods of learning and evaluating the performance of the assigned trainee.
- (b) Completing and reviewing daily performance evaluations with the trainee.
- (c) Completing and submitting a written evaluation on the performance of the assigned trainee to the FTO coordinator on a daily basis.
- (d) Completing a detailed weekly performance evaluation of the assigned trainee at the end of each week.
- (e) Completing a monthly evaluation report of the assigned trainee at the end of each month.
- (f) Providing the shift supervisor with a verbal synopsis of the trainee's activities at the end of each day or during any unusual occurrence needing guidance or clarification.

Portable Audio/Video Recorders

510.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand-held, or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Glenn County facility, authorized undercover operations, wiretaps, or eavesdropping (concealed listening devices).

510.2 POLICY

The Glenn County Probation Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

510.3 STORAGE OF RECORDINGS

The Chief Probation Officer or the authorized designee should designate an employee responsible for (Penal Code § 832.18):

- (a) Establishing a system for downloading, storing, and security of recordings.
- (b) Designating persons responsible for downloading recorded data.
- (c) Establishing a maintenance system to ensure availability of operable portable audio/video recording devices.
- (d) Establishing a system for tagging and categorizing data according to the type of incident captured.
- (e) Establishing a system to prevent tampering, deleting, and copying of recordings, and ensure chain of custody integrity.
- (f) Working with counsel to ensure an appropriate retention schedule is being applied to recordings and associated documentation.
- (g) Maintaining logs of access and deletions of recordings.

510.4 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity of this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

Glenn County Probation Department

Probation Manual

Portable Audio/Video Recorders

510.5 MEMBER RESPONSIBILITIES

Prior to going into service, each officer will be responsible for making sure that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to a supervisor and obtain a functioning device as soon as reasonably practicable.

When using a recorder, the assigned member shall record the member's name, Glenn County Probation Department identification, and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

510.5.1 SUPERVISOR RESPONSIBILITIES

Supervisors should take custody of a portable audio/video recording device as soon as practicable when the device may have captured an incident involving the use of force, an officer-involved shooting or death, or other serious incident and ensure the data is downloaded (Penal Code § 832.18).

510.6 ACTIVATION OF THE AUDIO/VIDEO RECORDER

This policy is not intended to describe every possible situation in which the recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize the member's safety in order to activate a portable recorder or change the recording media.

Glenn County Probation Department

Probation Manual

Portable Audio/Video Recorders

510.6.1 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes the member's direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity, such as report writing or other breaks from direct participation in the incident.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious adviser, or physician unless there is explicit consent from all parties to the conversation (Penal Code § 636).

510.6.2 SURREPTITIOUS USE OF THE AUDIO/VIDEO RECORDER

California law prohibits any individual from surreptitiously recording any conversation in which any party to the conversation has a reasonable belief that the conversation is private or confidential. However, California law exempts officers from this prohibition during the course of a criminal investigation under the direction of the prosecuting attorney or investigating member of the local law enforcement agency as set forth in Penal Code § 633. Nothing in this section is intended to interfere with an officer's right to openly record any interrogation.

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief Probation Officer or the authorized designee.

510.6.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

510.7 PROHIBITED USE OF PORTABLE RECORDERS

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in an official capacity.

Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Chief Probation Officer. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment, or ridicule.

510.7.1 PROHIBITED USE OF BIOMETRIC SURVEILLANCE SYSTEM

The installation, activation, or use of biometric surveillance systems, including facial recognition, in connection with portable recorders is prohibited (Penal Code § 832.19).

Portable Audio/Video Recorders

510.8 IDENTIFICATION AND PRESERVATION OF RECORDINGS

To assist with identifying and preserving data and recordings, members should download, tag, or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag, or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil, or administrative matters.
- (b) A complainant, victim, or witness has requested nondisclosure.
- (c) A complainant, victim, or witness has not requested nondisclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

510.9 RETENTION OF RECORDINGS

Recordings of the following should be retained for a minimum of two years (Penal Code § 832.18):

- (a) Incidents involving use of force by an officer
- (b) Officer-involved shootings
- (c) Incidents that lead to the detention or arrest of an individual
- (d) Recordings relevant to a formal or informal complaint against an officer or the Glenn County Probation Department

Recordings containing evidence that may be relevant to a criminal prosecution should be retained for any additional period required by law for other evidence relevant to a criminal prosecution (Penal Code § 832.18).

All other recordings should be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

Records or logs of access and deletion of recordings should be retained permanently (Penal Code § 832.18).

510.9.1 RELEASE OF AUDIO/VIDEO RECORDINGS

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

Portable Audio/Video Recorders

510.10 REVIEW OF RECORDED MEDIA FILES

When preparing written reports, members should review their recordings as a resource. (See the Officer-Involved Shootings and Deaths Policy for guidance in those cases.) However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing a member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation, or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief Probation Officer or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

Public Recording of Probation Officer Activity

511.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record probation officer actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

511.2 POLICY

The Glenn County Probation Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully by local law enforcement having jurisdiction.

Officers should exercise restraint and should not resort to seeking highly discretionary arrests for offenses such as interference, failure to comply, or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

511.3 RECORDING PROBATION OFFICER ACTIVITY

Members of the public who wish to record probation officer activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with probation officer activity. Examples of interference include but are not limited to:
 1. Tampering with a witness or suspect.
 2. Inciting others to violate the law.
 3. Being so close to the activity as to present a clear safety hazard to the officers.
 4. Being so close to the activity as to interfere with an officer's effective communication with an offender or other individual.
- (c) The individual may not present an undue safety risk to self, to the officer, or to others.

511.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or

Public Recording of Probation Officer Activity

behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing individuals to clear the area, an officer could advise individuals they may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with probation officer activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

511.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practicable, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure, or other actions are constitutional and consistent with this policy and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of department members, such as how and where to file a complaint.

511.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the

Glenn County Probation Department

Probation Manual

Public Recording of Probation Officer Activity

evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property Policy.

Medical Aid and Response

512.1 PURPOSE AND SCOPE

This policy recognizes that members may encounter persons in need of medical aid and establishes an appropriate response to such situations.

512.2 POLICY

It is the policy of the Glenn County Probation Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

512.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex, and age, if known.
 - 4. Whether the person is conscious, breathing and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Medical Aid and Response

512.4 TRANSPORTING ILL AND INJURED PERSONS

Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries, or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes, or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

512.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive medical care or be transported.

However, members may assist EMS personnel when EMS personnel determine the person lacks the mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, the officer should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

512.5.1 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, the arrestee should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Glenn County Probation Department

Probation Manual

Medical Aid and Response

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

512.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices, and Conducted Energy Device policies.

512.7 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

512.7.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Manager who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should, as soon as possible, request response by EMS.

512.7.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

512.7.3 AED TRAINING AND MAINTENANCE

The Training Manager should ensure appropriate training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency or EMS authority upon request (22 CCR 100021; 22 CCR 100022; 22 CCR 100029).

The Training Manager is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100021).

512.8 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Members may administer opioid overdose medication in accordance with protocol specified by the licensed health care provider who prescribed the overdose medication for use by the member and (Civil Code § 1714.22; 22 CCR 100019):

- (a) When trained and tested to demonstrate competence following initial instruction.
- (b) When authorized by the medical director of the Local Emergency Management Service Agency.

Glenn County Probation Department

Probation Manual

Medical Aid and Response

512.8.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Manager.

Any member who administers an opioid overdose medication should request response by EMS as soon as possible.

512.8.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Manager will ensure that information is provided to meet applicable state reporting requirements.

512.8.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Manager should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication.

Training should be coordinated with the local health department and comply with applicable standards.

512.9 ADMINISTRATION OF EPINEPHRINE AUTO-INJECTORS

The Chief Probation Officer may authorize the acquisition of epinephrine auto-injectors for use by members as provided by Health and Safety Code § 1797.197a. The Training Manager shall create and maintain an operations plan for the storage, maintenance, use, and disposal of epinephrine auto-injectors as required by Health and Safety Code § 1797.197a(f).

Trained members who possess valid certification may administer an epinephrine auto-injector for suspected anaphylaxis (Health and Safety Code § 1797.197a(b); 22 CCR 100019).

512.9.1 EPINEPHRINE USER RESPONSIBILITIES

Members should handle, store, and administer epinephrine auto-injectors consistent with their training and the department operations plan. Members should check the auto-injectors at the beginning of their shift to ensure the medication is not expired. Any expired medication should be removed from service in accordance with the Department Operations Plan.

Any member who administers an epinephrine auto-injector medication should request response by EMS as soon as possible (Health and Safety Code § 1797.197a(b)).

512.9.2 EPINEPHRINE AUTO-INJECTOR REPORTING

Any member who administers an epinephrine auto-injector should detail its use in an appropriate report.

Glenn County Probation Department

Probation Manual

Medical Aid and Response

The Training Manager should ensure that the Records Manager is provided enough information for required reporting to the EMS Authority within 30 days after each use (Health and Safety Code § 1797.197a(f)).

Records regarding the acquisition and disposition of epinephrine auto-injectors shall be maintained pursuant to the department established records retention schedule but no less than three years (Business and Professions Code § 4119.4(d)).

512.9.3 EPINEPHRINE AUTO-INJECTOR TRAINING

The Training Manager should ensure that members authorized to administer epinephrine auto-injectors are provided with initial and refresher training that meets the requirements of Health and Safety Code § 1797.197a(c) and 22 CCR 100019.

Suspicious Activity Reporting

513.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

513.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Reporting (SAR) - Documentation used to report suspicious activity in the Case Management System.

513.2 POLICY

The Glenn County Probation Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain, and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

513.3 RESPONSIBILITIES

The Chief Probation Officer should appoint authorized designees to manage SAR activities. Authorized designees should include supervisors responsible for department participation in criminal intelligence systems as outlined in the Protected Information Policy.

The responsibilities of the Investigation Division include but are not limited to:

- (a) Remaining familiar with those databases available to the department that would facilitate the purpose of this policy.

Suspicious Activity Reporting

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative, or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with local law enforcement, any other appropriate agency, or fusion center.

513.4 REPORTING AND INVESTIGATION

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any non-sworn member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about the involved parties and the circumstances of the incident. If during any investigation an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report.

Task Force

514.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when participating in task force (TF) operations.

514.2 POLICY

It is the policy of the Glenn County Probation Department to improve public safety and reduce violent crime through proactive collaboration with law enforcement task forces.

514.3 AGENCY INVOLVEMENT

Participation in TF operations provides access to multi-jurisdictional resources for apprehending offenders who have absconded from supervision or who have otherwise violated the law and/or supervision conditions.

Department participation in TF operations is subject to the approval of the Chief Probation Officer or the authorized designee.

514.3.1 REQUESTS FOR AGENCY INVOLVEMENT

Initial requests for participation in a TF or TF operation should be routed to the Chief Probation Officer for approval. In some instances, a memorandum of understanding (MOU) or other established protocol may exist that eliminates the need for approval of individual requests.

514.3.2 OFFICER OPERATIONAL ACTIVITY

Officers involved in TF operations should confirm the existence of, time period of coverage, and prior Chief Probation Officer approval for any MOU or established protocol prior to engaging in TF operational activity.

When engaged in TF operational activity or when rendering assistance pursuant to a TF agreement, officers must conform to applicable laws and the policies of this department unless previously approved by the Chief Probation Officer.

Requests for emergency assistance unrelated to TF operations and enforcement action taken outside the jurisdiction of the department unrelated to TF operations are governed by the Outside Agency Assistance and Probation Authority policies.

514.4 TEMPORARY DETENTION AND TRANSPORT

TF operation arrestees should only be temporarily detained and/or transported by this department pursuant to the Transporting Persons in Custody Policy unless previously approved by the Chief Probation Officer.

514.5 REPORTING REQUIREMENTS

Original reports of investigations, evidence seized, and other materials generated or collected by the TF operation should be retained by the agency responsible for the case. However, evidence

Task Force

may be turned over to other law enforcement agencies as appropriate pursuant to the Property Policy. Copies of investigative reports and other materials may be provided to other agencies in accordance with applicable laws, TF rules, and Records Maintenance and Release Policy.

514.6 MANDATORY SHARING AND TRAINING

When equipment and/or supplies maintained by the department have been purchased with federal funds or grants and are subject to agency sharing requirements, the Chief Probation Officer or authorized designee should regularly document:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
 - 1. The use of the equipment and supplies.
 - 2. The members trained in the use of the equipment and supplies.
- (c) Any other requirements in the use of the equipment and supplies.

Copies of this documentation should be maintained by the Chief Probation Officer or authorized designee.

The Training Manager should maintain documentation that the appropriate members have received the required training.

514.7 NEWS MEDIA

Media inquiries should be referred to the Task Force Coordinator of the agency responsible for coordinating the activities of the TF.

Operations Planning and Deconfliction

515.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction, and execution of high-risk operations.

515.1.1 DEFINITIONS

Definitions related to this policy include:

High-risk operations - Operations, including service of search and arrest warrants, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

515.2 POLICY

It is the policy of the Glenn County Probation Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations, and prevent duplicating efforts.

515.3 OPERATIONS DIRECTOR

The Chief Probation Officer will designate a member of this department to be the Operations Director.

The Operations Director will develop and maintain a risk assessment form to assess, plan, and coordinate operations. This form should provide a process to identify high-risk operations.

The Operations Director will review risk assessment forms with involved supervisors to determine whether an incident qualifies as a high-risk operation. The Operations Director will also have the responsibility for coordinating operations that are categorized as high risk.

515.4 DECONFLICTION

Deconfliction systems are designed to identify persons and locations associated with investigations or probation operations, and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups, or locations.

The officer who is the operations lead shall ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

Operations Planning and Deconfliction

515.5 OPERATIONS PLAN

The Operations Director should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives, and strategies.
- (b) Operation location and people:
 - 1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history).
 - 2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals, or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations), including aerial photos, if available, and maps of neighboring yards and obstacles, diagrams, and other visual aids.
 - 3. Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
 - 4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties, and children.
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
 - 1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
 - 1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate probation operation.
 - 2. How all participants will be identified as probation.
- (e) Whether deconfliction resources (e.g., databases, human intelligence, written reports) are current and all involved individuals, groups, and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).
- (i) Plans for detaining people who are not under arrest.

Glenn County Probation Department

Probation Manual

Operations Planning and Deconfliction

- (j) Contingencies for handling children, dependent adults, animals, and other people who might be at the location in accordance with the Mandatory Reporting and Child and Dependent Adult Safety policies.
- (k) Communications plan.
- (l) Responsibilities for writing, collecting, reviewing, and approving reports.

515.5.1 OPERATIONS PLAN RETENTION

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

515.6 OPERATIONS BRIEFING

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities, and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The Operations Director shall ensure that all participants are visually identifiable as probation officers.
 - 1. Exceptions may be made by the Operations Director for officers who are conducting surveillance or working undercover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
 - 1. It is the responsibility of the Operations Director to ensure that Dispatch is notified of the time and location of the operation, and to provide a copy of the operations plan prior to officers arriving at the location.
 - 2. If the radio channel needs to be monitored by Dispatch, the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operations plan.
 - 3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

Operations Planning and Deconfliction

515.7 ALLIED AGENCY CRISIS RESPONSE UNIT (CRU) PARTICIPATION

If the Operations Director determines that CRU participation is appropriate, the director and the responding allied agency CRU supervisor shall work together to develop a written plan. The CRU supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the CRU supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the officers present.

515.8 MEDIA ACCESS

No advance information regarding planned operations shall be released without the approval of the Chief Probation Officer. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

515.9 OPERATIONS DEBRIEFING

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any CRU debriefing.

515.10 TRAINING

The Training Manager should ensure who participate in operations subject to this policy receive periodic training, including but not limited to topics such as legal issues, deconfliction practices, operations planning concepts, and reporting requirements.

Transporting Persons in Custody

516.1 PURPOSE AND SCOPE

This policy provides guidelines for transporting persons who are in the custody of the Glenn County Probation Department.

Additional guidance can be found in the Medical Aid and Response Policy.

516.2 POLICY

It is the policy of the Glenn County Probation Department to make reasonable efforts to protect the safety of persons in custody while they are being transported.

516.3 CHIEF PROBATION OFFICER RESPONSIBILITIES

The Chief Probation Officer or authorized designee is responsible for reviewing the safety and restraint systems for all vehicles used to transport persons in custody. The review shall ensure the restraint systems comply with the law and shall determine whether they reasonably meet the needs of the Department. Safety systems should allow for transporting members to be in constant and reasonably clear audio contact with each person being transported.

516.4 TRANSPORTING MEMBER RESPONSIBILITIES

Members transporting a person in custody in a department vehicle should ensure:

- (a) All areas of the vehicle accessible to a person in custody are searched before and after each transport.
- (b) All persons in custody are searched prior to a transport.
- (c) All persons are properly restrained in the vehicle's safety restraint system in a seated position.
- (d) Any person behaving in a manner so violent or uncooperative that the person cannot or will not sit upright is considered as possibly being in need of medical aid, see the Medical Aid and Response Policy.
- (e) A periodic verbal welfare check is made with a person in custody as deemed reasonably necessary.
- (f) Transport is accomplished in a direct and timely manner.
- (g) The same consideration is shown to a person in custody as would be reasonably shown to any other passenger during transport (e.g., avoiding loud or objectionable music, rough rides, excessive heat or cold).
- (h) Persons suspected of having a communicable disease are transported in compliance with the exposure control plan.
- (i) Dispatch should be advised of:
 1. The time when a transport begins and the vehicle's mileage.

Glenn County Probation Department

Probation Manual

Transporting Persons in Custody

2. The time, vehicle's mileage, and reason for any stops.
3. The time of arrival at the destination and the vehicle's mileage.
- (j) Reasonable efforts are made to prevent inappropriate conversations between persons being transported (e.g., demeaning or insulting language) or conversations between a person being transported and someone outside the vehicle.
- (k) Sufficient visual observation and communication is maintained to determine whether a person is experiencing any stress or trauma during the transport of:
 1. Persons who were placed in any restraints beyond just handcuffs due to their violent or uncooperative behavior (see the Handcuffing and Restraints Policy).
 2. Persons wearing a spit hood.
 3. Persons who are a suspected suicide risk.
 4. Persons who are ill or injured.

516.5 PROHIBITIONS

Transporting members should not:

- (a) Transport juveniles with adults.
- (b) Transport females with males. Generally, transgender or intersex persons should be transported with persons of the gender they identify with if circumstances do not allow for single transport.
- (c) Transport persons with known hostilities toward each other together, such as mutual combatants or rival gang members.
- (d) Leave the vehicle unattended with a person in custody inside.
- (e) Leave a vehicle with its keys or an unsecured weapon inside with a person in custody in the vehicle.
- (f) Handcuff a person to any part of a vehicle.
- (g) Place a person in custody in an unreasonable risk of harm (e.g., engaging in a pursuit, responding to a high-risk incident).
- (h) Allow any person who is not in custody (i.e., friends, family) to have contact with or be in close proximity to the person in custody.
- (i) Allow any food, drink, or other consumables to be given to the person in custody by anyone other than department personnel or receiving agency personnel.

516.6 SPECIFIC TRANSPORTATION ISSUES

516.6.1 TRANSPORTING PERSONS WITH DISABILITIES

When transporting a person with a disability, a transporting member should request assistance as necessary to transport the person in a reasonable and safe manner. The transporting member

Glenn County Probation Department

Probation Manual

Transporting Persons in Custody

should ensure that any special equipment (e.g., canes, wheelchairs, prosthetics) is transported in such a manner that it not be damaged or pose a security threat.

516.6.2 TRANSPORTING ILL OR INJURED PERSONS

See the Medical Aid and Response Policy.

516.6.3 DELIVERING A PERSON IN CUSTODY TO A FACILITY

Members delivering persons to other facilities (e.g., hospital, other agency, court, jail) should:

- (a) Secure weapons in a manner mandated by the facility or in a manner that is appropriate for the facility.
- (b) Remove restraints in coordination with facility personnel.
- (c) Deliver the appropriate documentation concerning the person to facility personnel.
- (d) Notify the receiving facility of any known medical or safety issues, including whether restraints beyond handcuffs were applied due to the person's violent or uncooperative behavior.

516.6.4 LONG-DISTANCE TRANSPORTS

Absent exigent circumstances, members should only stop during long-distance transports for:

- Fuel
- Meals
- Restroom breaks

Where practicable, time-stamped receipts for purchases should be retained and all stops should be logged in a manner that includes the following:

- The time when a transport begins and the vehicle's mileage
- The time, vehicle's mileage, and reason for any stops
- The time of arrival at the destination and the vehicle's mileage

516.6.5 TRANSPORT VAN

A member trained on the safety and restraint systems of a transport van should be present during its use for transporting a person in custody. Training regarding the use of the van's safety and restraint systems shall be followed.

A member should assist persons getting into and out of the transport van to avoid falls.

516.7 TRAINING

The Training Manager should ensure that members receive training on proper procedures for transporting persons in custody.

Foot Pursuit Policy

517.1 PURPOSE AND SCOPE

This policy provides guidelines to assist deputy probation officers in making the decision to initiate or continue the pursuit of suspects on foot.

517.2 POLICY

It is the policy of this department that deputy probation officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Deputy Probation Officers are expected to act reasonably, based on the totality of the circumstances.

517.3 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Deputy Probation Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Deputy Probation Officers may be justified in initiating a foot pursuit of any individual the deputy probation officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that a deputy probation officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no deputy probation officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, a deputy probation officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.

Glenn County Probation Department

Probation Manual

Foot Pursuit Policy

- (d) Thermal imaging or other sensing technology.
- (e) Air support.
- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

517.4 GENERAL GUIDELINES

When reasonably practicable, deputy probation officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory
- (b) The deputy probation officer is acting alone.
- (c) Two or more deputy probation officers become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single deputy probation officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The deputy probation officer is unsure of his/her location and direction of travel.
- (e) The deputy probation officer is pursuing multiple suspects and it is not reasonable to believe that the deputy probation officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the deputy probation officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The deputy probation officer loses radio contact with the dispatcher or with assisting or backup deputy probation officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient deputy probation officers to provide backup and containment. The primary deputy probation officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The deputy probation officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to deputy probation officers or the public.
- (j) The deputy probation officer reasonably believes that the danger to the pursuing deputy probation officers or public outweighs the objective of immediate apprehension.
- (k) The deputy probation officer loses possession of his/her firearm or other essential equipment.

Glenn County Probation Department

Probation Manual

Foot Pursuit Policy

- (l) The deputy probation officer or a third party is injured during the pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer definitely known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.
- (o) The deputy probation officer's ability to safely continue the pursuit is impaired by inclement weather, darkness or other environmental conditions.

517.5 RESPONSIBILITIES IN FOOT PURSUITS

517.5.1 INITIATING ASSISTING DEPUTY PROBATION OFFICER RESPONSIBILITIES

Unless relieved by another deputy probation officer or a supervisor, the initiating deputy probation officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating deputy probation officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient deputy probation officers are present to safely apprehend the suspect.

Early communication of available information from the involved deputy probation officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Deputy Probation Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Deputy Probation Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any deputy probation officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the deputy probation officer will notify the dispatcher of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for deputy probation officers, suspects or members of the public.

Glenn County Probation Department

Probation Manual

Foot Pursuit Policy

517.5.2 ASSISTING DEPUTY PROBATION OFFICER RESPONSIBILITIES

Whenever any deputy probation officer announces that he/she is engaged in a foot pursuit, all other deputy probation officers should minimize non-essential radio traffic to permit the involved deputy probation officers maximum access to the radio frequency.

517.5.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need not be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing deputy probation officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

517.6 REPORTING REQUIREMENTS

The initiating deputy probation officer shall complete appropriate crime/arrest reports documenting, at minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and deputy probation officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.
 - 1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.

Assisting deputy probation officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

Foot Pursuit Policy

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating deputy probation officer need not complete a formal report.

Contacts and Temporary Detentions

518.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

518.1.1 DEFINITIONS

Definitions related to this policy include:

Consensual encounter - When a deputy probation officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the deputy probation officer is voluntary.

Field interview - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the deputy probation officer's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by deputy probation officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the deputy probation officer, the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, a deputy probation officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When a deputy probation officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when a deputy probation officer actually restrains a person's freedom of movement.

518.2 POLICY

The Glenn County Probation Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the deputy probation officer, the decision to temporarily detain a person and complete a field interview (FI), pat-down search, or field photograph shall be left to the deputy probation officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

Contacts and Temporary Detentions

518.3 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, a deputy probation officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the deputy probation officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Glenn County Probation Department to strengthen community involvement, community awareness, and problem identification.

518.3.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the deputy probation officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act
- (b) Actions suggesting that he/she is engaged in a criminal activity
- (c) Presence in an area at an inappropriate hour of the day or night
- (d) Presence in a particular area is suspicious
- (e) Carrying of suspicious objects or items
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon
- (g) Location in proximate time and place to an alleged crime
- (h) Physical description or clothing worn that matches a suspect in a recent crime
- (i) Prior criminal record or involvement in criminal activity as known by the deputy probation officer

518.4 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the deputy probation officer's training and experience, a deputy probation officer may pat a suspect's outer clothing for weapons if the deputy probation officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the deputy probation officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single deputy probation officer.
- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.

Contacts and Temporary Detentions

- (e) The actions and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.

Whenever practicable, a pat-down search should not be conducted by a lone deputy probation officer. A cover deputy probation officer should be positioned to ensure safety and should not be involved in the search.

518.5 FIELD PHOTOGRAPHS

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the deputy probation officer shall carefully consider, among other things, the factors listed below.

518.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the deputy probation officer should have the individual read and sign the appropriate form accompanying the photograph.

518.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The deputy probation officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the deputy probation officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

518.5.3 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Supervising Probation Officer with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Supervising Probation Officer should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Supervising Probation Officer will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.

Glenn County Probation Department

Probation Manual

Contacts and Temporary Detentions

- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Section.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

518.5.4 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

518.6 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, deputy probation officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, deputy probation officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by Glenn County Probation Department members.
 - 1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

Arrest or Detention of Foreign Nationals

519.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Glenn County Probation Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

519.2 POLICY

The Glenn County Probation Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

519.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.
- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.
- (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.
- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

519.4 ENFORCEMENT

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

Glenn County Probation Department

Probation Manual

Arrest or Detention of Foreign Nationals

- (a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. However, the person may not be compelled to sign the citation.
- (b) All persons, even those with a valid privilege or immunity, may be reasonably restrained in exigent circumstances for purposes of self-defense, public safety or the prevention of serious criminal acts.
- (c) An impaired foreign diplomatic or consular representative may be prevented from driving a vehicle, even if the person may not be arrested due to privileges and immunities.
 - 1. Investigations, including the request for field sobriety tests, chemical tests and any other tests regarding impaired driving may proceed but they shall not be compelled.
- (d) The following persons may not be detained or arrested, and any property or vehicle owned by these persons may not be searched or seized:
 - 1. Diplomatic-level staff of missions to international organizations and recognized family members
 - 2. Diplomatic agents and recognized family members
 - 3. Members of administrative and technical staff of a diplomatic mission and recognized family members
 - 4. Career consular officers, unless the person is the subject of a felony warrant
- (e) The following persons may generally be detained and arrested:
 - 1. International organization staff; however, some senior officers are entitled to the same treatment as diplomatic agents.
 - 2. Support staff of missions to international organizations
 - 3. Diplomatic service staff and consular employees; however, special bilateral agreements may exclude employees of certain foreign countries.
 - 4. Honorary consular officers
 - 5. Whenever a deputy probation officer arrests and incarcerates, or detains for investigation for over two hours, a person with diplomatic and consular privileges and immunities, the deputy probation officer shall promptly advise the person that he/she is entitled to have his/her government notified of the arrest or detention (Penal Code § 834c). If the individual wants his/her government notified, the deputy probation officer shall begin the notification process.

519.5 DOCUMENTATION

All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

Criminal Organizations

520.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Glenn County Probation Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

520.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

520.2 POLICY

The Glenn County Probation Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

520.3 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit to or obtain information from a criminal intelligence system unless the Chief Probation Officer has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for department use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

520.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Section. Any supporting documentation for an entry shall be retained by the Records Section in accordance

Criminal Organizations

with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Section are appropriately marked as intelligence information. The Administrative Services Officer may not purge such documents without the approval of the designated supervisor.

520.3.2 GANG DATABASES

The Chief Probation Officer may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Members must obtain the requisite training before accessing any such database (11 CCR 751.6).

It is the gang unit supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into the database. Prior to designating any person as a suspected gang member, associate or affiliate in a shared gang database; or submitting a document to the Attorney General's office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the gang unit supervisor shall provide written notice to the person and, if the person is under the age of 18, to his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor. Notice shall also describe the process to contest the designation (Penal Code § 186.34).

The person, an attorney working on his/her behalf or his/her parent or guardian (if the person is under 18 years of age) may request, in writing, information as to whether the person is designated as a suspected gang member, associate or affiliate in a shared gang database accessible by the department, the basis for that designation and the name of the agency that made the designation. The department shall respond to a valid request in writing within 30 days, and shall provide the information requested unless doing so would compromise an active investigation or compromise the health and safety of the person if he/she is under 18 years of age (Penal Code § 186.34).

The person, or his/her parent or guardian if the person is under 18 years of age, may contest the designation by submitting written documentation which shall be reviewed by the gang unit supervisor. If it is determined that the person is not a suspected gang member, associate or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the department's decision within 30 days of receipt of the written documentation contesting the designation and shall include the reason for a denial when applicable (Penal Code § 186.34).

The gang unit supervisor should forward reports or FIs to the Records Section after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.

It is the responsibility of the Records Section supervisor to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

Criminal Organizations

Records contained in a shared gang database shall not be disclosed for employment or military screening purposes, and shall not be disclosed for the purpose of enforcing federal immigration law unless required by state or federal statute or regulation (Penal Code § 186.36).

520.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

520.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible department supervisor.
- (b) Should not be originals that would ordinarily be retained by the Records Section or Property and Evidence Section, but should be copies of, or references to, retained documents such as copies of reports, FI forms, Dispatch records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

520.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

520.5 INFORMATION RECOGNITION

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.

Criminal Organizations

- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the STC Training Manager to train members to identify information that may be particularly relevant for inclusion.

520.6 RELEASE OF INFORMATION

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

520.7 REVIEW AND PURGING OF GANG PARTICIPANT FILE

The file shall be reviewed annually by the unit supervisor. Each individual file having no entry indicating law enforcement contact for the preceding year's period shall be purged from the file and disposed of in accordance with the Department purge criteria.

Exception: In the event there is a legitimate law enforcement reason to retain the information in the file, an explanation for doing so shall be entered in the file by the unit supervisor. Files that are retained beyond the one-year period shall be reviewed every six months to determine if they should be purged.

520.8 CRIMINAL STREET GANGS

The Adult/Juvenile Investigations supervisor should ensure that there are an appropriate number of department members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:
 1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).
 2. Identification of a person as a criminal street gang member and criminal street gang-related crimes.
 3. The California Street Terrorism Enforcement and Prevention Act (Penal Code § 186.21 et seq.), associated crimes and what defines a criminal street gang (Penal Code § 186.22).

Criminal Organizations

- (b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

520.9 TRAINING

The STC Training Manager should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

520.9.1 SHARED GANG DATABASE TRAINING

The STC Training Manager should ensure that members who are authorized users of a shared gang database receive the required training from the California Department of Justice (DOJ) or an instructor certified by the DOJ that includes comprehensive and standardized training on the use of shared gang databases, and any other associated training required by the Department (Penal Code § 186.36; 11 CCR 751.6).

First Amendment Assemblies

521.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

521.2 POLICY

The Glenn County Probation Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

521.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, deputy probation officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors deputy probation officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Deputy Probation Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless a deputy probation officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

Glenn County Probation Department

Probation Manual

First Amendment Assemblies

521.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

521.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding deputy probation officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to Dispatch, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

521.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

521.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.

Glenn County Probation Department

Probation Manual

First Amendment Assemblies

- Information about past and potential unlawful conduct associated with the event or similar events.
- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

521.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with County government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.

First Amendment Assemblies

- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

521.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Mutual Aid and Outside Agency Assistance Policy).

521.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

521.7 USE OF FORCE

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and Conducted Energy Devices should be considered only when the participants' conduct reasonably appears to present the

First Amendment Assemblies

potential to harm deputy probation officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

521.8 ARRESTS

The Glenn County Probation Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of deputy probation officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

521.9 MEDIA RELATIONS

The Chief Probation Officer/Deputy Chief Probation Officer should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the News Media Relations Policy).

First Amendment Assemblies

521.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

521.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, Dispatch records/tapes
- (g) Media accounts (print and broadcast media)

521.11.1 AFTER-ACTION REPORTING

The Incident Commander should work with County legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

521.12 TRAINING

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The Department should, when practicable, train with its external and mutual aid partners.

Sexual Assault Investigations

522.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Senior and Disability Victimization policies.

522.1.1 DEFINITIONS

Definitions related to this policy include:

Sexual assault - Any crime or attempted crime of a sexual nature, to include but not limited to offenses defined in Penal Code § 243.4, Penal Code § 261 et seq., and Penal Code § 285 et seq.

Sexual Assault Response Team (SART) - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

522.2 POLICY

It is the policy of the Glenn County Probation Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

522.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates and support for the victim.
- (f) Participate in or coordinate with SART.

Sexual Assault Investigations

522.4 REPORTING

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

522.5 RELEASING INFORMATION TO THE PUBLIC

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Adult/Juvenile Investigations supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

522.6 TRAINING

Subject to available resources, periodic training should be provided to:

- (a) Members who are first responders. Training should include:
 - 1. Initial response to sexual assaults.
 - 2. Legal issues.
 - 3. Victim advocacy.
 - 4. Victim's response to trauma.
 - 5. Proper use and handling of the California standardized SAFE kit (Penal Code § 13823.14).
- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
 - (a) Interviewing sexual assault victims.
 - (b) SART.
 - (c) Medical and legal aspects of sexual assault investigations.
 - (d) Serial crimes investigations.
 - (e) Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
 - (f) Techniques for communicating with victims to minimize trauma.

522.7 VICTIM INTERVIEWS

The primary considerations in sexual assault investigations, which begin with the initial call to Dispatch, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Sexual Assault Investigations

Whenever possible, a member of SART should be included in the initial victim interviews. An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (34 USC § 10451; Penal Code § 637.4).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

522.7.1 VICTIM RIGHTS

Whenever there is an alleged sexual assault, the assigned deputy probation officer shall accomplish the following:

- (a) Advise the victim in writing of the right to have a victim advocate and a support person of the victim's choosing present at any interview or contact by law enforcement, any other rights of a sexual assault victim pursuant to Penal Code § 680.2, and the right to have a person of the same or opposite gender present in the room during any interview with a law enforcement official unless no such person is reasonably available (Penal Code § 679.04).
- (b) If the victim is transported to a hospital for any medical evidentiary or physical examination, the deputy probation officer shall immediately cause the local rape victim counseling center to be notified (Penal Code § 264.2).
 - (a) The deputy probation officer shall not discourage a victim from receiving a medical evidentiary or physical examination (Penal Code § 679.04).
 - (b) A support person may be excluded from the examination by the deputy probation officer or the medical provider if his/her presence would be detrimental to the purpose of the examination (Penal Code § 264.2).

522.7.2 VICTIM CONFIDENTIALITY

Deputy Probation Officers investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim's parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting deputy probation officer shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim's parent or guardian (Penal Code § 293).

Except as authorized by law, members of this department shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

Sexual Assault Investigations

522.8 CASE REVIEW

The Adult/Juvenile Investigations supervisor should ensure case dispositions are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Chief Probation Officer.

522.9 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Adult/Juvenile Investigations supervisor.

Classification of a sexual assault case as unfounded requires the Adult/Juvenile Investigations supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

522.10 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated, or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

522.10.1 DNA TEST RESULTS

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA

databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

- (a) Upon receipt of a written request from a sexual assault victim or the victim's authorized designee, members investigating sexual assault cases shall inform the victim of the status of the DNA testing of any evidence from the victim's case (Penal Code § 680).
 - 1. Although such information may be communicated orally, the assigned deputy probation officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 - 2. Absent a written request, no member of this department is required to, but may, communicate with the victim or the victim's authorized designee regarding the status of any DNA testing.
- (b) Subject to the commitment of sufficient resources to respond to requests for information, sexual assault victims shall further have the following rights (Penal Code § 680):
 - 1. To be informed if a DNA profile of the assailant was obtained from the testing of the SAFE kit or other crime scene evidence from their case.
 - 2. To be informed if there is a match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the DOJ Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.
 - 3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the DOJ Databank of case evidence.
- (c) Provided that the sexual assault victim or the victim's authorized designee has kept the assigned deputy probation officer informed with regard to current address, telephone number, and email address (if available), any victim or the victim's authorized designee shall, upon request, be advised of any known significant changes regarding the victim's case (Penal Code § 680).
 - (a) Although such information may be communicated orally, the assigned deputy probation officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 - (b) No deputy probation officer shall be required or expected to release any information which might impede or compromise any ongoing investigation.

522.10.2 STANDARDIZED SEXUAL ASSAULT FORENSIC MEDICAL EVIDENCE KIT

The Property and Evidence Section supervisor should make California standardized sexual assault forensic medical evidence (SAFE) kits available to members who may investigate sexual assault cases. Members investigating a sexual assault should use these SAFE kits when appropriate and follow related usage guidelines issued by the California Clinical Forensic Medical Training Center (Penal Code § 13823.14).

Warrant Service

523.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by deputy probation officers.

523.2 POLICY

It is the policy of the Glenn County Probation Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

523.3 SEARCH WARRANTS

If a deputy probation officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the deputy probation officer should notify the supervisor. (see the Operations Planning and Deconfliction Policy).

The supervisor of the operation should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

523.4 ARREST WARRANTS

If a deputy probation officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the deputy probation officer should notify the supervisor (see the Operations Planning and Deconfliction Policy).

The supervisor of the operation should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

523.5 WARRANT PREPARATION

A deputy probation officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime warrant execution.

Glenn County Probation Department

Probation Manual

Warrant Service

- (b) A clear explanation of the affiant's training, experience and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched, including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the Brady Material Disclosure Policy).

523.6 HIGH-RISK WARRANT SERVICE

The authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of deputy probation officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.
- (b) The warrant service is audio- and video-recorded when practicable and reasonable to do so.
- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.
- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).

Glenn County Probation Department

Probation Manual

Warrant Service

- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

523.7 DETENTIONS DURING WARRANT SERVICE

Deputy Probation Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, deputy probation officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the deputy probation officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Deputy Probation Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

523.8 ACTIONS AFTER WARRANT SERVICE

The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

523.9 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS

The supervisor will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the supervisor. The supervisor should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The supervisor should ensure that members of the Glenn County Probation Department are utilized appropriately. Any concerns regarding the requested use of Glenn County Probation

Glenn County Probation Department

Probation Manual

Warrant Service

Department members should be brought to the attention of the Chief Probation Officer or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If deputy probation officers intend to serve a warrant outside Glenn County Probation Department jurisdiction, the supervisor should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Deputy Probation Officers will remain subject to the policies of the Glenn County Probation Department when assisting outside agencies or serving a warrant outside Glenn County Probation Department jurisdiction.

523.10 MEDIA ACCESS

No advance information regarding warrant service operations shall be released without the approval of the Chief Probation Officer. Any media inquiries or press release after the fact shall be handled in accordance with the News Media Relations Policy.

523.11 TRAINING

The STC Training Manager should ensure deputy probation officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

Eyewitness Identification

524.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques (Penal Code § 859.7).

524.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

524.2 POLICY

The Glenn County Probation Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

524.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

524.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Adult/Juvenile Investigations supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (Penal Code § 859.7):

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

Glenn County Probation Department

Probation Manual

Eyewitness Identification

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
- (k) Any other direction to meet the requirements of Penal Code § 859.7, including direction regarding blind or blinded administrations and filler selection.

The process and related forms should be reviewed at least annually and modified when necessary.

524.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and video recorded and the recording should be retained according to current evidence procedures (Penal Code § 859.7).

524.6 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS

When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness (Penal

Eyewitness Identification

Code § 859.7). Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (Penal Code § 859.7).

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

524.6.1 OTHER SAFEGUARDS

Witnesses should be asked for suspect descriptions as close in time to the incident as possible and before conducting an eyewitness identification. No information concerning a suspect should be given prior to obtaining a statement from the witness describing how certain he/she is of the identification or non-identification. Members should not say anything to a witness that may validate or invalidate an eyewitness' identification. In photographic lineups, writings or information concerning any previous arrest of a suspect shall not be visible to the witness (Penal Code § 859.7).

524.7 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 1. The length of time the witness observed the suspect.
 2. The distance between the witness and the suspect.
 3. Whether the witness could view the suspect's face.
 4. The quality of the lighting when the suspect was observed by the witness.
 5. Whether there were distracting noises or activity during the observation.
 6. Any other circumstances affecting the witness's opportunity to observe the suspect.

Eyewitness Identification

7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
 - (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
 - (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
 - (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
 - (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
 - (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

524.8 DOCUMENTATION

A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

524.8.1 DOCUMENTATION RELATED TO RECORDINGS

The handling member shall document the reason that a video recording or any other recording of an identification was not obtained (Penal Code § 859.7).

524.8.2 DOCUMENTATION RELATED TO BLIND ADMINISTRATION

If a presentation of a lineup is not conducted using blind administration, the handling member shall document the reason (Penal Code § 859.7).

Chapter 6 - Equipment

Department-Owned and Personal Property

600.1 PURPOSE AND SCOPE

This policy addresses the care of department-owned property and the role of the Department when personal property, the property of another person or entity, or department-owned property is damaged or lost.

600.2 POLICY

The Glenn County Probation Department will ensure that members are issued appropriate property and equipment necessary for the member's job function. The Department will take steps to minimize the cost associated with maintaining department property, including personal property authorized for use in the member's duties.

600.3 DEPARTMENT/AGENCY-ISSUED PROPERTY

The Chief Probation Officer or the designee should document all property and equipment issued by the Department in the appropriate file at the time of issuance. Receipt of issued items shall be acknowledged by the receiving member's signature. Upon separation from the Department, all issued property and equipment shall be returned. Documentation of the return shall be acknowledged by the signature of a supervisor.

600.3.1 MEMBER RESPONSIBILITIES

Members shall be responsible for the safekeeping, serviceable condition, proper care, proper use, and replacement of department property that has been assigned or entrusted to them.

- (a) Members shall promptly report, through their chain of command, any loss, damage to, or unserviceable condition of any department-issued property or equipment.
- (b) The use of damaged or unserviceable property should be discontinued as soon as practicable, and the item replaced with a comparable item as soon as available.
- (c) Except when otherwise directed by a supervisor or when exigent circumstances exist, department-issued property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.
- (d) Department-issued property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without prior approval.
- (e) Members should obtain a supervisor's approval before any attempt to repair damaged or unserviceable property, unless the repair is of a minor or temporary nature.

600.4 PERSONAL PROPERTY

Carrying and/or using personal property or equipment on-duty requires prior written approval by the Chief Probation Officer or appropriate Deputy Chief. The member should submit a request that includes a description of the property and the reason and length of time it will be used. Personal property of the type routinely carried by persons who are not performing law enforcement duties, and that is not a weapon, is excluded from this requirement.

Glenn County Probation Department

Probation Manual

Department-Owned and Personal Property

The Department will not replace or repair items (e.g., jewelry, expensive watches) that are not reasonably required as part of work.

600.4.1 FILING CLAIMS FOR PERSONAL PROPERTY

A member requesting reimbursement for damage to, or loss of, personal property must submit the request in writing to the member's immediate supervisor. The supervisor may require a separate written report.

Upon review by the Deputy Chief and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief Probation Officer, who will then forward the claim to the County department responsible for issuing payments.

600.5 SUPERVISOR RESPONSIBILITIES

The supervisor receiving a report that property, including personal property authorized for use, has been damaged should conduct an investigation and direct a memo to the appropriate Deputy Chief. The memo should include the result of the investigation and whether reasonable care was taken to prevent the loss, damage, or unserviceable condition.

Cases where the supervisor has reason to believe that misconduct or negligence was involved in the loss, damage, or unserviceable condition of property should be handled in accordance with the Standards of Conduct and Personnel Complaints policies.

600.6 DAMAGE TO PROPERTY OF ANOTHER PERSON OR ENTITY

A member who intentionally or unintentionally damages or causes to be damaged the real or personal property of another person or entity while performing any probation function shall promptly report the damage through the chain of command.

600.6.1 DAMAGE BY PERSONNEL OF ANOTHER AGENCY

Personnel from another agency may intentionally or unintentionally cause damage to the real or personal property of the Glenn County Probation Department or of another person while performing their duties within the jurisdiction of this department. The department member present or the member responsible for the property is responsible to report the damage as follows:

- (a) A verbal report shall be made to the member's immediate supervisor as soon as circumstances permit.
- (b) A written report shall be submitted before the member goes off-duty or as otherwise directed by the supervisor.

Personal Communication Devices

601.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless-capable tablets, and similar wireless two-way communications and/or portable internet-access devices. PCD use includes but is not limited to placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games, and accessing sites or services on the internet.

601.2 POLICY

The Glenn County Probation Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under the California Public Records Act (CPRA) (Government Code § 6250 et seq.).

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

601.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities (see the Information Technology Use Policy for additional guidance).

601.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT

No member is authorized to be the sole possessor of a department-issued PCD. Department-issued PCDs can be retrieved, reassigned, accessed, or used by any member as directed by a supervisor without notice. Member use of a department-issued PCD and use of a personal PCD at work or for work-related business constitutes specific consent for access for department purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel

Glenn County Probation Department

Probation Manual

Personal Communication Devices

to ensure access is consistent with the California Electronic Communications Privacy Act (Penal Code § 1546; Penal Code § 1546.1).

601.4 DEPARTMENT/AGENCY-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief Probation Officer or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief Probation Officer or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

601.5 PERSONALLY OWNED PCD

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used, and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of department communications). Members will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy regarding any department business-related communication.
 - 1. Members may use personally owned PCDs on-duty for routine administrative work as authorized by the Chief Probation Officer.
- (e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Department, without the express authorization of the Chief Probation Officer or the authorized designee.
- (f) Use of a personally owned PCD while at work or for work-related business constitutes consent for the Department to access the PCD to inspect and copy data to meet the needs of the Department, which may include litigation, CPRA retention and release obligations, and internal investigations. If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.

Glenn County Probation Department

Probation Manual

Personal Communication Devices

- (g) All work-related documents, emails, photographs, recordings, or other public records created or received on a member's personally owned PCD should be transferred to the Glenn County Probation Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the member has prior express authorization from a supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.

601.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD should not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.
- (b) All PCDs in the workplace should be set to silent or vibrate mode.
- (c) A PCD should not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recorded media unless it is directly related to official department business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief Probation Officer or the authorized designee, may result in discipline.
- (f) Members will not access social networking sites for any purpose that is not official department business.
- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

Glenn County Probation Department

Probation Manual

Personal Communication Devices

601.7 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
 - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
 - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief Probation Officer or the authorized designee.

601.8 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while using PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

601.9 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions, and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, members who are operating department vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. Hands-free use should be restricted to business-related calls or calls of an urgent nature (Vehicle Code § 23123; Vehicle Code § 23123.5).

Vehicle Use, Safety, and Maintenance

602.1 PURPOSE AND SCOPE

The Department utilizes motor vehicles for a variety of applications. To maintain a system of accountability and ensure that department-owned vehicles are used and maintained appropriately, regulations relating to the use and maintenance of these vehicles have been established. The term “department-owned” as used in this section also refers to any vehicle leased or rented by the Department.

602.2 POLICY

The Glenn County Probation Department provides vehicles for official business use and may assign take-home vehicles based on its determination of operational efficiency, economic impact to the Department, tactical deployments, and other considerations. The department will provide service for department vehicles to ensure they remain operational and maintain their appearance, as resources allow.

602.3 USE OF DEPARTMENT AGENCY VEHICLES

Only authorized members should operate department vehicles. Members who operate department-owned vehicles must comply with all applicable state laws and must possess a valid driver’s license endorsed for the type of vehicle operated.

Additionally, members are responsible for helping maintain department vehicles so they are properly equipped, maintained, refueled, and cleaned.

602.3.1 USE OF SAFETY BELTS

Members shall wear provided safety restraints as stated in the Safety Belts Policy.

602.3.2 VEHICLE LOCATION SYSTEM

Vehicles, at the discretion of the Chief Probation Officer, may be equipped with a system designed to track the vehicle’s location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. When members check out a vehicle, they shall verify that the system is on and report any malfunctions to their supervisor. If the member finds that the system is not functioning properly at any time during the shift, the member should exchange the vehicle for one with a working system, if available.

System data may be accessed by supervisors. However, access to historical data by individuals other than supervisors will require supervisor approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

Probation Manual

Vehicle Use, Safety, and Maintenance

602.3.3 KEYS

Members approved to operate marked vehicles should be issued a copy of the keys as part of their initial equipment distribution. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys. The loss of a key shall be promptly reported in writing through the member's chain of command.

Under no circumstances will offenders be allowed to operate a vehicle or have possession of any vehicle keys.

602.3.4 AUTHORIZED PASSENGERS

Members operating department vehicles shall not permit persons other than County personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Alongs Policy.

602.3.5 ALCOHOL

Members who have consumed alcohol are prohibited from operating any department vehicle. Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

602.3.5 PARKING

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

602.3.6 ACCESSORIES AND/OR MODIFICATIONS

There shall be no modifications, additions, or removal of any equipment or accessories without written permission from the assigned vehicle program manager.

602.3.7 CIVILIANNON-SWORN MEMBER USE

Non-sworn members using vehicles shall ensure that all weapons have been removed before going into service.

602.4 VEHICLE SECURITY

Department vehicles will be locked and the keys will be secured when not in use. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

Glenn County Probation Department

Probation Manual

Vehicle Use, Safety, and Maintenance

602.4.1 REMOVAL OF WEAPONS

All firearms, weapons, and control devices shall be removed from a vehicle and properly secured in the department armory or designated storage area prior to the vehicle being released for maintenance, service, or repair.

602.5 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES

Department vehicles may be assigned to individual members at the discretion of the Chief Probation Officer. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform the member's regular assignment.

602.5.1 ON-DUTY USE

Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Chief Probation Officer or the authorized designee.

602.5.2 UNSCHEDULED TAKE-HOME USE

Circumstances may arise where department vehicles must be used by members to commute to and from a work assignment. Members may take home department vehicles only with prior approval of a supervisor and shall meet the following criteria:

- (a) The circumstances are unplanned and were created by the needs of the Department.
- (b) Other reasonable transportation options are not available.
- (c) The member lives within a reasonable distance (generally not to exceed a 60-minute drive time) of the County limits.
- (d) Off-street parking will be available at the member's residence.
- (e) The vehicle will be locked when not attended.
- (f) All firearms, weapons, and control devices will be removed from the interior of the vehicle and properly secured in the residence when the vehicle is not attended, unless the vehicle is parked in a locked garage.

602.5.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence; the nature of the member's duties, job description, and essential functions; and the member's employment or appointment status. Residence in County is a prime consideration for assignment of a take-home vehicle. Members who reside outside the County may be required to secure the vehicle at a designated location or at the Department at the discretion of the Chief Probation Officer.

Glenn County Probation Department

Probation Manual

Vehicle Use, Safety, and Maintenance

Members are cautioned that under federal and local tax rules, personal use of a County vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or personal transportation, unless special circumstances exist and the Chief Probation Officer or authorized designee gives authorization.
- (b) Vehicles may be used to transport the member to and from the member's residence for work-related purposes.
- (c) Vehicles will not be used when off-duty except:
 - 1. In circumstances when a member has been placed on call by the Chief Probation Officer or the authorized designee and there is a high probability that member will be called back to duty.
 - 2. When the member is performing a work-related function during what normally would be an off-duty period, including vehicle maintenance or traveling to or from a work-related activity or function.
 - 3. When the member has received permission from the Chief Probation Officer or the authorized designee.
 - 4. When the vehicle is being used by the Chief Probation Officer or the authorized designee or members who are in on-call administrative positions.
 - 5. When the vehicle is being used by on-call investigators.
- (d) The two-way communications radio and global positioning satellite device, if equipped, must be on and set to an audible volume when the vehicle is in operation.
- (e) Unattended vehicles are to be locked and secured at all times.
 - 1. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., equipment charging).
 - 2. All weapons shall be secured while the vehicle is unattended.
 - 3. All department identification, portable radios, and equipment should be secured.
- (f) Vehicles are to be parked off-street at the member's residence unless prior arrangements have been made with the Chief Probation Officer or the authorized designee. If the vehicle is not secured inside a locked garage, all firearms and control devices shall be removed and properly secured in the residence (see the Firearms Policy regarding safe storage of firearms at home).
- (g) Vehicles are to be secured at the member's residence or the appropriate department facility, at the discretion of the Department, when a member will be away (e.g., on vacation) for periods exceeding one week.
 - 1. If the vehicle remains at the residence of the member, the Department shall have access to the vehicle.

Glenn County Probation Department

Probation Manual

Vehicle Use, Safety, and Maintenance

2. If the member is unable to provide access to the vehicle, it shall be parked at the Department.
 - (h) The member is responsible for the care and maintenance of the vehicle.

602.5.4 USE OF PERSONAL VEHICLES

The use of personal vehicles for official business must be approved by the Chief Probation Officer or the authorized designee.

The Chief Probation Officer or the authorized designee shall verify that the personal vehicle meets the state's insurance requirements. A copy of the insurance card shall be retained in the vehicle and in a department file. All policies and procedures applicable to department vehicles shall apply to the personal vehicle while it is being used for official business.

602.6 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.
- (b) It is the member's responsibility to ensure the assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department supervisor in charge of vehicle maintenance.
- (d) The Department shall be notified of problems with the vehicle and approve any major repairs before they are performed.
- (e) When leaving the vehicle at the maintenance facility, the member will complete a vehicle repair card, explaining the service or repair, and leave it on the seat or dash.
- (f) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

602.6.1 VEHICLE INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

Glenn County Probation Department

Probation Manual

Vehicle Use, Safety, and Maintenance

When transporting any offender, the transporting member shall search all areas of the vehicle that are accessible by the offender before and after that person is transported.

All department-owned vehicles are subject to inspection and/or search at any time by a supervisor. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or any of its contents, regardless of who owns the contents.

602.6.2 VEHICLE SAFETY REPAIRS

Anyone authorized to drive department vehicles is responsible for inspecting the interior and exterior of any assigned vehicle before placing the vehicle into service and again at the conclusion of the shift. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

Vehicles that are deemed as unsafe shall not be used until necessary repairs are made. The written request for repairs shall be submitted before the operator checks out a replacement vehicle. The supervisor or the authorized designee shall monitor the maintenance requests and ensure that the necessary repairs are made before the vehicle is placed back into service.

All vehicles owned, leased, or used by this department shall be inspected annually by a qualified individual. Inspection reports will be forwarded to and maintained by the supervisor.

602.7 TOLL ROAD USAGE

Probation vehicles are not routinely exempt from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating department vehicles on a toll road shall adhere to the following:

- (a) Members operating department vehicles for any reason other than in response to an emergency shall pay the appropriate toll charge or utilize the appropriate tollway transponder. Members may submit for reimbursement from the County for any toll fees incurred in the course of official business.
- (b) Members passing through a toll plaza or booth during a response to an emergency shall notify, in writing, the appropriate supervisor within five working days explaining the circumstances.

The appropriate local law enforcement agency shall be summoned to conduct an investigation. A traffic accident report shall be filed with the agency having jurisdiction. The member shall complete this department's vehicle accident form.

If the member is incapable of completing the vehicle accident form, a supervisor shall complete the form.

An administrative investigation should be conducted to determine if the member acted within policy.

Vehicle Use, Safety, and Maintenance

602.8 ATTIRE AND APPEARANCE

When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever a member is in public view or has contact with the public, the member's attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.

Traffic Accident Review Board

603.1 PURPOSE AND SCOPE

This policy establishes a process for the Glenn County Probation Department to review motor vehicle accidents involving members driving department vehicles or other vehicles when the member is operating in an official capacity.

This review process shall be in addition to any other review or investigation that may be conducted by any outside agency having jurisdiction over the accident investigation.

603.2 POLICY

It is the policy of the Glenn County Probation Department to objectively evaluate motor vehicle accidents involving members working in an official capacity to ensure that the operation of the vehicle was consistent with department training and policy.

603.3 ADMINISTRATIVE ASSIGNMENT

Generally, whenever a member's actions in an official capacity, or while using department equipment, results in death or very serious injury to another, that member will be placed in a temporary administrative assignment pending an administrative review. The Chief Probation Officer or the authorized designee may exercise discretion and alter the duration or choose not to place a member in an administrative assignment.

Personal Protective Equipment

604.1 PURPOSE AND SCOPE

This policy identifies the different types of personal protective equipment (PPE) provided by the Department as well as the requirements and guidelines for the use of PPE.

This policy does not address ballistic vests or protection from communicable disease, as those issues are addressed in the Body Armor and Communicable Diseases policies.

604.1.1 DEFINITIONS

Definitions related to this policy include:

Disposable particulate mask - A class of disposable respirators approved by the Food and Drug Administration (FDA) and the National Institute for Occupational Safety and Health (NIOSH) as suitable for use where fluid or particulate resistance is a priority. Examples are N95 and N100 masks.

Personal protective equipment (PPE) - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical, or other workplace hazards.

Respiratory PPE - Any device that is worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or the presence of toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

604.2 POLICY

The Glenn County Probation Department endeavors to protect members by supplying certain PPE to members as provided in this policy.

604.3 OFFICER/AGENT RESPONSIBILITIES

Members are required to use PPE as provided in this policy and pursuant to their training.

Members are responsible for proper maintenance and storage of issued PPE. PPE should be stored in an appropriate location so that it is available when needed.

Any member who identifies hazards in the workplace is encouraged to utilize the procedures in the Illness and Injury Prevention Policy to recommend new or improved PPE or additional needs for PPE.

604.4 HEARING PROTECTION

Approved hearing protection shall be used by members during firearms training.

Hearing protection shall meet or exceed the requirements provided in 8 CCR 5098.

Personal Protective Equipment

604.5 EYE PROTECTION

Approved eye protection, including side protection, shall be used by members during firearms training or during situations in which eye protection may be warranted (e.g., cleaning areas where bloodborne pathogens were spilled, urine sample collections with offenders). Eye protection for members who wear prescription lenses shall incorporate the prescription (e.g., eye protection that can be worn over prescription lenses). Members shall ensure their eye protection does not interfere with the fit of their hearing protection.

The Rangemaster shall ensure eye protection meets or exceeds the requirements provided in 8 CCR 3382.

604.6 RESPIRATORY PROTECTION

The Chief Probation Officer or the authorized designee is responsible for ensuring a respiratory protection plan is developed and maintained by a trained and qualified member. The plan shall include procedures for (8 CCR 5144):

- (a) Selecting appropriate respiratory PPE based on hazards and risks associated with functions or positions.
- (b) Fit testing, including identification of members or contractors qualified to conduct fit testing.
- (c) Medical evaluations.
- (d) PPE inventory control.
- (e) PPE issuance and replacement.
- (f) Cleaning, disinfecting, storing, inspecting, repairing, discarding, and otherwise maintaining respiratory PPE, including schedules for these activities.
- (g) Regularly reviewing the PPE plan.
- (h) Remaining current with applicable National Institute for Occupational Safety and Health (NIOSH), American National Standards Institute (ANSI), Occupational Safety and Health Administration (OSHA), Environmental Protective Agency (EPA), and state PPE standards and guidelines.

604.6.1 RESPIRATORY PROTECTION USE

Disposable particulate masks should only be used to protect the member from particulate contaminants and are not suitable in an oxygen-deficient atmosphere or where an unsafe level of gases or fumes exists. See also the Communicable Diseases Policy.

Designated members may be issued respiratory PPE based on the member's assignment (e.g., narcotics task force).

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Glenn County Probation Department

Probation Manual

Personal Protective Equipment

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (8 CCR 5144):

- (a) The member's face and respirator facepiece need to be washed to prevent eye or skin irritation associated with respirator use.
- (b) The member detects vapor or gas breakthrough, a change in breathing resistance, or leakage of the facepiece.
- (c) The member needs to replace the respirator, filter, cartridge, or canister.

604.6.2 MEMBER RESPONSIBILITIES FOR RESPIRATORY PROTECTION

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators, or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke, or vapors shall use respiratory PPE.

Members using respiratory PPE shall (8 CCR 5144):

- (a) Ensure that they have no facial hair between the sealing surface of the facepiece and the face that could interfere with the seal or the valve function. Members also shall ensure that they have no other condition that will interfere with the face-to-facepiece seal or the valve function.
- (b) Not wear corrective glasses, goggles, or other PPE that interferes with the seal of the facepiece to the face, or that has not been previously tested for use with that respiratory equipment.
- (c) Perform a user seal check per department-approved procedures recommended by the respirator manufacturer each time they put on a tight-fitting respirator.
- (d) Leave a respiratory use area whenever they detect vapor or gas breakthrough, changes in breathing resistance, or leakage of their facepiece and ensure that the respirator is replaced or repaired before returning to the affected area.

604.6.3 SELF-CONTAINED BREATHING APPARATUS

Scene commanders may direct members to use SCBA when entering an atmosphere that may pose an immediate threat to life, would cause irreversible adverse health effects, or would impair an individual's ability to escape from a dangerous atmosphere. These situations may include but are not limited to:

- (a) Entering the hot zone of a hazardous materials incident.
- (b) Entering any area where contaminant levels may become unsafe without warning, or any situation where exposures cannot be identified or reasonably estimated.
- (c) Entering a smoke- or chemical-filled area.

Glenn County Probation Department

Probation Manual

Personal Protective Equipment

The use of SCBA should not cease until approved by a scene commander.

604.6.4 RESPIRATOR FIT TESTING

No member shall be issued respiratory PPE until proper fit testing has been completed by a designated member or contractor (8 CCR 5144).

Body Armor

605.1 PURPOSE AND SCOPE

The purpose of this policy is to provide officers with guidelines for the proper use of body armor.

605.2 POLICY

It is the policy of the Glenn County Probation Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

605.3 ISSUANCE

The Rangemaster shall ensure that body armor is issued to all officers and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

Body armor shall be issued when an officer begins service at the Glenn County Probation Department and shall be replaced when the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

The Chief Probation Officer may authorize issuing body armor to uniformed, non-sworn members whose jobs may make wearing of body armor advisable.

605.3.1 USE

Generally, the required use of body armor is subject to the following:

- (a) Members shall only wear department-approved body armor.
- (b) Members shall wear body armor any time they are in a situation where they could reasonably be expected to take enforcement action, including but not limited to when they are participating in field supervision activities.
- (c) Members shall wear body armor when working in uniform or taking part in department range training.
- (d) Members are not required to wear body armor when they are functioning primarily in an administrative or support capacity and would not reasonably be expected to take enforcement action.
- (e) Officers may be excused from wearing body armor when they are involved in undercover or plainclothes work that their supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.
 1. In those instances when body armor is not worn, officers should have reasonable access to their body armor.

605.3.2 INSPECTION

Supervisors should ensure through routine observation and periodic documented inspections that body armor is worn and maintained in accordance with this policy.

Glenn County Probation Department

Probation Manual

Body Armor

Annual inspections of body armor should be conducted by a person trained to perform the inspection for fit, cleanliness, and signs of damage, abuse, and wear.

605.3.3 CARE AND MAINTENANCE

The required care and maintenance of body armor is subject to the following:

- (a) Members are responsible for inspecting their body armor for signs of damage, wear, and cleanliness at the start of each shift.
 - 1. Unserviceable body armor shall be reported to the supervisor.
- (b) Members are responsible for the proper storage of their body armor.
 - 1. Body armor should not be stored for an extended period of time in an area where environmental conditions (e.g., temperature, light, humidity) could potentially degrade its effectiveness.
- (c) Members are responsible for the care and cleaning of their body armor pursuant to the manufacturer's care instructions.
 - 1. Body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer.
 - 2. Failure to follow manufacturer's care instructions may damage the ballistic performance capabilities of the body armor. If care instructions for the body armor cannot be located, the manufacturer should be contacted to request the instructions.
- (d) Body armor should be replaced in accordance with the manufacturer's recommended replacement schedule, or when its effectiveness or functionality has been compromised.

605.4 FIREARMS INSTRUCTOR RESPONSIBILITIES

The responsibilities of the Rangemaster include but are not limited to:

- (a) Monitoring technological advances in the body armor industry for any appropriate changes to department-approved body armor.

Inspections and audits shall be conducted by a member of this department who is not routinely or directly connected with the property operations.

Whenever there is a change of assignment for any member with authorized access to the stored property, an inventory of all property shall be conducted by a person who is not associated with the stored property, or its function. This is to ensure that all property is accounted for and the records are correct.

Any department member who receives a request for any records shall route the request to the Records Manager or authorized designee.

701.4.1 REQUESTS FOR PUBLIC RECORDS

The processing of requests for public records is subject to the following (Government Code § 6253):

- (a) The Department is not required to create records that do not exist.
- (b) When a record contains material with release restrictions and material that is not subject to release restrictions, the restricted material shall be redacted and the unrestricted material released.
 - 1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions.
 - 2. If the record is an audio or video recording, a copy of the redacted audio/video recording release should be maintained in the department-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.
- (c) Either the requested record or the reason for nondisclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If more time is needed, an extension of up to 14 additional days may be authorized by the Records Manager or the authorized designee. If an extension is authorized, the Department shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.
 - 1. When the request does not reasonably describe the records sought, the Records Manager shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request, including providing assistance for overcoming any practical basis for denying access to the records or information. The Records Manager shall also assist in describing the information and technology and physical location in which the record exists (Government Code § 6253.1).

701.4.2 DENIALS

The denial of a request for public records is subject to the following:

- (a) If a record request is denied in whole or part, the requester shall be provided a written response that includes the statutory exemption for withholding the record or facts that the public interest served by nondisclosure outweighs the interest served by disclosure (Government Code § 6255).
- (b) The written response to the denial shall include the names, titles, or positions of each person responsible for the denial (Government Code § 6253).

701.4.3 RELEASE RESTRICTIONS

Examples of release restrictions include (except where allowed by law or court order):

- (a) Offender records, including offender classification, disciplinary records, pre-sentence or disposition reports, supervision reports, and progress reports.

701.5 SUBPOENAS AND DISCOVERY REQUESTS

Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Records Manager for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested information.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the appropriate prosecutor or the courts.

Glenn County Probation Department

Probation Manual

Records Maintenance and Release

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

701.6 RELEASED RECORDS TO BE MARKED

Each page of any written record released pursuant to this policy should be stamped in a colored ink or otherwise marked to indicate the department name and to whom the record was released.

Each audio/video recording released should include the department name and to whom the record was released.

701.7 SECURITY BREACHES

Members who become aware that any Glenn County Probation Department system containing personal information may have been breached should notify the Records Manager as soon as practicable.

The Records Manager shall ensure notice is given anytime there is a reasonable belief an unauthorized person has acquired either unencrypted personal identifying information or encrypted personal information along with the encryption key or security credential stored in any department information system (Civil Code § 1798.29).

Notice shall be given as soon as reasonably practicable to all individuals whose information may have been acquired. The notification may be delayed if the Department determines that notification will impede a criminal investigation or any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system (Civil Code § 1798.29).

If a single breach requires the Department to notify more than 500 California residents, the Department shall electronically submit a sample copy of the notification, excluding any personally identifiable information, to the California Attorney General (Civil Code § 1798.29).

For the purposes of the notice requirement, personal information includes an individual's first name or first initial and last name in combination with any one or more of the following data elements, when either the name or the data elements are not encrypted:

- (a) Social Security number
- (b) Driver's license number, California identification card number, tax identification number, passport number, military identification number, or other unique identification number issued on a government document commonly used to verify the identity of a specific individual
- (c) Full account number, credit or debit card number, or any required security code, access code, or password that would permit access to an individual's financial account
- (d) Medical information
- (e) Health insurance information

Glenn County Probation Department

Probation Manual

Records Maintenance and Release

- (f) A username or email address along with a password, code, or phrase that, in combination, would allow access to an online account
- (g) Unique biometric data
- (h) Genetic data

If the breach reasonably appears to have been made to protected information covered in the Protected Information Policy, the Records Manager should promptly notify the appropriate member designated to oversee the security of protected information (see the Protected Information Policy).

701.8 SEALED RECORD ORDERS

Sealed record orders received by the Department shall be reviewed for appropriate action by the Records Manager and, if appropriate, the member assigned to supervision of the offender.

The Records Manager shall seal such records as ordered by the court. Once a record is sealed, members shall respond to any inquiry as though the record did not exist (Penal Code § 851.8; Welfare and Institutions Code § 781; Welfare and Institutions Code § 786; Welfare and Institutions Code § 786.5).

701.8.1 SEALED JUVENILE ARREST RECORDS

The Records Manager shall seal the arrest and other records in department custody relating to a juvenile's arrest and referral and participation in a diversion or supervision program as provided by Welfare and Institutions Code § 786.5.

The Records Manager should ensure that an arresting law enforcement agency is notified to seal any arrest records required by Welfare and Institutions Code § 786.5. Within 30 days of receipt of notification from the arresting law enforcement agency that the records have been sealed, the Records Manager should ensure that the involved minor receives written notification that their records have been sealed. If the records are not sealed, written notice shall inform the minor of their ability to petition the court directly to seal their arrest and other related records (Welfare and Institutions Code § 786.5).

701.9 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS

Video and audio recordings related to critical incidents shall be released pursuant to a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 6254(f)(4)).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by any officer, or depicts an incident in which the use of force by any officer against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 6254(f)(4)).

The Records Manager should work as appropriate with the Chief Probation Officer or the Internal Affairs Agency supervisor in determining what recordings may qualify for disclosure when a

Glenn County Probation Department

Probation Manual

Records Maintenance and Release

request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

701.9.1 DELAY OF RELEASE

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source. Disclosure may be delayed up to 45 days from the date the Department knew or reasonably should have known about the incident. After the initial 45 days and up to one year, delayed disclosure may continue if the Department demonstrates substantial interference with the investigation. Any delayed disclosure longer than one year must be supported by clear and convincing evidence (Government Code § 6254(f)(4)).

701.9.2 NOTICE OF DELAY OF RELEASE

When there is justification to delay disclosure of a recording, the Records Manager shall provide written notice to the requester as follows (Government Code § 6254(f)(4)):

- (a) During the initial 45 days, the Records Manager shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.
- (b) When delay is continued after the initial 45 days, the Records Manager shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Records Manager should work with the Chief Probation Officer in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

701.9.3 REDACTION

If the Records Manager, in consultation with the Chief Probation Officer or the authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the Department should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 6254(f)(4)).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Records Manager shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 6254(f)(4)).

Glenn County Probation Department

Probation Manual

Records Maintenance and Release

701.9.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE

If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the Department may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 6254(f)(4)):

- (a) The person in the recording whose privacy is to be protected, or the authorized representative.
- (b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.
- (c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the Department determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Records Manager shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 6254(f)(4)).

The Department may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 6254(f)(4)(A)).

Protected Information

702.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release, and security of protected information by members of the Glenn County Probation Department. This policy addresses the protected information used in the day-to-day operation of the Department and not the public records information covered in the Records Maintenance and Release Policy.

702.1.1 DEFINITIONS

Definitions related to this policy include:

Protected Information

702.4 ACCESS TO PROTECTED INFORMATION

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Glenn County Probation Department policy, or training. Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

702.4.1 PENALTIES FOR MISUSE OF RECORDS

It is a misdemeanor to furnish, buy, receive, or possess Department of Justice criminal history information without authorization by law (Penal Code § 11143).

Authorized persons or agencies violating state regulations regarding the security of Criminal Offender Record Information (CORI) maintained by the California Department of Justice may lose direct access to CORI (11 CCR 702).

702.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Records Manager for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from law enforcement agencies who are assisting in an investigation or conducting a related investigation. Any such information should be released through the Administrative Services Officer to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

702.5.1 TRANSMISSION GUIDELINES

Protected information, such as restricted Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should not be transmitted via unencrypted radio. When circumstances reasonably indicate that the immediate safety of officers, other department members, or the public is at risk, only summary information may be transmitted.

In cases where the transmission of protected information, other than CJI and CHRI, is necessary to accomplish a legitimate law enforcement purpose, and utilization of an encrypted radio channel is infeasible, a xxx or department-issued cellular telephone should be utilized when practicable. If neither are available, unencrypted radio transmissions shall be subject to the following:

- Elements of protected information should be broken up into multiple transmissions, to minimally separate an individual's combined last name and any identifying number associated with the individual, from either first name or first initial.

702.6.1 MEMBER RESPONSIBILITIES

Members accessing or receiving protected information shall ensure the information is not accessed or received by persons not authorized to access or receive it. This includes leaving protected information, such as documents or computer databases, accessible to others when it is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or desk, in or on an unattended vehicle, in an unlocked desk drawer or file cabinet, on an unattended computer terminal).

702.7 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit to, or obtain information from a criminal intelligence system unless the Chief Probation Officer has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for supervising the use of any criminal intelligence system by members. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.

If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Manager. Any supporting documentation for an entry shall be retained by the Records Manager in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Manager are appropriately marked as intelligence information. The Records Manager may not purge such documents without the approval of the designated supervisor.

702.7.2 SHARED GANG DATABASE

Any shared gang database shall be accessed and maintained in accordance with state and federal law, guidelines, and regulations (Penal Code § 186.36).

Chapter 8 - Personnel

Recruitment and Selection

800.1 PURPOSE AND SCOPE

This policy supplements the rules that govern employment practices for the Glenn County Probation Department and that are promulgated and maintained by Personnel Department.

800.2 POLICY

In accordance with applicable federal, state, and local law, the Glenn County Probation Department provides equal opportunities for applicants and employees regardless of actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law. The Department does not show partiality or grant any special status to any applicant, employee, or group of employees unless otherwise required by law.

The Department will recruit and hire only those individuals who demonstrate a commitment to service and who possess the traits and characteristics that reflect personal integrity and high ethical standards.

800.3 RECRUITMENT

The Administrative Deputy Chief should employ a comprehensive recruitment and selection strategy to recruit and select employees from a qualified and diverse pool of candidates.

The strategy should include:

- (a) Identification of racially and culturally diverse target markets.
- (b) Use of marketing strategies to target diverse applicant pools.
- (c) Expanded use of technology and maintenance of a strong internet presence. This may include an interactive department website and the use of department-managed social networking sites, if resources permit.
- (d) Expanded outreach through partnerships with media, community groups, citizen academies, local colleges, universities, and the military.
- (e) Employee referral and recruitment incentive programs.
- (f) Consideration of shared or collaborative regional testing processes.

The Administrative Deputy Chief shall avoid advertising, recruiting, and screening practices that tend to stereotype, focus on homogeneous applicant pools, or screen applicants in a discriminatory manner.

The Department should strive to facilitate and expedite the screening and testing process and should periodically inform each candidate of the candidate's status in the recruiting process.

Recruitment and Selection

800.4 SELECTION PROCESS

The Department shall actively strive to identify a diverse group of candidates that have in some manner distinguished themselves as being outstanding prospects. - (a) A comprehensive application for employment (including previous employment, references, current and prior addresses, education, military record).

- (e) Information obtained from public internet sites.
- (f) Financial history consistent with the Fair Credit Reporting Act (FCRA) (15 USC § 1681 et seq.).
- (g) Local, state, and federal criminal history record checks.

800.5.1 NOTICES

Background investigators shall ensure that investigations are conducted and notices provided in accordance with the requirements of the FCRA and the California Investigative Consumer Reporting Agencies Act (15 USC § 1681d; Civil Code § 1786.16).

800.5.3 REVIEW OF SOCIAL MEDIA SITES

Due to the potential for accessing unsubstantiated, private, or protected information, the Administrative Deputy Chief shall not require candidates to provide passwords, account information, or access to password-protected social media accounts (Labor Code § 980).

The Administrative Deputy Chief should consider utilizing the services of an appropriately trained and experienced third party to conduct open-source, internet-based searches and/or review information from social media sites to ensure that:

The background report and all supporting documentation shall be maintained in accordance with the established records retention schedule.

800.5.5 DOCUMENTING AND REPORTING

The report shall not include any information that is prohibited from use, including that from social media sites, in making employment decisions. The report and all supporting documentation shall be included in the candidate's background investigation file (11 CCR 1953).

800.6 DISQUALIFICATION GUIDELINES

As a general rule, performance indicators, candidate information, and records shall be evaluated by considering the candidate as a whole and taking into consideration the following:

- Age at the time the behavior occurred
- Passage of time
- Patterns of past behavior
- Severity of behavior
- Probable consequences if past behavior is repeated or made public

800.7 EMPLOYMENT STANDARDS

All candidates shall meet the minimum standards required by state law. Candidates will be evaluated based on merit, ability, competence, and experience, in accordance with the high standards of integrity and ethics valued by the Department and the community (Government Code § 1029; Government Code § 1031; 15 CCR 131).

Validated, job-related, and nondiscriminatory employment standards shall be established for each job classification and shall minimally identify the training, abilities, knowledge and skills required to perform the position's essential duties in a satisfactory manner. Each standard should include performance indicators for candidate evaluation. The Personnel Department should maintain validated standards for all positions.

Standards of Conduct

801.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Glenn County Probation Department and are expected of all department members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions, but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this department or a member's supervisors.

801.2 POLICY

The continued employment or appointment of every member of this department shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

801.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

801.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law, or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that conflicts with a previous lawful order, department policy, or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict will not be held accountable for disobedience of the lawful order or directive that was initially issued.

Glenn County Probation Department

Probation Manual

Standards of Conduct

The person countermanning the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

- (a) Failing to be reasonably aware of the performance of their subordinates or to provide appropriate guidance and control.
- (b) Failing to promptly and fully report any known misconduct of a member to the immediate supervisor or to document such misconduct appropriately or as required by policy.
- (c) Directing a subordinate to violate a policy or directive, acquiescing to such a violation, or exhibiting indifference to such a violation.
- (d) Exercising unequal or disparate authority toward any member for malicious or other improper purpose.

801.4 GENERAL STANDARDS

Members shall conduct themselves, whether on- or off-duty, in accordance with the United States and California constitutions and all applicable laws, ordinances, and rules enacted or established pursuant to legal authority.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

Discipline may be initiated for any good cause. It is not mandatory that a specific policy or rule violation be cited to sustain discipline. This policy is not intended to cover every possible type of misconduct.

801.5 CAUSES FOR DISCIPLINE

The following are illustrative of causes for disciplinary action. This list is not intended to cover every possible type of misconduct and does not preclude the recommendation of disciplinary action for violation of other rules, standards, ethics, and specific action or inaction that is detrimental to efficient department service.

801.5.1 LAWS, RULES, AND ORDERS

- (a) Violation of, or ordering or instructing a subordinate to violate, any policy, procedure, rule, order, directive, or requirement, or failure to follow instructions contained in department or County manuals.

Performance Evaluations

802.1 PURPOSE AND SCOPE

This policy provides guidelines for the Glenn County Probation Department performance evaluation system.

802.2 POLICY

The Glenn County Probation Department shall use a performance evaluation system to measure, document, and recognize work performance. The performance evaluation will serve as an objective guide for the recognition of good work and the development of a process for improvement.

The Department evaluates employees in a nondiscriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

802.3 TYPES OF EVALUATIONS

The Department shall use the following types of evaluations:

Regular - An evaluation completed at regular intervals by the employee's immediate supervisor. Employees who have been promoted should be evaluated as established by the Personnel Department or, minimally, on the anniversary of the last promotion.

When an employee transfers to a different assignment in the middle of an evaluation period, and fewer than six months has transpired since the transfer, the evaluation should be completed by the current supervisor with input from the previous supervisor.

Special - An evaluation that may be completed at any time the supervisor and Deputy Chief or the authorized designee determine an evaluation is necessary to address less than standard performance. The evaluation may include a plan for follow-up action (e.g., performance improvement plan (PIP), remedial training, retraining).

802.3.1 RATINGS

When completing an evaluation, the supervisor will identify the rating category that best describes the employee's performance. The definition of each rating category is as follows:

Excellent - Outstanding performance. This rating may be given only to the employee whose performance is considerably better than expected of a fully competent employee. It is given for accomplishment rather than effort. This rating is to be used sparingly and only where it can be logically and factually substantiated.

Glenn County Probation Department

Probation Manual

Performance Evaluations

Good - Total work performance is above the standards of performance required for the position and is consistently well above the standard expected of the thoroughly competent worker in that job.

Satisfactory - Typically satisfactory performance. The standards expected of an efficient, fully competent employee in the same class after an appropriate period of training. As an overall rating this evaluation may be assigned even though the employee needs to improve in some aspect of his or her performance.

Improvement Needed - Improvement needed for the work performance to be fully satisfactory, added effort with additional training or experience probably will bring the performance up to standard.

Unsatisfactory - Work performance is inadequate and definitely inferior to the standard of performance required for the position.

Over-All Rating - The over-all rating should be consistent with the factor rating, but there is no prescribed formula for computing it. Individual factors may be of greater or less performance to different jobs.

Supervisor comments may be included in the evaluation to document the employee's strengths, weaknesses, and requirements for improvement. Any job dimension rating marked as unsatisfactory or excellent shall be substantiated with supervisor comments.

802.3.2 PERFORMANCE IMPROVEMENT PLAN

Employees who receive an unsatisfactory rating may be subject to a PIP. The PIP shall delineate areas that need improvement, any improvement measures, and a timetable in which to demonstrate improvement. The issuing supervisor shall meet with the employee to review the employee's performance and the status of the PIP at least monthly.

802.4 EVALUATION PROCESS

Supervisors should meet with the employees they supervise at the beginning of the evaluation period to discuss expectations and establish performance standards. Each supervisor should discuss the tasks of the position, standards of expected performance, and the evaluation criteria with each employee.

Performance evaluations cover a specific period and should be based on documented performance dimensions that are applicable to the duties and authorities granted to the employee during that period. Evaluations should be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the evaluating supervisor for input.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise and to acknowledge good work. Periodic discussions with the employee during the

Performance Evaluations

course of the evaluation period are encouraged. Supervisors should document all discussions in the prescribed manner.

Non-probationary employees demonstrating substandard performance shall be notified in writing as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days' written notice prior to the end of the evaluation period.

All supervisors shall receive training on performance evaluations within one year of a supervisory appointment.

802.5 EVALUATION FREQUENCY

Supervisors should ensure that all employees they supervise are evaluated at least once every year on the anniversary of the employee's date of appointment or hire.

Those employees who are required to successfully complete a probationary period should be evaluated quarterly.

802.6 EVALUATION INTERVIEW

When the supervisor has completed the employee's evaluation, a private discussion of the evaluation should be scheduled with the employee. The supervisor should discuss the evaluation ratings and respond to any questions the employee may have. The supervisor should provide relevant counseling regarding advancement, specialty positions, and training opportunities. Any performance areas in need of improvement and goals for reaching the expected level of performance should be identified and discussed. If the employee has reasonable objections to any of the ratings, the supervisor may make appropriate adjustments to the evaluation. The reason for such adjustments shall be documented.

Employees may write comments in an identified section of the evaluation. The supervisor and employee will sign and date the evaluation.

802.6.1 DISCRIMINATORY HARASSMENT FORM

At the time of each employee's annual evaluation, the supervisor shall provide access to and require the employee to read the County harassment and discrimination policies. The supervisor shall give the employee a form to be completed and returned that acknowledges the following:

- (a) The employee understands the harassment and discrimination policies.
- (b) The employee has had all questions regarding the policies sufficiently addressed.
- (c) The employee knows how to report alleged harassment and discrimination policy violations.
- (d) Whether the employee has been the subject of, or witness to, any unreported conduct that may violate the discrimination or harassment policies.

The completed form should be returned to the supervisor (or other authorized individual if the employee is uncomfortable returning the form to the presenting supervisor) within one week. If the

employee has expressed any questions or concerns, the receiving supervisor or other authorized individual shall ensure that appropriate follow-up action is taken.

802.7 APPEAL

An employee who disagrees with the evaluation may provide a formal written response that will be attached to the evaluation, or may request an appeal.

To request an appeal, the employee shall forward a written memorandum within three days to the evaluating supervisor's Deputy Chief or the authorized designee. The memorandum shall identify the specific basis for the appeal and include any relevant information for the reviewer to consider.

802.8 CHAIN OF REVIEW

The signed performance evaluation and any employee attachment should be forwarded to the evaluating supervisor's Deputy Chief or the authorized designee. The Deputy Chief or the authorized designee shall review the evaluation for fairness, impartiality, uniformity, and consistency, and shall consider any written response or appeal made by the employee.

The Deputy Chief or the authorized designee should evaluate the supervisor on the quality of ratings given.

802.9 RETENTION AND DISTRIBUTION

The original performance evaluation and any original correspondence related to an appeal shall be maintained by the Department in accordance with the Personnel Records Policy.

A copy of the evaluation and any documentation of a related appeal shall be provided to the employee and also forwarded to the County Personnel Department.

Grievances

804.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the Glenn County Probation Department grievance system. The grievance system is intended to facilitate communication and to promptly and equitably address employee grievances in the workplace.

804.1.1 GRIEVANCE DEFINED

A grievance is a difference of opinion or dispute regarding the meaning, interpretation, or application of any of the following:

- The collective bargaining agreement or memorandum of understanding
- This Policy Manual
- Rules and regulations governing personnel practices or working conditions
- Workplace issues that do not amount to misconduct under the Personnel Complaints Policy, such as fraud, waste, abuse of authority, gross mismanagement, or any inappropriate conduct or practices, including violations that may threaten the health, safety, or well-being of members

Specifically outside the category of grievances are complaints related to allegations of discrimination or harassment subject to the Discriminatory Harassment Policy. Also outside the category of grievances are personnel complaints regarding any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy or federal, state, or local law, as set forth in the Personnel Complaints Policy.

804.2 POLICY

It is the policy of the Glenn County Probation Department to provide a just and equitable system for the prompt handling of employee grievances without discrimination, coercion, restraint, or retaliation against any employee who submits or is otherwise involved in a grievance.

804.3 PROCESS

Grievances may be brought by an individual employee or by an employee group representative. Employees may have representation during the grievance process.

Except as otherwise required under a collective bargaining agreement or memorandum of understanding, if an employee comes to believe behavior constituting a grievance as defined above may have occurred, the employee shall:

- (a) Attempt to resolve the issue through informal discussion with the employee's immediate supervisor.
- (b) If after a reasonable amount of time, generally seven days, the grievance cannot be settled by the immediate supervisor, the employee may request an interview with the appropriate Deputy Chief.

 - (d) The remedy or goal being sought by the grievance.

804.5 POLICY OR TRAINING IMPLICATIONS

If an employee who participates in the grievance review process identifies any issue that may warrant an immediate revision to this Policy Manual, a procedural change, or an immediate training need, the employee should promptly notify the Chief Probation Officer in the memorandum.

Anti-Retaliation

805.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement, or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety, or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, state and local law, ordinance, or memorandum of understanding or contract.

805.2 POLICY

The Glenn County Probation Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

805.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory, or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.
- Taking unwarranted disciplinary action.
- Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- Shunning or unreasonably avoiding a person because the person has engaged in protected activity.

Glenn County Probation Department

Probation Manual

Anti-Retaliation

805.3.1 RETALIATION PROHIBITED FOR REPORTING VIOLATIONS

An officer shall not be retaliated against for reporting a suspected violation of a law or regulation of another officer to a supervisor or other person in the Glenn County Probation Department who has the authority to investigate the violation (Government Code § 7286(b)).

805.4 COMPLAINTS OF RETALIATION

Any member who has been retaliated against in violation of this policy should promptly report the matter to any supervisor, any command staff member, the Chief Probation Officer or the County Personnel Department.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false or with willful or reckless disregard for the truth or falsity of the information, or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member are part of the investigative process.

805.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring complaints of retaliation are investigated as provided in the Personnel Complaints Policy.
- (b) Receiving all complaints in a fair and impartial manner.
- (c) Documenting the complaint and any steps taken to resolve the problem.
- (d) Acknowledging receipt of the complaint, notifying the Chief Probation Officer via the chain of command, and explaining to the member how the complaint will be handled.
- (e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
- (f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
- (g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.
- (h) Not interfering with or denying the right of a member to make any complaint.

Glenn County Probation Department

Probation Manual

Anti-Retaliation

- (i) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.

805.6 COMMAND STAFF RESPONSIBILITIES

The Chief Probation Officer should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

- (a) Communicating to all members the prohibition against retaliation.
- (b) The timely review of complaint investigations.
- (c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
- (d) The timely communication of the outcome to the complainant.

805.7 WHISTLEBLOWING

California law protects members who (Labor Code § 1102.5; Government Code § 53296 et seq.):

- (a) Report a violation of a state or federal statute or regulation to a government or law enforcement agency, including the member's supervisor or any other member with the authority to investigate the reported violation.
- (b) Provide information or testify before a public body if the member has reasonable cause to believe a violation of law occurred.
- (c) Refuse to participate in an activity that would result in a violation of a state or federal statute or regulation.
- (d) File a complaint with a local agency about gross mismanagement or a significant waste of funds, abuse of authority, or a substantial and specific danger to public health or safety. Members shall exhaust all available administrative remedies prior to filing a formal complaint.
- (e) Are family members of a person who has engaged in any protected acts described above.

Members are encouraged to report any legal violations through the chain of command (Labor Code § 1102.5).

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Chief Probation Officer for investigation pursuant to the Personnel Complaints Policy.

805.7.1 DISPLAY OF WHISTLEBLOWER LAWS

The Glenn County Probation Department shall display a notice to members regarding their rights and responsibilities under the whistleblower laws, including the whistleblower hotline maintained by the Office of the Attorney General (Labor Code § 1102.8).

805.8 RECORDS RETENTION AND RELEASE

The Records Manager shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

805.9 TRAINING

This policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

Reporting of Arrests, Convictions, and Court Orders

806.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the notification requirements and procedures that members must follow when certain arrests, convictions, and court orders restrict their ability to perform the official duties and responsibilities of the Glenn County Probation Department.

This policy will also describe the notification requirements and procedures that certain retired officers must follow when an arrest, conviction, or court order disqualifies them from possessing a firearm.

806.2 POLICY

The Glenn County Probation Department requires disclosure of member arrests, convictions, and certain court orders to maintain the high standards, ethics, and integrity in its workforce, and to ensure compatibility with the duties and responsibilities of the Glenn County Probation Department.

806.3 DOMESTIC VIOLENCE CONVICTIONS AND COURT ORDERS

Federal and California law prohibits individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing firearms. Such convictions and court orders often involve allegations of the use or attempted use of force, or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members and retired officers with identification cards issued by the department are responsible for ensuring that they have not been disqualified from possessing firearms by any such conviction or court order, and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

806.4 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS

While legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this department may be inherently in conflict with their duties and the public trust, and shall be reported as provided in this policy.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee's ability to fully perform the duties of the job (e.g., driver's license suspension or revocation).

Outstanding warrants and felony convictions also place restrictions on the ability of an officer to possess a firearm or remain a peace officer (Government Code § 1029; Penal Code § 29805).

Probation Manual

Reporting of Arrests, Convictions, and Court Orders

806.5 REPORTING

All members and all retired officers with identification cards issued by the Department shall immediately notify their supervisors (retired officers should immediately notify the Deputy Chief or the Chief Probation Officer) in writing of any past or current criminal detention, arrest, charge, or conviction in any state or foreign country, regardless of whether the matter was dropped or rejected, is currently pending, or is on appeal, and regardless of the penalty or sentence, if any.

All members and all retired officers with identification cards issued by the Department shall immediately notify their supervisors (retired officers should immediately notify the Deputy Chief or the Chief Probation Officer) in writing if they become the subject of a domestic violence-related order or any court order that prevents the member or retired officer from possessing a firearm or requires a suspension.

Any member whose criminal arrest, conviction, or court order restricts or prohibits that member from fully and properly performing duties, including carrying a firearm, may be disciplined. This includes but is not limited to being placed on administrative leave, reassignment, and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member, on the member's own time and at the member's own expense.

Any employee failing to provide prompt written notice pursuant to this policy shall be subject to discipline, up to and including termination.

Retired officers may have their identification cards rescinded or modified, as may be appropriate (see the Retiree Concealed Firearms Policy).

Drug- and Alcohol-Free Workplace

807.1 PURPOSE AND SCOPE

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace (41 USC § 8103).

807.2 POLICY

It is the policy of the Glenn County Probation Department to provide a drug- and alcohol-free workplace for all members.

807.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public.

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Supervising Probation Officer or appropriate supervisor as soon as the member is aware that the member will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

807.3.1 USE OF MEDICATIONS

Members should not use any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to the member's immediate supervisor prior to commencing any on-duty status.

807.3.2 USE OF MARIJUANA

Possession of marijuana, including medical marijuana, or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

807.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing, or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow on-duty member is impaired due to drug or alcohol use.

Glenn County Probation Department

Probation Manual

Drug- and Alcohol-Free Workplace

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

807.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Personnel Department, their insurance providers, or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

807.6 WORK RESTRICTIONS

If a member informs a supervisor that the member has consumed any alcohol, drug, or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from the member's physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that the member is safely transported away from the Department.

807.7 SCREENING TESTS

Consistent with County Policy rules, a supervisor may require an employee to submit to a screening under any of the following circumstances:

- (a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing the employee's ability to perform duties safely and efficiently.
- (b) The employee discharges a firearm in the performance of duties (excluding training).
- (c) The employee discharges a firearm issued by the Department while off-duty, resulting in injury, death, or substantial property damage.
- (d) The employee drives a motor vehicle in the performance of duties and becomes involved in an incident that results in bodily injury, death, or substantial damage to property.

807.7.1 SUPERVISOR RESPONSIBILITIES

The supervisor shall prepare a written record documenting the specific facts that led to the decision to require the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.
- (b) The result of the test is not admissible in any criminal proceeding against the employee.

Glenn County Probation Department

Probation Manual

Drug- and Alcohol-Free Workplace

- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

807.7.2 DISCIPLINE

An employee may be subject to disciplinary action if the employee:

- (a) Fails or refuses to submit to a screening test.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof within 72 hours after being requested that the employee took the controlled substance as directed, pursuant to a current and lawful prescription issued in the employee's name.

807.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

807.9 CONFIDENTIALITY

The Department recognizes the confidentiality and privacy due its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately in the member's confidential medical file in accordance with the Personnel Records Policy.

Sick Leave

808.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the County personnel manual or applicable collective bargaining agreement or memorandum of understanding.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.), the California Family Rights Act, leave for victims of crime or abuse, or for organ or bone marrow donor procedures (Government Code § 12945.2; Labor Code § 230.1; Labor Code § 1510).

808.2 POLICY

It is the policy of the Glenn County Probation Department to provide eligible employees with a sick-leave benefit.

808.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick-leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity, or other activity that may impede recovery from the injury or illness (see the Outside Employment and Outside Overtime Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

808.3.1 NOTIFICATION

All members should notify the Deputy Chief or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor (Labor Code § 246).

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever practicable, provide the Department with no less than 30 days' notice of the impending absence (Labor Code § 246).

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

Glenn County Probation Department

Probation Manual

Sick Leave

808.4 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days after the first three days of paid sick leave are used in a 12-month period.

808.5 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.
- (b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Personnel Department as appropriate.
- (c) Addressing absences and sick leave use in the member's performance evaluation when excessive or unusual use has:
 - 1. Negatively affected the member's performance or ability to complete assigned duties.
 - 2. Negatively affected department operations.
- (d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.
- (e) Referring eligible members to an available employee assistance program when appropriate.

808.6 REQUIRED NOTICES

The Personnel Director shall ensure:

- (a) Written notice of the amount of paid sick leave available is provided to employees as provided in Labor Code § 246.
- (b) A poster is displayed in a conspicuous place for employees to review that contains information on paid sick leave as provided in Labor Code § 247.

809.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

809.1.1 DEFINITIONS

Definitions related to this policy include:

Exposure only includes those instances that occur due to a member's position at the Glenn County Probation Department (see the Exposure Control Plan for further details to assist in identifying whether an exposure has occurred).

809.2 POLICY

The Glenn County Probation Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

809.3 EXPOSURE CONTROL OFFICER

 - (a) Engineering and work practice controls related to airborne transmissible diseases.
 - (b) Distribution of appropriate personal protective equipment to minimize exposure to airborne disease.
 4. Promptly notifying the county health officer regarding member exposures (Penal Code § 7510).
 5. Establishing procedures to ensure that members request exposure notification from health facilities when transporting a person who may have a communicable disease and that the member is notified of any exposure as required by Health and Safety Code § 1797.188.
 6. Informing members of the provisions of Health and Safety Code § 1797.188 (exposure to communicable diseases and notification).
- (f) Provisions for acting as the designated officer liaison with health care facilities regarding communicable disease or condition exposure notification. The designated officer should coordinate with other department members to fulfill the role when not available. The designated officer shall ensure that the name, title, and telephone number of the designated officer is posted on the Department website (Health and Safety Code § 1797.188).

The ECO should also act as the liaison with the Division of Occupational Safety and Health (Cal/ OSHA) and may request voluntary compliance inspections. The ECO shall annually review and update the exposure control plan and review implementation of the plan (8 CCR 5193).

809.4 EXPOSURE PREVENTION AND MITIGATION

809.4.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes but is not limited to (8 CCR 5193):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks, or other specialized equipment in the work area or department vehicles, as applicable.
- (b) Wearing department-approved disposable gloves when contact with blood, urine, other potentially infectious materials, mucous membranes, and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.

Glenn County Probation Department

Probation Manual

Communicable Diseases

- (e) Using an appropriate barrier device when providing CPR.
- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing, portable radio) as soon as possible if the equipment is a potential source of exposure.
 - 1. Clothing that has been contaminated by blood, urine, or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.
- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

809.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

809.5 POST EXPOSURE

809.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practical.

809.5.2 REPORTING REQUIREMENTS

The supervisor or designated administrator on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (8 CCR 5193):

- (a) Name and Social Security number of the employee exposed
- (b) Date and time of incident
- (c) Location of incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused

Glenn County Probation Department

Probation Manual

Communicable Diseases

- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Work-Related Illness and Injury Reporting and Illness and Injury Prevention policies).

809.5.3 MEDICAL CONSULTATION, EVALUATION, AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions, resulting from exposure to blood or other potentially infectious materials, that require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

809.5.4 COUNSELING

The Department shall provide the member, and the member's family if necessary, the opportunity for counseling and consultation regarding the exposure (8 CCR 5193).

809.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
- (c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).
- (d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status

Communicable Diseases

of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).

- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the County Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if the individual refuses.

809.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

809.7 TRAINING

All members should participate in training regarding communicable diseases commensurate with the requirements of their position. The training (8 CCR 5193):

- (a) Should be provided at the time of initial assignment to tasks where an occupational exposure may take place annually after the initial training.
- (b) Should be provided whenever the member is assigned new tasks or procedures affecting the member's potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure, and what steps should be taken if a suspected exposure occurs.

Smoking and Tobacco Use

810.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Glenn County Probation Department facilities or vehicles.

For the purpose of this policy, smoking and tobacco use includes but is not limited to any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches, and chewing tobacco, as well as any device that is intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

810.2 POLICY

The Glenn County Probation Department recognizes that tobacco use is a health risk and can be offensive to others. All forms of tobacco use also present an unprofessional image for the Department and its members. Therefore, all forms of tobacco use are prohibited by members and visitors in all department facilities, buildings, and vehicles, and as is further outlined in this policy (Government Code § 7597; Labor Code § 6404.5).

810.3 SMOKING AND TOBACCO USE

Smoking and tobacco use by members are prohibited any time members are in public view representing the Glenn County Probation Department.

It shall be the responsibility of each member to ensure that no person under the member's supervision smokes or uses any tobacco product inside County facilities and vehicles.

810.4 ADDITIONAL PROHIBITIONS

No person shall use tobacco products within 20 feet of a main entrance, exit, or operable window of any public building (including any department facility) or buildings on the campuses of the University of California, California State University, and California community colleges, whether present for training, enforcement, or any other purpose (Government Code § 7596 et seq.).

Personnel Complaints

811.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation, and disposition of complaints regarding the conduct of members of the Glenn County Probation Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment, or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

811.2 POLICY

The Glenn County Probation Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state, and local law and municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

811.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or federal, state, or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state, or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures, or the response to specific incidents by the Department.

811.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Deputy Chief is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Internal Affairs Agency, depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Internal Affairs Agency, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

Personnel Complaints

811.3.2 SOURCES OF COMPLAINTS

The following applies to the source of complaints:

- (a) Individuals from the public may make complaints in any form, including in writing, by email, in person, or by telephone.
- (b) Any department member becoming aware of alleged misconduct shall immediately notify a supervisor.
- (c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.
- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.

811.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

811.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in a clearly visible location in the public area of the department facility and be accessible through the department website. Forms may also be available at other County facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

811.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs, or physical evidence may be obtained as necessary.

A complainant shall be provided with a copy of the statement at the time it is filed with the Department (Penal Code § 832.7).

811.4.3 AVAILABILITY OF WRITTEN PROCEDURES

The Department shall make available to the public a written description of the investigation procedures for complaints (Penal Code § 832.5).

811.5 DOCUMENTATION

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

Glenn County Probation Department

Probation Manual

Personnel Complaints

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief Probation Officer or the authorized designee.

811.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows.

811.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief Probation Officer or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - 1. The original complaint form will be directed via the chain of command to the accused member's Deputy Chief, who will take appropriate action and/or determine who will have responsibility for the investigation.
 - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Deputy Chief or the Chief Probation Officer, who will initiate appropriate action.
- (b) Responding to all complaints in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
 - 1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.
 - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Chief Probation Officer.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Deputy Chief and Chief Probation Officer are notified via the chain of command as soon as practicable.
- (e) Promptly contacting the Personnel Department and the Deputy Chief for direction regarding the supervisor's role in addressing a complaint that relates to sexual, racial, ethnic, or other forms of prohibited harassment or discrimination.

Glenn County Probation Department

Probation Manual

Personnel Complaints

- (f) Forwarding unresolved personnel complaints to the Deputy Chief, who will determine whether to contact the complainant or assign the complaint for investigation.
- (g) Informing the complainant of the investigator's name and the complaint number within three days after assignment.
- (h) Investigating a complaint as follows:
 - 1. Making reasonable efforts to obtain names, addresses, and telephone numbers of witnesses.
 - 2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
- (i) Ensuring that the procedural rights of the accused member are followed (Government Code § 3303 et seq.).
- (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

811.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or a member of the Internal Affairs Agency, the following applies to members covered by the Public Safety Officers Procedural Bill of Rights Act (POBR) (Government Code § 3303):

- (a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty. If the member is off-duty, the member shall be compensated.
- (b) Unless waived by the member, interviews of an accused member shall be at the Glenn County Probation Department or other reasonable and appropriate place.
- (c) No more than two interviewers should ask questions of an accused member.
- (d) Prior to any interview, a member should be informed of the nature of the investigation.
- (e) All interviews should be for a reasonable period, and the member's personal needs should be accommodated.
- (f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards, or other inducements be used to obtain answers.
- (g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
 - 1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Lybarger* advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).

Glenn County Probation Department

Probation Manual

Personnel Complaints

2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.
- (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All members shall provide complete and truthful responses to questions posed during interviews.
- (k) No member may be compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any officer solely because the officer has been placed on a prosecutor's *Brady* list or the name of the officer may otherwise be subject to disclosure pursuant to *Brady v. Maryland*. However, an investigation may be based on the underlying acts or omissions for which the officer has been placed on a *Brady* list or may otherwise be subject to disclosure pursuant to *Brady v. Maryland* (Government Code § 3305.5).

811.6.3 ADMINISTRATIVE INVESTIGATION FORMAT

Formal investigations of personnel complaints shall be thorough, complete, and essentially follow this format:

Introduction - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

Synopsis - Provide a brief summary of the facts giving rise to the investigation.

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Evidence - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

Probation Manual

Personnel Complaints

811.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded (Penal Code § 832.8).

Exonerated - When the investigation discloses that the alleged act occurred but that the act was justified, lawful, and/or proper.

Not sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - A final determination by an investigating agency, commission, board, hearing officer, or arbitrator, as applicable, following an investigation and opportunity for an administrative appeal pursuant to Government Code § 3304 and Government Code § 3304.5 that the actions of an officer were found to violate law or department policy (Penal Code § 832.8).

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

811.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

811.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

811.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces, and other areas, including desks, offices, and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio, or other document or equipment.

Lockers and storage spaces may only be administratively searched in the member's presence; with the member's consent; with a valid search warrant; or where the member has been given reasonable notice that the search will take place (Government Code § 3309).

Glenn County Probation Department

Probation Manual

Personnel Complaints

811.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief Probation Officer or the authorized designee may temporarily assign an accused member to administrative leave. Any member placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons, and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The member may be required to remain available for contact at all times during such shift, and will report as ordered.

811.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief Probation Officer shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief Probation Officer may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of the member's constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

The Glenn County Probation Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

811.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief Probation Officer through the chain of command. Each level of command should review the report and include their comments in writing before forwarding the report. The Chief Probation Officer may accept or modify any classification or recommendation for disciplinary action.

811.10.1 DEPUTY CHIEF RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Deputy Chief of the involved member shall review the entire investigative file, the member's personnel file, and any other relevant materials.

The Deputy Chief may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Glenn County Probation Department

Probation Manual

Personnel Complaints

Prior to forwarding recommendations to the Chief Probation Officer, the Deputy Chief may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief Probation Officer, the Deputy Chief shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

811.10.2 CHIEF PROBATION OFFICER RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief Probation Officer shall review the recommendation and all accompanying materials. The Chief Probation Officer may modify any recommendation and/or may return the file to the Deputy Chief for further investigation or action.

Once the Chief Probation Officer is satisfied that no further investigation or action is required by staff, the Chief Probation Officer shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief Probation Officer shall provide the member with a written notice and the following:

- (a) Access to all of the materials considered by the Chief Probation Officer in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Chief Probation Officer within five days of receiving the notice.
 1. Upon a showing of good cause by the member, the Chief Probation Officer may grant a reasonable extension of time for the member to respond.
 2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed a response, or if the member has elected to waive any such response, the Chief Probation Officer shall consider all information received in regard to the recommended discipline. The Chief Probation Officer shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief Probation Officer has issued a written decision, the discipline shall become effective.

811.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief Probation Officer or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).

811.10.4 NOTICE REQUIREMENTS

The disposition of any civilian's complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

Glenn County Probation Department

Probation Manual

Personnel Complaints

811.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief Probation Officer after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted, or the employee may offer any additional information or mitigating factors for the Chief Probation Officer to consider.
- (d) In the event that the Chief Probation Officer elects to conduct further investigation, the employee shall be provided with the results before the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief Probation Officer on the limited issues of information raised in any subsequent materials.

811.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

811.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, memorandum of understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that an officer has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such *Brady* evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

811.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary officer subjected to an investigation into allegations of misconduct shall be entitled

Glenn County Probation Department

Probation Manual

Personnel Complaints

to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief Probation Officer or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief Probation Officer shall be final.

811.15 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

Safety Belts

812.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of safety belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

812.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and regulations set forth in 49 CFR 571.213 and Vehicle Code § 27360.

812.2 POLICY

It is the policy of the Glenn County Probation Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle accident.

812.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased, or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seatbelt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

812.4 TRANSPORTING CHILDREN

Child passengers younger than 8 years old shall be transported using an approved child restraint system in compliance with Vehicle Code § 27360.

Rear-seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of safety belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

Safety Belts

812.5 TRANSPORTING PERSONS IN CUSTODY

Persons in custody should be in a seated position and secured in the rear seat of any department vehicle with a transport restraint system or, when a transport restraint system is not available, by safety belts provided by the vehicle manufacturer. The transport restraint system is not intended to be a substitute for handcuffs or other appendage restraints. See the Transporting Persons in Custody Policy.

Persons in custody in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

812.6 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the safety belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the safety belt is inoperable.

Personnel records should be maintained in a secured location and locked either in a cabinet or access-controlled room. Personnel records maintained in an electronic format should have adequate password protection.

Personnel records are subject to disclosure only as provided in this policy, the Records Maintenance and Release Policy, or according to applicable discovery procedures.

Nothing in this policy is intended to preclude review of personnel records by the County Administrative Officer, County Attorney, or other attorneys or representatives of the County in connection with official business.

813.9 REQUESTS FOR DISCLOSURE

Any member receiving a request for a personnel record shall promptly notify the Records Manager or other person charged with the maintenance of such records.

Glenn County Probation Department

Personnel Records

Upon receipt of any such request, the responsible person shall notify the affected member as soon as practicable that such a request has been made (Evidence Code § 1043).

The responsible person shall further ensure that an appropriate response to the request is made in a timely manner, consistent with applicable law. In many cases, this may require assistance of available legal counsel.

All requests for disclosure that result in access to a member's personnel records shall be logged in the corresponding file.

813.9.1 RELEASE OF PERSONNEL INFORMATION

Personnel records shall not be disclosed except as allowed by law (see the Records Maintenance and Release Policy) (Penal Code § 832.7; Evidence Code § 1043).

Any person who maliciously, and with the intent to obstruct justice or the due administration of the laws, publishes, disseminates, or otherwise discloses the residence address or telephone number of any member of this department may be guilty of a misdemeanor (Penal Code § 146e).

The Department may release any factual information concerning a disciplinary investigation if the member who is the subject of the investigation (or the member's representative) publicly makes a statement that is published in the media and that the member (or representative) knows to be false. The disclosure of such information, if any, shall be limited to facts that refute any such false statement (Penal Code § 832.7).

813.9.2 REQUESTS FOR DISCLOSURE OF FORMER EMPLOYEE FILES

Members receiving requests for information from another agency regarding allegations of sexual abuse or sexual harassment involving a former employee should work with counsel to ensure compliance with Prison Rape Elimination Act (PREA) requirements (28 CFR 115.317).

813.9.3 RELEASE OF LAW ENFORCEMENT GANG INFORMATION

Information relating to the termination of an officer from this department for participation in a law enforcement gang shall be disclosed to another law enforcement agency that is conducting a preemployment background investigation except where specifically prohibited by law (Penal Code § 13670).

813.10 RELEASE OF PERSONNEL RECORDS AND RECORDS RELATED TO CERTAIN INCIDENTS, COMPLAINTS, AND INVESTIGATIONS OF OFFICERS/AGENTS

Personnel records and records related to certain incidents, complaints, and investigations of officers shall be released pursuant to a proper request under the Public Records Act and subject to redaction and delayed release as provided by law.

The Records Manager should work as appropriate with the Chief Probation Officer or the Internal Affairs Agency supervisor in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes (Penal Code § 832.7(b)(3)):

Glenn County Probation Department

Probation Manual

Personnel Records

- All investigation reports.
- Photographic, audio, and video evidence.
- Transcripts or recordings of interviews.
- Autopsy reports.
- All materials compiled and presented for review to the District Attorney or to any person or body charged with determining whether to file criminal charges against an officer in connection with an incident, whether the officer's action was consistent with law and department policy for purposes of discipline or administrative action, or what discipline to impose or corrective action to take.
- Documents setting forth findings or recommending findings.
- Copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the *Skelly* or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation of corrective action.

Unless a record or information is confidential or qualifies for delayed disclosure as provided by Penal Code § 832.7(b)(8) or other law, the following records (hereinafter referred to as "qualifying records") shall be made available for public inspection no later than 45 days from the date of a request (Penal Code § 832.7(b)(1)):

- (a) Records relating to the report, investigation, or findings of:
 1. The discharge of a firearm at another person by an officer.
 2. The use of force against a person resulting in death or in great bodily injury (as defined by Penal Code § 243(f)(4) by an officer.
 3. A sustained finding involving a complaint that alleges unreasonable or excessive force.
 4. A sustained finding that an officer failed to intervene against another officer using force that is clearly unreasonable or excessive.
- (b) Records relating to an incident where a sustained finding was made by the department or oversight agency regarding:
 1. An officer engaged in sexual assault of a member of the public (as defined by Penal Code § 832.7(b)).
 2. Dishonesty of an officer relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of or investigation of misconduct by another officer, including but not limited to any false statements, filing false reports, destruction, falsifying, or concealing of evidence, or perjury.
 3. An officer engaged in conduct, including but not limited to verbal statements, writings, online posts, recordings, and gestures, involving prejudice or discrimination against a person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition,

genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.

4. An officer made an unlawful arrest or conducted an unlawful search.

Qualifying records will be made available regardless of whether the officer resigns before the department or an oversight agency concludes its investigation (Penal Code § 832.7(b)(3)).

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(4)).

When an investigation involves multiple officers, the department shall not release information about allegations of misconduct or the analysis or disposition of an investigation of an officer unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(5). However, factual information about the action of the officer during an incident or the statements of an officer shall be released if the statements are relevant to a finding of a qualified allegation against another officer that is subject to release (Penal Code § 832.7(b)(5)).

813.10.1 REDACTION

The Records Manager, in consultation with the Chief Probation Officer or the authorized designee, shall redact the following portions of qualifying records made available for release (Penal Code § 832.7(b)(6)):

- (a) Personal data or information (e.g., home address, telephone number, identities of family members) other than the names and work-related information of officers
- (b) Information that would compromise the anonymity of whistleblowers, complainants, victims, and witnesses
- (c) Confidential medical, financial, or other information where disclosure is prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about possible misconduct and use of force
- (d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the officer or another person

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(7)).

813.10.2 DELAY OF RELEASE

Unless otherwise directed by the Chief Probation Officer, the Records Manager should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of qualifying records due to any of the following conditions (Penal Code § 832.7):

- (a) Active criminal investigations

Glenn County Probation Department

Probation Manual

Personnel Records

1. Disclosure may be delayed 60 days from the date the misconduct or use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.
 2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against an officer or against someone other than an officer who engaged in misconduct or used the force.
- (b) Filed criminal charges
1. When charges are filed related to an incident in which misconduct occurred or force was used, disclosure may be delayed until a verdict on those charges is returned at trial, or if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.
- (c) Administrative investigations
1. Disclosure may be delayed until there is a determination from the investigation whether misconduct or the use of force violated law or department policy, but no longer than 180 days after the date of the department's discovery of the misconduct or use of force or allegation of misconduct or the use of force.

813.10.3 NOTICE OF DELAY OF RECORDS

When there is justification for delay of disclosure of qualifying records, the Records Manager shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

- (a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.
- (b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.
 1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner, unless:
 - (a) When the criminal proceeding is against someone other than an officer and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the Department must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about misconduct or use of force by officers.

In cases where an action to compel disclosure is brought pursuant to Government Code § 6258, the Department may justify delay by filing an application to seal the basis for withholding if

Glenn County Probation Department

Probation Manual

Personnel Records

disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(8)).

813.11 MEMBERS' ACCESS TO THEIR PERSONNEL RECORDS

Any member may request access to the member's own personnel records during the normal business hours of those responsible for maintaining such files. Any member seeking the removal of any item from the member's personnel records shall file a written request to the Chief Probation Officer through the chain of command. The Department shall remove any such item if appropriate, or within 30 days provide the member with a written explanation of why the contested item will not be removed. If the contested item is not removed from the file, the member's request and the written response from the Department shall be retained with the contested item in the member's corresponding personnel record (Government Code § 3306.5).

Members may be restricted from accessing files containing any of the following information:

- (a) An ongoing internal affairs investigation to the extent that it could jeopardize or compromise the investigation pending final disposition or notice to the member of the intent to discipline
- (b) Confidential portions of internal affairs files that have not been sustained against the member
- (c) Criminal investigations involving the member
- (d) Letters of reference concerning employment/appointment, licensing, or issuance of permits regarding the member
- (e) Any portion of a test document, except the cumulative total test score for either a section of the test document or for the entire test document
- (f) Materials used by the Department for staff management planning, including judgments or recommendations concerning future salary increases and other wage treatments, management bonus plans, promotions and job assignments, or other comments or ratings used for department planning purposes
- (g) Information of a personal nature about a person other than the member if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy
- (h) Records relevant to any other pending claim between the Department and the member that may be discovered in a judicial proceeding

813.12 RETENTION AND PURGING

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

- (a) During the preparation of each member's performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy, if any, to progressive discipline, training, and career development. Each supervisor responsible for completing the member's performance evaluation should determine

Glenn County Probation Department

Probation Manual

Personnel Records

whether any prior sustained disciplinary file should be retained beyond the required period for reasons other than pending litigation or other ongoing legal proceedings.

- (b) If a supervisor determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Chief Probation Officer.
- (c) If, in the opinion of the Chief Probation Officer, a personnel complaint or disciplinary action maintained beyond the required retention period is no longer relevant, all records of such matter may be destroyed in accordance with the established records retention schedule.

814.4.1 SUPERVISORS

Upon receipt of a change of assignment request document, the supervisor shall make appropriate comments in the space provided on the document and forward it to the member's Deputy Chief.

816.2 POLICY

The Glenn County Probation Department strives to provide a safe and productive work environment and ensure that all members of this department can safely and effectively perform the essential functions of their jobs. Under limited circumstances, the Department may require a professional evaluation of a member's physical and/or mental capabilities to determine the member's ability to perform essential functions.

816.3 MEMBER RESPONSIBILITIES

It is the responsibility of each member of this department to maintain physical stamina and psychological stability sufficient to safely and effectively perform the essential duties of the position.

During working hours, all members are required to be alert, attentive, and capable of performing their assigned responsibilities.

816.4.2 DUTY STATUS

In conjunction with the member's Chief Probation Officer and Deputy Chief, the Deputy Chief Probation Officer should make a preliminary determination regarding the member's duty status.

816.5.1 PROCESS

The examining practitioner will provide the Department with a report indicating whether the member is fit for duty. If the member is not fit for duty, the practitioner will include the existing restrictions or conditions in the report. If the employee places their condition at issue in any subsequent or related administrative action/grievance, the examining physician or therapist may be required to disclose any and all information that is relevant to such proceeding (Civil Code § 56.10(c)(8)).

Fitness for Duty

To facilitate the evaluation of any member, the Department will provide all appropriate documents and available information.

All reports and evaluations submitted by the examining practitioner shall be part of the member's confidential medical file.

Any member ordered to undergo a fitness-for-duty evaluation shall comply with the terms of the order and cooperate fully with the examining practitioner.

Determinations regarding duty status of members who are found to be unfit for duty or fit for duty with limitations will be made in cooperation with Personnel Department.

- 16 hours in a one-day (24 hours) period.
- 30 hours in any two-day (48 hours) period.
- 84 hours in any seven-day (168 hours) period.

Except in unusual circumstances, members should have a minimum of eight hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve any member who has exceeded the above guidelines to off-duty status.

Limitations on the number of hours worked apply to shift changes, shift trades, rotation, holdover, training, general overtime, and any other work assignments.

816.7 APPEALS

Employees disputing the application or interpretation of this policy may submit a grievance as provided in the Grievances Policy.

Meal Periods and Breaks

817.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the availability of meal periods and breaks.

It is the policy of the Glenn County Probation Department to provide meal periods and breaks to members of this department in accordance with the collective bargaining agreement or memorandum of understanding and the County personnel manual.

817.3 MEAL PERIODS

Officers and supervisors on-duty are subject to call back during meal periods. All other members are not on-call during meal periods unless directed otherwise by a supervisor.

Uniformed officers shall take their meal periods within the County limits and shall monitor normal communication channels, unless on assignment outside of the County.

The time spent for the meal period shall not exceed the authorized time allowed.

817.4 BREAKS

Each member is entitled to a 15-minute break near the midpoint for each four-hour work period. Only one break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of a member's shift unless approved by a supervisor.

Members performing field duties will take their breaks within any assigned areas, subject to call, and shall monitor the channels of communication. When such members take their breaks, they shall do so only with the knowledge and clearance of the supervisor.

Lactation Breaks

818.1 PURPOSE AND SCOPE

The purpose of this policy is to provide reasonable accommodations to members desiring to express breast milk for the member's infant child (Labor Code § 1034).

818.2 POLICY

It is the policy of the Glenn County Probation Department to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any member desiring to express breast milk for her infant nursing child (29 USC § 207; Labor Code § 1030).

818.3 LACTATION BREAK TIME

A rest period should be permitted each time the member has the need to express breast milk (29 USC § 207; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Members desiring to take a lactation break shall notify a supervisor before taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

818.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from coworkers and the public (29 USC § 207; Labor Code § 1031).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.

Lactation Breaks

818.5 STORAGE OF EXPRESSED MILK

Any member storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the member's shift ends.

818.6 STATE REQUIREMENTS

Employees have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding the reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Employees who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commissioner (Labor Code § 1033).

Payroll Records

819.1 PURPOSE AND SCOPE

This policy provides the guidelines for completing and submitting payroll records of department members who are eligible for the payment of wages.

819.2 POLICY

The Glenn County Probation Department maintains timely and accurate payroll records.

819.3 RESPONSIBILITIES

Members are responsible for the accurate completion and timely submission of their payroll records for the payment of wages.

Supervisors are responsible for approving the payroll records for those under their direction.

819.4 TIME REQUIREMENTS

Members who are eligible for the payment of wages are paid on a scheduled, periodic basis, generally on the same day or date each period, with certain exceptions such as holidays. Payroll records shall be completed and submitted to the Administrative Deputy Chief as established by the County payroll procedures.

819.5 RECORDS

The Administrative Deputy Chief shall ensure that accurate and timely payroll records are maintained as required by 29 CFR 516.2 for a minimum of three years (29 CFR 516.5).

Overtime Compensation

820.1 PURPOSE AND SCOPE

This policy establishes guidelines and procedures regarding overtime for employees, in conformance with the Fair Labor Standards Act (FLSA) (29 USC § 201 et seq.).

820.2 POLICY

The Glenn County Probation Department will compensate nonexempt employees who work authorized overtime either by payment of wages or by the accrual of compensatory time (29 CFR 553.22). Employees who are salary exempt from FLSA are not compensated for overtime worked.

820.3 COMPENSATION

Payment of wages to nonexempt employees for overtime, or accrual of compensatory time in lieu of compensation for overtime worked, shall be at the rate of not less than one and one-half hours for each hour of employment for which overtime compensation is required (29 USC § 207(k)(2); 29 USC § 207(o)(1)).

Short periods of overtime worked at the end of the normal duty day (e.g., less than one hour in duration) may be handled informally by an agreement between the supervisor and the employee. In such cases, the supervisor shall document the overtime worked and schedule a subsequent shift adjustment within the same work period that the overtime was worked, rather than submit a request for overtime compensation (29 USC § 207(k)).

Salary exempt employees may be eligible for administrative leave, which may be granted at the discretion of the exempt employee's immediate supervisor.

820.4 REQUESTS FOR OVERTIME COMPENSATION

820.4.1 EMPLOYEE RESPONSIBILITIES

Generally, no employee is authorized to work overtime without the prior approval of a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of the shift in which the overtime is worked.

Nonexempt employees shall:

- (a) Obtain supervisory approval, verbal or written.
- (b) Not work in excess of 16 hours, including regularly scheduled work time, overtime, and extra-duty time, in any consecutive 24-hour period without supervisory approval.
- (c) Record the actual time worked in an overtime status using the department-approved form or method. Informal notations on reports, logs, or other forms not approved for overtime recording are not acceptable.
- (d) Submit the request for overtime compensation to their supervisors by the end of shift or no later than the next calendar day.

Glenn County Probation Department

Probation Manual

Overtime Compensation

820.4.2 SUPERVISOR RESPONSIBILITIES

Supervisors shall:

- (a) Prior to authorizing an employee to work overtime, evaluate the need for the overtime.
 1. Supervisors should not authorize any request to work overtime if the overtime would not be an appropriate use of department resources.
- (b) Upon receipt of a request for overtime compensation, confirm that the overtime was authorized and then verify the actual time worked.
 1. Supervisors identifying any unauthorized overtime or discrepancy shall initiate an investigation consistent with the Personnel Complaints Policy.
- (c) After verifying and approving the overtime amount, promptly forward the request for compensation to the employee's Deputy Chief for final approval.
 1. After the Deputy Chief has authorized compensation, the request shall be submitted to Administration as soon as practicable.

Supervisors may not authorize or approve their own overtime.

820.5 ACCOUNTING FOR PORTIONS OF AN HOUR

Authorized overtime work shall be accounted in the increments as listed:

TIME WORKED	INDICATE ON CARD
Up to 15 minutes	.25 hour
16 to 30 minutes	.50 hour
31 to 45 minutes	.75 hour
46 to 60 minutes	1 hour

820.5.1 VARIATION IN TIME REPORTED

When two or more employees are assigned to the same activity, case or court trial, and the amount of time for which overtime compensation is requested varies among the officers, the Deputy Chief or other approving supervisor may require each employee to include the reason for the variation on the overtime compensation request.

820.6 REQUESTING USE OF COMPENSATORY TIME

Employees who have accrued compensatory time shall be allowed to use that time for time off within a reasonable period after making a request if the request does not unduly disrupt department operations. Requests to use compensatory time will be submitted to the employee's supervisor at least 24 hours in advance of its intended use. Supervisors may make exceptions in unusual or extraordinary circumstances.

Compensatory time may not be used for time off for a date and time when the employee is required to appear in court on department-related matters. Supervisors shall not unreasonably deny employee requests to use compensatory time (29 CFR 553.25).

Outside Employment and Outside Overtime

821.1 PURPOSE AND SCOPE

This policy provides guidelines for department members who seek to engage in authorized outside employment or outside overtime.

821.1.1 DEFINITIONS

Definitions related to this policy include:

Outside employment - Duties or services performed by members of this department for another employer, organization, or individual not affiliated directly with this department when wages, compensation, or other consideration for such duties or services is received. Outside employment also includes duties or services performed by those members who are self-employed and receive compensation or other consideration for services, products, or benefits rendered.

Outside overtime - Duties or services performed by members of this department for a private organization, entity, or individual, that are requested and scheduled directly through the Department. Member compensation, benefits, and costs for such outside services are reimbursed to the Department.

821.2 POLICY

Members of the Glenn County Probation Department shall obtain written approval from the Chief Probation Officer or the authorized designee prior to engaging in any outside employment or outside overtime. Approval of outside employment or overtime shall be at the discretion of the Chief Probation Officer in accordance with the provisions of this policy. Failure to obtain prior written approval for outside employment or overtime, or engaging in outside employment or overtime that is prohibited by this policy, may lead to disciplinary action.

821.3 OUTSIDE EMPLOYMENT

821.3.1 REQUEST AND APPROVAL

Members must submit the designated outside employment request form to their immediate supervisors. The request form will then be forwarded through the chain of command to the Chief Probation Officer for consideration.

If approved, the member will be provided with a copy of the approved request form. Unless otherwise indicated in writing on the request form, approval for outside employment will be valid through the end of the calendar year in which the request is approved. Members seeking to continue outside employment must submit a new request form at the start of each calendar year.

821.3.2 DENIAL

Any member whose request for outside employment has been denied shall be provided with a written notification of the reason at the time of the denial (Penal Code § 70(e)(3)).

Glenn County Probation Department

Probation Manual

Outside Employment and Outside Overtime

821.3.3 REVOCATION OR SUSPENSION

Any member whose approval for outside employment is revoked or suspended shall be provided with a written notification of the reason for revocation or suspension (Penal Code § 70(e)(3)).

Approval for outside employment may be revoked or suspended:

- (a) When a supervisor determines the member's performance is failing to meet standards and the outside employment may be related to the deficient performance.
 - 1. Approval for the outside employment may be reestablished when the member's performance has reached a satisfactory level and with supervisor's authorization.
- (b) When a member's conduct or outside employment conflicts with department policy or any law.
- (c) When the outside employment creates an actual or apparent conflict of interest with the Department or County.

821.3.4 APPEAL

If a member's request for outside employment is denied or if previous approval is revoked or suspended, the member may file a written notice of appeal with the Chief Probation Officer within 10 days of receiving notice of the denial, revocation, or suspension.

A revocation or suspension will only be implemented after the member has completed the appeal process.

If the member's appeal is denied, the member may file a grievance as provided in the Grievances Policy.

821.4 REQUIREMENTS

821.4.1 PROHIBITED OUTSIDE EMPLOYMENT

The Department reserves the right to deny any request for outside employment that involves (Government Code § 1126):

- (a) The use of department time, facilities, equipment, or supplies.
- (b) The use of the Glenn County Probation Department badge, uniform, or influence for private gain or advantage.
- (c) The member's receipt or acceptance of any money or other consideration for the performance of duties or services that the member would be required or expected to render in the course or hours of employment, appointment, or as a part of regular duties.
- (d) The performance of duties or services that may later be subject directly or indirectly to the control, inspection, review, audit, or enforcement of any other member of this department.
- (e) Demands upon the member's time that would render the performance of duties for this department deficient or substandard.

Glenn County Probation Department

Probation Manual

Outside Employment and Outside Overtime

- (f) Activities that may conflict with any other policy or rule of the Department.

821.4.2 SECURITY AND PROBATION OFFICER OUTSIDE EMPLOYMENT

No member of this department may engage in any outside employment as a probation officer, private security guard, private investigator, or other similar private security position.

821.4.3 DEPARTMENT RESOURCES

Members are prohibited from using any department equipment or resources in the course of, or for the benefit of, any outside employment. This shall include the prohibition against any member using a position with this department to gain access to official records or databases of this department or other agencies.

821.4.4 REVIEW OF FINANCIAL RECORDS

Members approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflicts of interest (Government Code § 3308; Government Code § 1126).

Prior to approving outside employment, the Department may request a member provide personal financial records for review if the Chief Probation Officer determines that a conflict of interest may exist. Failure or refusal by the member to provide such records may result in denial of the outside employment.

If, after approving a request for outside employment, the Department obtains information that a financial conflict of interest exists, the Department may request that the member provide personal financial records for review. Failure or refusal by the member to provide such records may result in revocation or suspension of approval of the outside employment pursuant to this policy.

821.4.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If a member terminates outside employment, the member shall promptly submit written notification of such termination to the Chief Probation Officer through the chain of command. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through the procedures set forth in this policy.

Members shall also promptly submit in writing to the Chief Probation Officer any material changes in outside employment, including any change in the number of hours, type of duties, or the demands of any approved outside employment. Members who are uncertain whether a change in outside employment is material are advised to report the change.

821.4.6 LEAVE OR RESTRICTED DUTY STATUS

Members who are placed on leave or other restricted duty status shall inform their immediate supervisors in writing within five days as to whether they intend to continue their outside employment while on such leave or restricted status. The immediate supervisor shall review the duties of the outside employment, along with any related orders (e.g., administrative, medical), and make a recommendation to the Chief Probation Officer regarding whether such employment should continue.

Glenn County Probation Department

Probation Manual

Outside Employment and Outside Overtime

In the event that the Chief Probation Officer determines that the outside employment should be discontinued, or if the member fails to promptly notify the immediate supervisor of the member's intention regarding outside employment, a notice revoking approval of the outside employment will be forwarded to the member and a copy attached to the original outside employment request form.

Criteria for revoking approval due to leave or restricted duty status include but are not limited to:

- (a) The outside employment is medically detrimental to the total recovery of the disabled member, as indicated by the County's medical professional advisers.
- (b) The outside employment requires performance of the same or similar physical ability as would be required of an on-duty member.
- (c) The member's failure to make timely notice of the member's intention to the supervisor.

When the member returns to full duty with the Glenn County Probation Department, a written request may be submitted to the Chief Probation Officer to approve the outside employment request.

821.5 OUTSIDE OVERTIME

821.5.1 REQUESTS FOR SPECIAL SERVICES

Any private organization, entity, or individual seeking special services (e.g., security, traffic control) from members of this department must submit a written request to the Chief Probation Officer in advance of the desired service. Such services will be assigned, monitored, and compensated through the Department as outside overtime assignments.

- (a) A request for special services during or at the site of a strike, lockout, picket, or other physical demonstration of a labor dispute will not be approved.
- (b) The requester will be required to enter into an agreement that includes indemnification with the Department prior to approval.

Any officer making an arrest or taking other official law enforcement action while working in an outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to the Report Preparation Policy. Time spent on the completion of such reports shall be considered part of the outside overtime assignment.

821.5.3 SPECIAL RESTRICTIONS

Except for emergency situations or with prior authorization from the Chief Probation Officer, undercover officers or officers assigned to covert operations shall not be eligible to work outside overtime in a uniformed or other capacity that could reasonably disclose the officer's law enforcement status.

Work-Related Illness and Injury Reporting

822.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding timely reporting of occupational diseases, mental health issues, and work-related injuries.

822.1.1 DEFINITIONS

Definitions related to this policy include:

Occupational disease or work-related injury - An injury, disease, or mental health issue arising out of employment (Labor Code § 3208; Labor Code § 3208.3; Labor Code § 3212 et seq.).

822.2 POLICY

The Glenn County Probation Department will address work-related injuries appropriately, and will comply with applicable state workers' compensation requirements (Labor Code § 3200 et seq.).

822.3 RESPONSIBILITIES

822.3.1 MEMBER RESPONSIBILITIES

Any member suffering from any occupational illness or work-related injury shall report such event as soon as practicable, but within 24 hours to a supervisor, and shall seek medical care when appropriate (8 CCR 14300.35).

822.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor learning of any work-related injury or occupational illness should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required documents regarding workers' compensation are completed and forwarded promptly. Any related Countywide injury- or illness-reporting protocol shall also be followed.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

822.3.3 DEPUTY CHIEF RESPONSIBILITIES

The Deputy Chief who receives a report of an occupational illness or work-related injury should review the report for accuracy and determine what additional action should be taken. The report shall then be forwarded to the Chief Probation Officer or authorized designee, the County's risk management entity, and the Administration Deputy Chief Probation Officer to ensure any required Division of Occupational Safety and Health (Cal/OSHA) reporting is made as required in the illness and injury prevention plan identified in the Illness and Injury Prevention Policy.

Glenn County Probation Department

Probation Manual

Work-Related Illness and Injury Reporting

822.3.4 CHIEF PROBATION OFFICER RESPONSIBILITIES

The Chief Probation Officer or authorized designee shall review and forward copies of the report to the Personnel Department. Copies of the report and related documents retained by the Department shall be filed in the member's confidential medical file.

822.4 OTHER ILLNESS OR INJURY

Illnesses and injuries caused or occurring on-duty that do not qualify for workers' compensation reporting shall be documented on the designated report of injury form, which shall be signed by a supervisor. A copy of the completed form shall be forwarded to the appropriate Deputy Chief through the chain of command and a copy sent to the Chief Probation Officer or authorized designee.

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating no medical attention was desired at the time of the report. By signing, the member does not preclude the ability to later seek medical attention.

822.5 SETTLEMENT OFFERS

When a member sustains an occupational illness or work-related injury that is caused by another person and is subsequently contacted by that person, the person's agent, insurance company, or attorney and offered a settlement, the member shall take no action other than to submit a written report of this contact to a supervisor as soon as possible.

822.5.1 NO SETTLEMENT WITHOUT PRIOR APPROVAL

No less than 10 days prior to accepting and finalizing the settlement of any third-party claim arising out of or related to an occupational illness or work-related injury, the member shall provide the Chief Probation Officer or authorized designee with written notice of the proposed terms of such settlement. In no case shall the member accept a settlement without first providing written notice to the Chief Probation Officer or authorized designee. The purpose of such notice is to permit the County to determine whether the offered settlement will affect any claim the County may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the illness or injury, and to protect the County's right of subrogation, while ensuring that the member's right to receive compensation is not affected.

Personal Appearance Standards

823.1 PURPOSE AND SCOPE

This policy provides guidelines for the personal appearance of members of the Glenn County Probation Department.

Requirements for department uniforms and civilian attire are addressed in the Uniforms and Civilian Attire Policy.

823.2 POLICY

823.3.1 PERSONAL HYGIENE

All members must maintain proper personal hygiene. Examples of improper personal hygiene include but are not limited to dirty fingernails, bad breath, body odor, and dirty or unkempt hair. Cosmetics shall be conservative and present a professional image. Use of cologne, perfume, aftershave lotion, and other items used for body fragrance shall be kept to a minimum.

823.5 RELIGIOUS ACCOMMODATION

The religious beliefs and needs of department members should be reasonably accommodated. Requests for religious accommodation should generally be granted unless there is a compelling security or safety reason and denying the request is the least restrictive means available to ensure security or safety. The Chief Probation Officer should be advised any time a request for religious accommodation is denied.

Those who request to wear headscarves, simple head coverings, certain hairstyles, or facial hair for religious reasons should generally be accommodated absent unusual circumstances.

823.6 EXEMPTIONS

Members who seek cultural (e.g., culturally protected hairstyles) or other exemptions to this policy that are protected by law should generally be accommodated (Government Code § 12926). A member with an exemption may be ineligible for an assignment if the individual accommodation presents a security or safety risk. The Chief Probation Officer should be advised any time a request for such an accommodation is denied or when a member with a cultural or other exemption is denied an assignment based on a safety or security risk.

Any items that are allowed by the Glenn County Probation Department but that have been identified as optional shall be purchased entirely at the expense of the member. No part of the purchase cost shall be offset by the department.

Maintenance of optional items shall be the financial responsibility of the purchasing member (e.g., repairs due to normal wear and tear).

Replacement of items listed in this policy as optional shall be managed as follows:

- (a) When the item is no longer functional because of normal wear and tear, the member bears the full cost of replacement.
- (b) When the item is no longer functional because of damage in the course of the member's duties, it shall be replaced in accordance with the Department-Owned and Personal Property Policy.

824.6 UNAUTHORIZED UNIFORMS, EQUIPMENT, AND ACCESSORIES

Department members may not wear any uniform, attire, item, accessory, or attachment unless specifically authorized by the Chief Probation Officer or the authorized designee.

Department members may not use or carry any safety item, tool, or other piece of equipment unless specifically authorized by the Chief Probation Officer or the authorized designee.

Conflict of Interest

825.1 PURPOSE AND SCOPE

The purpose of this policy is to assist members in recognizing and avoiding potential conflicts of interest, thereby ensuring effective and ethical operating practices on the part of the Glenn County Probation Department.

825.1.1 DEFINITIONS

Definitions related to this policy include:

Conflict of interest - Any actual, perceived, or potential conflict in which it reasonably appears that a member's action, inaction, or decisions are or may be influenced by a personal or business relationship.

825.2 POLICY

Members of the Glenn County Probation Department are expected to conduct themselves with the utmost professional integrity and objectivity. Members will guard against actual or perceived conflicts of interest in order to ensure the fair and equitable treatment of department members and the public, and thereby maintain the trust of the public and other department members.

825.3 PROHIBITIONS

The Department prohibits the following types of personal or business relationships among members (Government Code § 12940):

- (a) Members are prohibited from directly supervising, occupying a position in the line of supervision, or being directly supervised by any other member who is a relative or with whom they are involved in a personal or business relationship.
 - 1. If circumstances require that such a supervisor/subordinate relationship exist temporarily, the supervisor shall make every reasonable effort to defer matters pertaining to the involved member to an uninvolved supervisor.
 - 2. When personnel and circumstances permit, the Department will attempt to make every reasonable effort to avoid placing members in such supervisor/subordinate situations. The Department, however, reserves the right to transfer or reassign any member to another position within the same classification to avoid conflicts with any provision of this policy.
- (b) Members are prohibited from participating in, contributing to, or recommending promotions, assignments, performance evaluations, transfers, or other personnel decisions affecting a member who is a relative or with whom they are involved in a personal or business relationship.
- (c) Whenever possible, field training officers (FTOs) and other trainers will not be assigned to train relatives. Department FTOs and other trainers are prohibited from entering into or maintaining personal or business relationships with any member they are assigned to train until such time as the training has been successfully completed and the person is off probation.

Conflict of Interest

825.4 MEMBER RESPONSIBILITIES

Members shall avoid situations that create a conflict of interest. Members should take reasonable steps to address a perception of a conflict of interest when such a perception is reasonably foreseeable and avoidable (e.g., deferring a decision to an uninvolved member).

Whenever any member is placed in circumstances that would require the member to take enforcement action or provide official information or services to any relative or individual with whom the member is involved in a personal or business relationship, that member shall promptly notify an uninvolved, immediate supervisor.

If no uninvolved supervisor is immediately available, the member shall promptly notify the Chief Probation Officer or the authorized designee to have another uninvolved member either relieve the involved member or, minimally, remain present to witness the action

825.5 SUPERVISOR RESPONSIBILITIES

Upon being notified of or otherwise becoming aware of any circumstance that could result in or constitute an actual or potential violation of this policy, a supervisor shall take all reasonable steps to promptly mitigate or avoid such violations whenever possible. Supervisors shall also promptly notify the Chief Probation Officer or the authorized designee of such actual or potential violations through the chain of command.

Only patches issued by this department are authorized to be displayed or worn by members while on-duty or otherwise acting in an official or authorized capacity.

Members, with the written approval of the Chief Probation Officer, may request additional patches, at their own expense.

826.7 IDENTIFICATION CARDS

All members will be issued an official GCPD identification card bearing the member's name, full-face photograph, member identification number, member's signature, and signature of the Chief Probation Officer or the official seal of the Department. All members shall be in possession of their department-issued identification cards at all times while on-duty or in department facilities.

Members should provide a business card to any member of the public who requests one.

Temporary Modified-Duty Assignments

827.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, CityCounty rules, or current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

827.2 POLICY

Subject to operational considerations, the Glenn County Probation Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work while providing the Department with a productive employee during the temporary period.

827.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act shall be treated equally, without regard to any preference, for a work-related injury (Government Code § 12940 et seq.).

No position in the Glenn County Probation Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief Probation Officer or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total hours in any one-year period, as determined by the Chief Probation Officer.

827.4 PROCEDURE

Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.

Glenn County Probation Department

Probation Manual

Temporary Modified-Duty Assignments

Employees seeking a temporary modified-duty assignment should submit a written request to their Deputy Chiefs or the authorized designees. The request should, as applicable, include a certification from the treating medical professional containing:

- (b) The prognosis for recovery.
- (c) The nature and scope of limitations and/or work restrictions.
- (d) A statement regarding any required workplace accommodations, mobility aids, or medical devices.
- (e) A statement that the employee can safely perform the duties of the temporary modified-duty assignment.

The Deputy Chief will make a recommendation through the chain of command to the Chief Probation Officer regarding temporary modified-duty assignments that may be available based on the needs of the Department and the limitations of the employee. The Chief Probation Officer or the authorized designee shall confer with the Personnel Department or the County Attorney as appropriate.

Requests for a temporary modified-duty assignment of 20 hours or less per week may be approved and facilitated by the Deputy Chief or Deputy Chief Probation Officer, with notice to the Chief Probation Officer or authorized designee, and as approved by the County Personnel Department.

827.5 ACCOUNTABILITY

Written notification of assignments, work schedules, and any restrictions should be provided to employees assigned to temporary modified-duty assignments and their supervisors. Those assignments and schedules may be adjusted to accommodate department operations and the employee's medical appointments, as mutually agreed upon with the Deputy Chief.

827.5.1 EMPLOYEE RESPONSIBILITIES

The responsibilities of employees assigned to temporary modified duty shall include but are not limited to:

- (a) Communicating and coordinating any required medical and physical therapy appointments in advance with their supervisors.

- (c) Communicating a status update to their supervisors no less than once every 30 days while assigned to temporary modified duty.
- (d) Submitting a written status report to the Deputy Chief that contains a status update and anticipated date of return to full duty when a temporary modified-duty assignment extends beyond 60 days.

Glenn County Probation Department

Probation Manual

Temporary Modified-Duty Assignments

827.5.2 SUPERVISOR RESPONSIBILITIES

The employee's immediate supervisor shall monitor and manage the work schedule of those assigned to temporary modified duty.

The responsibilities of supervisors shall include but are not limited to:

- (a) Periodically apprising the Deputy Chief of the status and performance of employees assigned to temporary modified duty.
- (b) Notifying the Deputy Chief and ensuring that the required documentation facilitating a return to full duty is received from the employee.
- (c) Ensuring that employees returning to full duty have completed any required training and certification.

827.6 MEDICAL EXAMINATIONS

Prior to returning to full-duty status, employees shall be required to provide certification from their treating medical professionals stating that they are medically cleared to perform the essential functions of their jobs without restrictions or limitations.

The Department may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

827.7 PREGNANCY

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth, or a related medical condition, the employee will be treated the same as any other employee with a temporary disability. A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment (42 USC § 2000e(k)).

827.7.1 NOTIFICATION

Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the County's personnel rules and regulations regarding family and medical care leave.

827.8 PROBATIONARY EMPLOYEES

Probationary employees who are assigned to a temporary modified-duty assignment may have their probation extended by a period of time equal to their assignment to temporary modified duty.

827.9 MAINTENANCE OF CERTIFICATION AND TRAINING

Employees assigned to temporary modified duty shall maintain all certification, training, and qualifications appropriate to both their regular and temporary duties, provided that the certification, training, or qualifications are not in conflict with any medical limitations or restrictions. Employees who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training, or qualifications.

Speech, Expression, and Social Networking

828.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with the use of social networking sites, and provides guidelines for the regulation and balancing of member speech and expression with the needs of the Glenn County Probation Department.

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, and use of all internet services, including the web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video and other file-sharing sites.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech, or expression that is protected under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit a member from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, about matters of public concern, such as misconduct or corruption.

Members are encouraged to consult with their supervisors regarding any questions arising from the application or potential application of this policy.

828.2 POLICY

Members of public entities occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of the Glenn County Probation Department. Due to the nature of the work and influence associated with the probation profession, it is necessary that members of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Department will carefully balance the individual member's rights against the needs and interests of the Department when exercising a reasonable degree of control over its members' speech and expression.

828.3 SAFETY

Members should carefully consider the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of Glenn County Probation Department members, such as posting personal information in a public forum or posting a photograph taken with a GPS-enabled camera, can result in compromising a member's home address or family ties. Members should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any member, a member's family, or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an officer who is working in a specialized assignment or interagency task force.

Speech, Expression, and Social Networking

- Disclosing the address of a fellow department member.
- Otherwise disclosing where another officer can be located off-duty.

828.4 PROHIBITED SPEECH, EXPRESSION, AND CONDUCT

To meet the safety, performance, and public-trust needs of the Glenn County Probation Department, the following are prohibited unless the speech is otherwise protected (for example, a member speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation, or professionalism of the Department or its members.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Department and tends to compromise or damage the mission, function, reputation, or professionalism of the Department or its members. Examples may include:
 1. Statements that indicate disregard for the law or the state or U.S. constitutions.
 2. Expression that demonstrates support for criminal activity.
 3. Participation in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the member as a witness. For example, posting to a website statements or expressions that glorify or endorse dishonesty, unlawful discrimination, or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the members of the Department (e.g., a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape).
- (e) Speech or expression that is contrary to the canons of the Probation Code of Ethics as adopted by the Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video, or other recording obtained or accessible as a result of employment or appointment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief Probation Officer or the authorized designee.
- (g) Posting, transmitting, or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment, or other material that specifically identifies the Glenn County Probation Department on any personal or social networking or other website or web page, without the express authorization of the Chief Probation Officer.

Speech, Expression, and Social Networking

Members must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

828.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While members are not restricted from engaging in the following activities as private citizens or as authorized members of recognized bargaining units or employee groups, members may not represent the Glenn County Probation Department or identify themselves in any way that could be reasonably perceived as representing the Department in order to do any of the following, unless specifically authorized by the Chief Probation Officer (Government Code § 3206; Government Code § :

- (a) Endorse, support, oppose, or contradict any political campaign or initiative.
- (b) Endorse, support, oppose, or contradict any social issue, cause, or religion.
- (c) Endorse, support, or oppose any product, service, company, or other commercial entity.
- (d) Appear in any commercial, social, or nonprofit publication or any motion picture, film, video, or public broadcast, or on any website.

Additionally, when it can reasonably be construed that a member, acting in the individual's own capacity or through an outside group or organization, including as an authorized member of a recognized bargaining unit or an employee group, is affiliated with this department, the member shall give a specific disclaiming statement that any such speech or expression is not representative of the Glenn County Probation Department.

Members retain their rights to vote as they choose, to support candidates of their choice, and to express their opinions as private citizens, including as authorized members of recognized bargaining units or employee groups, on political subjects and candidates at all times while off-duty. However, members may not use their official authority or influence to interfere with or affect the result of elections or nominations for office. Members are also prohibited from directly or indirectly using their official authority to coerce, command, or advise another employee to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for political purposes (5 USC § 1502).

828.5 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to emails, texts, or anything published or maintained through file-sharing software or any internet site (e.g., Facebook, Twitter, SnapChat, MySpace) that is accessed, transmitted, received, or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

The department shall not require an employee to disclose a personal username or password for accessing personal social media or to open a personal social website; however, the department may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

Speech, Expression, and Social Networking

828.6 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief Probation Officer or the authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of duties.
- (e) Whether similar speech or conduct has been previously authorized.
- (f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

828.7 TRAINING

Subject to available resources, the Department should provide periodic training regarding the limitations on speech, expression, and use of social networking to all members of the Department.

All members should report and/or take reasonable steps to correct unsafe or unhealthy work conditions, practices, or procedures in a timely manner. Members should make their reports to a supervisor (as a general rule, their own supervisors).

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner, based on the severity of the hazard. These hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering members or property, supervisors should protect or remove all exposed members from the area or item, except those necessary to correct the existing condition.

The Administrative Deputy Chief shall ensure that the appropriate documentation is completed for each inspection.

829.7.1 EQUIPMENT

Members are charged with daily vehicle inspections of their assigned vehicles and of their PPE prior to working in the field. Members should notify their supervisor if an unsafe condition cannot be immediately corrected..
